Re: Report on individuals who use state-owned vehicles for commuting.

North Carolina General Statute, 143-341(8)i,7a requires the Department of Administration, Division of Motor Fleet Management, to report quarterly to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division of the Legislative Services Office on individuals who use State-owned passenger motor vehicles, pickup trucks, or vans between their official work stations and their homes, who are not required to reimburse the State for these trips.

Attached is a report for the October– December 2009 quarter concerning all individuals assigned Motor Fleet Management-owned vehicle who use the vehicle for commuting and are not required to reimburse the State for these trips. The attached report lists the drivers, their department and how many miles they reported they commute daily.

Please contact John Massey at 733-6540 or Danny Willis at 733-6540 if there are questions.
