RE: Administrative Procedure Oversight Committee Report

Dear Ms. Barlow,

Our board staff was not aware of the requirement to report the data described in S.L. 2020-87. We have not been collecting this information and therefore we have nothing to report.

I have contacted some of the other licensing boards to see how they collect this information. We will implement procedures to collect it as soon as we are able to determine the best process and then are able to implement the technology required to collect this data.

Thank you for your patience and understanding as we get these procedures into compliance.

Sincerely,

Joseph S. Siragusa, DC
Executive Director
