No licenses were terminated for reasons other than for failure to pay the required renewal fee in the fiscal year July 2013-June 2014
- 10.) The substance of any anticipated request of the occupational licensing board to the General Assembly to amend statutes related to the occupational licensing board.  
None
- 11.) The substance of any anticipated change in rules adopted by the occupational licensing board or the substance of any anticipated adoption of new rules by the occupational licensing board  
The NCALB plans to adopt rules amending or adding rules, the substance of which include purpose and scope of the rules, non-discrimination, competence, legal and ethical standards, education and training, publication credit, confidentiality, patient welfare, community based clinics, patient relationships, professionalism, remuneration, board investigation and titles. It also plans to adopt rules the substance of which includes the issuance of licenses by reciprocity based on military service and by reciprocity base on status as a military spouse. (At this time reciprocity is available as authorized by statute for members of the military and their spouses)
