Mrs. Necessary,

Today is the last day to submit your request for a review and no extension is being granted for this request.

Pursuant to NCGS § 143-143.14:

b) If the Board finds that an applicant has not met the requirements for licensure, the Board shall refuse to issue the applicant a license and shall notify the applicant in writing of the denial and the grounds for the denial. The application may also be denied for any reason for which a license may be suspended or revoked or not renewed under G.S. 143-143.13.

Within 30 days after receipt of a notification that an application for a license has been denied, the applicant may make a written request for a review by a member of the Department staff designated by the chair of the Board to determine the reasonableness of the Board's action. The review shall be completed without undue delay, and the applicant

shall be notified promptly in writing as to the outcome of the review. Within 30 days after service of the notification as to the outcome, the applicant may make a written request for a hearing under Article 3A of Chapter 150B of the General Statutes if the applicant disagrees with the outcome.

You are afforded due process. Therefore, you may request a review today and the review will be scheduled for a later date. If, at that time, you are not satisfied with the outcome of the review, you have the right to request a hearing before the Board. The next Board meeting is July 20, 2021 at 10:00 AM. Please note that pursuant to NCGS § 143-143.10A(c), an appearance before the full Board shall constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the General Statutes.

These proceedings are to determine the reasonableness of issuing you a permanent Salesperson license. If you wish to request a review, you may do so today.

You may contact me if you have questions.

Dear Joe,

I would like to request an extension until June 30, 2021 for the ability to request a review. The

outlined charges are being disputed, and I am working to gather the necessary documentation to prove otherwise. If granted, I will respond by June 30th with either a request for review or acceptance of the denial.

Thank you for considering my request. I look forward to hearing back.

RE: Informal Conference Notice - Denial

Dear Amy Necessary,

The Manufactured Building Division has information that appears to justify recommendation to the North Carolina Manufactured Housing Board for issuance of a Notice of Administrative Hearing involving potential administrative action for denial of your application for a permanent Salesperson's license. The information indicates that you may have violated one or more of the conditions enumerated under North Carolina General Statutes and Administrative Rules. The factual background and apparent violations are set forth below.

Background

On March 29, 2021, the staff to the North Carolina Manufactured Housing Board received your request for licensing under the manufactured housing laws as a Salesperson. A federal and state criminal background record check reflected multiple counts of criminal convictions to wit:

1. It appears that on or about May 4, 2017, you were found guilty in Washington County, VA on multiple counts of Felony Embezzlement greater than \$200.
2. It appears that on or about May 4, 2017, you were found guilty in Washington County, VA on multiple counts of Misdemeanor Embezzlement less than \$200.

Apparent Violations

The above information indicates that you may have violated one or more of the conditions enumerated under North Carolina General Statutes and Administrative Rules. Each condition is set forth below.

1. **N.C. Gen. Stat. § 143-143.13(a)(1)** provides in relevant part that the Board may deny, suspend or revoke a license for "*Making a material misstatement in application for license.*"

The Manufactured Building Division received an application that was submitted in your name for a Manufactured Housing Salesperson license on March 29, 2021. On the application, you answered "No" to the screening question: "*Exclusive of traffic violations, have you ever been convicted of any crime or offense?*" You appear to have violated N.C. Gen. Stat. § 143-143.13(a)(1). Some or all of your apparent violation(s) described above provide grounds for sanctions under N.C. Gen. Stat. § 143-143.13(a)(1).

2. **N.C. Gen. Stat. § 143-143.13(a)(12)** provides in relevant part that the Board may deny, suspend or revoke a license for “*Conviction of any crime listed in G.S. 143-143.10A.*”

You appear to have violated N.C. Gen. Stat. § 143-143.13(a)(12). Some or all of your apparent violations described above provide grounds for sanctions under N.C. Gen. Stat. § 143-143(a)(12).

The NC Manufactured Building Division of the Office of State Fire Marshall desires to discuss this matter with you on **Thursday, June 17, 2021 at 1:30 p.m.** in the Albemarle Building, 5th floor conference room located at 325 North Salisbury Street, Raleigh, NC 27603. If you fail to appear at this conference, the NC Manufactured Building Division may recommend to the NC Manufactured Housing Board that it proceed with an administrative hearing by issuance of a Notice of Administrative Hearing under Article 3A of Chapter 150B of the General Statutes to determine if the denial will stand or what response is appropriate.

If you plan to be represented by legal counsel, please advise accordingly. Feel free to contact me with questions at (919) 647-0053.

