From: L. Que Tucker, Commissioner
Subject: *Response to April 21, 2021 Letter*
Date: May 4, 2021

This memo is to acknowledge requests in your April 21st letter. We remain aware of the ongoing expressed interest in the operations of the North Carolina High School Athletic Association. As I have continually stated, we are a membership driven organization, oversight by the membership itself through the Board of Directors, while also following specific rules and regulations established by the North Carolina State Board of Education. We make every effort possible to service the current 421 members in a manner that is transparent and in accordance with our Articles of Incorporation and our Bylaws.

Please find enclosed a document containing the following information:

1. The amount of Penalty/Fine monies collected in the past five years.
2. The amount of "License Royalty" Funds received by member schools in the past five years.
3.
 - 3a. The stipend amounts for the past five years, along with the definition of stipend as used by the NCHSAA.
 - 3b. The total amount of travel reimbursement to schools for the past five years and the explanation of those monies.
 - 3c. The amounts given for the second highest GPA Awards followed by an explanation.
 - 3d. The amounts given for the third highest GPA Awards, followed by an explanation.

A copy of a membership dues invoice is included. The first paragraph speaks to the intent to be a member in good standing with the NCHSAA. We have considered this document as the contract with the school. Additionally, and even though unrequested, we have included copies of each memo that is sent to the school with each check.

Thank you.

Membership Dues Attestation

By submission of this form, the principal certifies that membership renewal with the North Carolina High School Athletic Association is desired and made with the approval of the local board of education. It is further agreed that the school will abide by all rules and regulations of the NCHSAA.

The amount calculated on this invoice is based on this year's ADM numbers provided by the NC DPI and posted on the NCHSAA website.

NOTE: The number shown on the NCHSAA website could be adjusted to reflect the allowance of participation by students in specialty schools (i.e. middle/early college, STEM academy, etc.)

On behalf of the principal of this school, this information has been seen and verified.
