Re: Contracts for Remote Electronic Access to Court Records

Dear Senators and Representatives:

G.S. 7A-109 requires the Director of the Administrative Office of the Courts (AOC) to report to you regarding all contracts entered into with third parties that provide remote electronic access to court records during a calendar year.

Attached, please find a listing of all AOC customers that have contracts for remote public access or batch extracts, as well as government agencies that pay for online access.

We respectfully submit this report to you. Please do not hesitate to contact Cliff Layman, AOC's Chief Information Officer, or me if we can provide you with any additional information regarding AOC's contracts for remote electronic access.

Sincerely,

A handwritten signature in black ink, appearing to read "R. A. Walker", with a long horizontal flourish extending to the right.

Ralph A. Walker
