| 10. The substance of any anticipated request by the occupational licensing board to the General Assembly to amend statues related to the occupational licensing board: | |

The Board had hoped to address with the General Assembly the 20 year exemption for all licensees, teacher exam for natural hair care specialist, set hour requirements for teachers to 500 hours and require only one teacher exam, remove the requirement for shops to submit a list of employees or a booth renters and request some fee changes which have not been increased in over 30 years. The legislator is waiting on the PED committee review and recommendation before proceeding with any changes.

11. The substance of any anticipated change in rules adopted by the occupational licensing board or the substance of any anticipated adoption of new rules by the occupational licensing board:

The Board is continuing the process of reviewing in detail all of its rules. Because of this review, many rule changes have been initiated and filed with both OAH and subsequently RRC regarding school licensure, salon and school sanitation, administrative hearings and continuing education amendments. Several rules have been repealed. Future regulation changes will address rules to streamline the process. The Board has completed the periodic review and expiration of existing rules required by HB74. The Rules Review Commission will review December 2014.
