9/1/17 EJ issues for ACP

- EJ is procedural/informational → court decision → DC circuit
- is applic being reasoned in decision as it eval. EJ
 - is it beyond the pale of reason
 - ↳ may not be the best choice but a reasonable choice
 - in this case all alt. had >70% thru EJ comm. → may have had an impact if all but one were low EJ impacts
- is this w/i our authority
- are we going to consider EJ?

⇒ talk to Jay/Linda on EJ

- add info letter going out this week
- go thru normal process
- precedent for late intervention
 - broader issue than 401
- would we go forward with 401 if we interfere on EJ issues?
- HO recommend Design Stand. in Sens. Watersheds
 - → monthly ride throughs
