Events Affecting Future Operations

A committee appointed by the North Carolina Legislature, The Joint Legislative Administrative Procedure Oversight Committee, has been performing a study concerning the deregulation, elimination and consolidation of occupational licensing boards in the State of North Carolina. The North Carolina Board of Athletic Trainer Examiners is presently being considered for elimination primarily due to erroneous raw input data used in a report prepared by the Program Evaluation Division of the Legislative Services Office of the North Carolina General Assembly. The continuation of the Board's operations in future years is not certain at this time, however, the Board's financial operations, being financially solvent, do not meet the criteria for reporting its financial operations using the going concern liquidation method of accounting.

Report on the Financial Statements

We have audited the accompanying financial statements of the North Carolina Board of Athletic Trainer Examiners (the "Board"), an independent state agency which is a nonmajor enterprise fund of the primary government of the State of North Carolina, as of and for the years ended December 31, 2016 and 2015, and the related notes to the financial statements, which comprise the Board's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on the audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the North Carolina Board of Athletic Trainer Examiners as of December 31, 2016 and 2015, and the results of its operations, changes in financial position, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (CONCLUDED)

Prior Period Information

We have previously audited the accompanying financial statements of the Board as of December 31, 2015 and the results of its operations and its cash flows for the year then ended, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 21, 2016. We have restated those financial statements herein. This is described and discussed in Note 8 to the financial statements.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historic context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the supplementary information because the limited procedures do not provide sufficient evidence to express an opinion or provide any assurance thereon.

NORTH CAROLINA BOARD OF ATHLETIC TRAINER EXAMINERS
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2016 AND 2015

Note 1 - Nature of Activities and Significant Accounting Policies

Description of Organization

The North Carolina Board of Athletic Trainer Examiners (the "Board") is an independent State agency. It is an occupational licensing board and is authorized by Chapter 90 of the North Carolina General Statutes. The Board is composed of seven members who are appointed by the Governor and the General Assembly of the State of North Carolina. It is a nonmajor enterprise fund of the primary government of the State of North Carolina and is reported as such in the State's Comprehensive Annual Financial Report (CAFR).

The Board is established to maintain minimum standards for services provided by athletic trainers.

The Board's operations are financed with self-generated revenues from fees charged to licensees.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting principles and reporting standards.

All activities of the Board are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

Reporting Entity

The concept underlying the definition of the financial reporting entity is that elected officials are accountable to their constituents for their actions. As required by accounting principles generally accepted in the United States of America (GAAP), the financial reporting entity includes both the primary government and all of its component units. An organization other than a primary government serves as a nucleus for a reporting entity when it issues separate financial statements. The accompanying financial statements present all funds and activities for which the Board is responsible.

For financial reporting purposes, the Board is a nonmajor enterprise fund of the primary government of the State of North Carolina and is reported as such in the State's Comprehensive Annual Financial Report (CAFR). These financial statements for the Board are separate and apart from those of the State of North Carolina and do not present the financial position of the State nor changes in the State's financial position and cash flows.

NORTH CAROLINA BOARD OF ATHLETIC TRAINER EXAMINERS
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2016 AND 2015

Note 1 - Nature of Activities and Significant Accounting Policies (Continued)

Basis of Accounting

In accordance with *Statement of Governmental Accounting Standards 34*, the Board herewith presents Statements of Net Position; Statements of Revenues, Expenses, and Changes in Net Position; and Statements of Cash Flows. These statements reflect entity-wide operations of the Board. The Board has no fiduciary funds or component units.

The Statements of Revenues, Expenses, and Changes in Net Position demonstrate the degree to which the direct expenses of the Board are offset by license fees.

The financial statements report all activities of the North Carolina Board of Athletic Trainer Examiners using the economic resource measurement focus and the full accrual basis of accounting. Revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recognized when incurred, if measurable, regardless of the timing of cash flows.

Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the Board. Operating revenues consist primarily of license fees. Operating expenses are all expense transactions incurred other than those related to capital and noncapital financing or investing activities as defined by GASB Statement No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting*. Non-operating revenues and expenses consist of those revenues and expenses that are related to investing, capital, and non-capital financing activities; and are classified as non-operating in the financial statements.

Cash and Cash Equivalents

This classification includes undeposited receipts, petty cash, checking accounts and time deposits (excluding certain certificates of deposit, if any) held by the Board.

Investments

The Board is authorized to invest idle funds in accordance with North Carolina General Statutes. This classification consists of certain certificates of deposits held by the Board for investment. Investments generally are reported at fair market value. Certificates of deposit are reported at cost (which is the same as fair value) if purchased in the primary certificate of deposit market, and at fair value if purchased in the secondary certificate of deposit market (as determined by quoted market prices). The net increase (decrease) in the fair value of investments for certificates of deposit is recognized as a component of investment interest income.

Prepaid Expenses

This classification includes prepaid computer consulting expense.

Fair Value of Financial Instruments

The carrying amounts of the Board's financial instruments approximate their fair value.