Sincerely,

Keisha Burch | Licensing Administrator

Dear Amy Necessary:

The staff to the North Carolina Manufactured Housing Board has received your request for licensing under the manufactured housing laws as a Salesperson. This letter is notification that your application must be denied for cause citing the statutes below.

North Carolina General Statute § 143-143.14 grants the North Carolina Manufactured Housing Board the authority of refusing to issue a license if the applicant has not fully met the requirements for licensing. A license may be denied under N.C.G.S. § 143-143.13 on the following grounds:

- (1) Making a material misstatement in application for license.
- (12) Conviction of any crime listed in G.S. 143-143.10A.

Information received by the staff to the North Carolina Manufactured Housing Board reflects the following:

1. That you applied for a Manufactured Housing Salesperson license on March 29, 2021.
2. That you answered "No" to the screening question:
 - a. *"Exclusive of traffic violations, have you ever been convicted of any crime or offense?"*
3. That on or about May 4, 2017, you were found guilty in Washington County, VA on multiple counts of Felony Embezzlement greater than \$200.
4. That on or about May 4, 2017, you were found guilty in Washington County, VA on multiple counts of Misdemeanor Embezzlement less than \$200.

In further, you were requested by email correspondence dated, April 21, 2021 to provide the following:

OFFICE OF STATE FIRE MARSHAL • MANUFACTURED BUILDING

1202 MAIL SERVICE CENTER | RALEIGH, NC 27699-1202 | Toll free 800.587.2716 | Tel 919.647.0000 | Fax 919.715.0067

- A detailed written statement explaining the circumstances of each incident;
- A copy of official documentation of parole or probation release;
- A copy of the official court documentation which demonstrates the resolution of the charges or any final judgement.

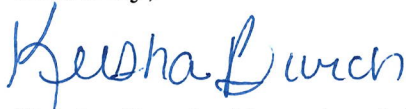

You failed to provide this information. If you wish to dispute any of these facts or otherwise be heard as to the denial of your application, you may make written request for a review by a member of the Department staff designated by the chair of the Board under North Carolina General Statute § 143-143.14(b) within 30 days of your receipt of this notice. We will notify you by letter or email correspondence of the time and place of the review. Therefore, it is important that you keep us informed as to any change in your contact information.

The purpose of the review is to determine the reasonableness of the Board's staff decision to deny your application. The review will be informal, and no witnesses are necessary. You may present such evidence and arguments as are appropriate to challenge the decision. The rules of evidence used in courts and in formal administrative hearings do not apply to this review. Counsel may represent you if you wish. If you intend to have Counsel represent you, please inform the staff at least one week before your scheduled informal conference. If you do not request a review, or if you fail to appear at a requested review, the denial will become final. Therefore, you will have no further recourse to contest the decision. Naturally, you may reapply for licensing later should you believe your circumstances have changed sufficiently to justify a different decision.

A request for review should be filed with Joe Sadler, Deputy Commissioner, Manufactured Building Division, 1202 Mail Service Center, Raleigh, NC 27699-1201. You may also respond with your request for a review via email correspondence.

Feel free to contact keisha.burch@ncdoi.gov or at 919-647-0053, if you have any questions about the procedure involved in this matter.

Sincerely,

Keisha Burch, Licensing Administrator

Amy Necessary:

The North Carolina General Statutes provides that when the criminal history, whether a felony or misdemeanor, bears on the fitness of an applicant for a Manufactured Housing Salesperson license issued by the North Carolina Manufactured Housing Board (hereafter "Board"), such convictions may provide sufficient grounds for denial of your license pursuant, to N.C. General Statute § 143-143.11.

The Staff for the Board has received the results of your state and or federal criminal history check. You failed to indicate on your application form that you had prior criminal convictions as required by N.C. General Statute 143-143.13(a)(1). However, your criminal history record check revealed the following:

On 05/04/2017 in Washington County, VA, you were found guilty of multiple counts of the following:

- Felony Embezzlement >=\$200
- Misdemeanor Embezzlement <=\$200

Your criminal record check also revealed an active probation sentence on 05/04/2017.

Based on the above, the staff for the Board requires additional information to assist in determining your fitness for licensure. Please provide the Board with the following items for each of the convictions listed above:

1. **A detailed written statement explaining the circumstances of each incident;**
2. **A copy of official documentation of parole or probation release;**
3. **A copy of the official court documentation which demonstrates the resolution of the charges or any final judgement; and**
4. **Any additional information, including references, that you would like considered by the Board.**

You are requested to provide the above documentation within 10 days of the date of this letter. Failure to provide the requested information may result in the Board's refusal to issue you a permanent Salesperson license. You may contact me if you have questions.
