Substance of Anticipated Requests to Amend Statutes: There were no *sanctioned* Board requests to amend the applicable statute (G.S. 88A); however, HB749 was introduced, which would have changed many provisions for laser hair removal practitioners, as well as the manner in which Board finances are maintained.

Substance of Anticipated Rules Changes: The Board will continue an ongoing effort to revise and update Rules for technical changes to codify Board operating procedures for renewals, continuing education, and inspections, among others.