YEARS ENDED DECEMBER 31, 2016 AND 2015

Note 1 - Nature of Activities and Significant Accounting Policies (Continued)

Income Taxes

The Board is a nonmajor enterprise fund of the primary government of the State of North Carolina and is exempt from federal and state income taxes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2 - Deposits and Investments

Deposits

All of the Board's deposits which are uninsured are uncollateralized [unless collateralized pursuant to NC Administrative Code (20 NCAC 7)] by the financial institution holding said deposits. For deposits, custodial credit risk is the risk that in the event of the failure of the depository (or counterparty), the Board will not be able to recover the value of its deposits that are in the possession of the outside party. The Board does not have formal policies regarding custodial credit risk for deposits.

At December 31, 2016, the Board's deposits had a carrying amount of \$480,204 and a bank balance of \$477,428, of which \$474,710 was covered by federal depository insurance, and \$2,718 was uninsured and uncollateralized [unless collateralized pursuant to NC Administrative Code (20 NCAC 7)]. Certificates of deposit in the amount of \$252,719 are considered time deposits for this disclosure and are classified as investments on the Statements of Net Position. At December 31, 2015, the Board's deposits had a carrying amount of \$441,263 and a bank balance of \$442,631, of which \$250,000 was covered by federal depository insurance, and \$192,631 was uninsured and uncollateralized [unless collateralized pursuant to NC Administrative Code (20 NCAC 7)]. Certificates of deposit in the amount of \$300,727 are considered time deposits for this disclosure and are classified as investments on the Statements of Net Position.

Investments

At December 31, 2016 and 2015 the Board had the following investments and maturities.

Investment Type	December 31, 2016			December 31, 2015		
	Fair Value	3-12 Months	Over 12 Months	Fair Value	3-12 Months	Over 12 Months

Risk Disclosures

Interest rate risk - Interest rate risk is the risk the Board may face should interest rate variances affect the fair value of investments. As a means of limiting its exposure to fair value losses arising from interest rate variances, the Board limits its investments, if any, to certificates of deposits with maturities of no more than 84 months and to money market mutual funds.

Credit risk - Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. Investments of the Board are subject to the statutory requirements of North Carolina General Statutes, however the Board's present policy for managing credit risk is to limit its investments to certificates of deposits and money market mutual funds.

Custodial credit risk - For deposits, custodial credit risk is the risk that in the event of the failure of the depository (or counterparty), the Board will not be able to recover the value of its deposits that are in the possession of the outside party. The Board does not have formal policies regarding custodial credit risk for deposits. Federal depository insurance is discussed in a preceding section.

The following table presents fair value of investments by type and investment subject to interest rate risk and credit risk at December 31, 2016, for the Board's investments.

Note 3 - Net Position

Investment in capital assets- This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any loan proceeds that are attributable to the acquisition, construction, or improvement of those capital assets. The Board had no investment in capital assets.

Restricted net position - This component of net position consists of net position which the Board is legally or contractually obligated to spend in accordance with restrictions imposed by external parties. The Board had no restricted net position.

Unrestricted net position - This component of net position consists of net position that does not meet the definition of *restricted net position or investment in capital assets*.

Note 4 - Deferred Outflows/Inflows of Resources

Because the Board has no reportable deferred outflows and inflows of resources, pursuant to GASB 63 (and related statements), there is no reporting requirement to include zero presentation amounts on the Statements of Net Position, and accordingly, none are herewith presented.

NORTH CAROLINA BOARD OF ATHLETIC TRAINER EXAMINERS
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2016 AND 2015

Note 5 - Unearned Revenue

The Board's fees are assessed and collected on a fiscal year basis, which corresponds with the Board's accounting period. Licenses are renewed for a period of one fiscal year. License renewal fees received in the latter part of the fiscal year are unearned and recognized as revenue over the one year period to which they relate.

Note 6 - Contractual Management Services

The Board does not have any employees. The Board contracts with a management consultant service to provide services for the Board. The contract includes all services related to the process of licensure application and renewal and various other secretarial duties. The Board also reimburses the management service for miscellaneous office supplies and expenses. Payments to the management service totaled \$33,000 during the fiscal year ended December 31, 2016. Payments to the management service totaled \$25,088 during the fiscal year ended December 31, 2015.

Note 7 - Risk Management

The Board is exposed to various risks of loss related to torts; theft of, damage to, and the destruction of assets; errors and omissions; injuries to employees; and natural disasters. These exposures to loss are handled by participation in certain state-administered risk programs and self retention of certain risks. Additionally, the Board protects itself from exposure to potential loss through the purchase of commercial insurance coverage.

Note 8 - Contingencies

Disciplinary Hearings

The Board is involved in occasional disciplinary hearings throughout the year which arise in the ordinary course of its operations. In the opinion of management of the Board, the results of such actions during the years under audit do not materially affect the Board's operations, changes in financial position, or cash flows for the years herein ended.

Note 9- Restatement of Net Position

The Board has restated its net position for the year ended December 31, 2015 in the amount of \$3,750 to reclassify contractual management services fees to the appropriate period. This resulted in a decrease in revenues in excess of expenses in the amount of \$3,750 for the year ended December 31, 2015.

In connection with this change, the beginning net position (for 2016) has been restated as follows:

Net Position at January 1, 2016, as previously reported	\$	407,143
Adjustment for change in contractual management service fees		(3,750)
Net Position at January 1, 2016, as restated	\$	<u><u>403,393</u></u>
