---	---

NC Board of PT Examiners - Year End June 30, 2018

- (1) The address of the board, and the names of its members and officers. (*Attached*)
(1a) The total number of licensees supervised by the board. **(13,037)**
This number reflects the total number of "active" physical therapy licensees in the state of NC as of 10-23-18.
-
- (2) The number of persons who applied to the board for examination. (*PT & PTA*)
Paid in 2018 **(617)**
-
- (3) The number who were refused examination. (*PT & PTA*) **(0)**
-
- (4) The number who took the examination. (*PT & PTA*) **(333)**
-
- (5) The number exam candidates whom initial licenses were issued. (*PT & PTA*)
Paid between 07/01/2017 – 06/30/2018 **(552)**
- (5a) The number who failed the examination. (*PT & PTA*) **(93)**
-
- (6) The number who applied for license by endorsement or comity. (*PT & PTA*) **(618)**
-
- (7) The number who were granted licenses by endorsement or comity. (*PT & PTA*)
(Paid in 2017 - 2018) **(606)**
- (7a) The number of official complaints received involving licensed and unlicensed activities.
• **Total number of complaints received - 59**
- (7b) The number of disciplinary actions taken against licensees, or other actions taken against non-licensees, including injunctive relief.
• **Disciplinary Actions – includes Warnings and Probation - 5**
• **Advisory letters (not disciplinary actions) includes 24 Advisory letters; 1 Advertising letter; 1 non -licensed practice letter. Total is 26**
• **Referrals to District Attorney, OIG or other licensing Boards - 0**
-
- (8) The number of licenses suspended or revoked.
• **Number of licenses suspended or revoked - 2**
-
- (9) The number of licenses terminated for any reason other than failure to pay the required renewal fee.
• **Number of licensees terminated for reason other than failure to pay required renewal fee - 0**
-
- (10) The substance of any anticipated request by the occupational licensing board to the General Assembly to amend statutes related to the occupational licensing board. *None*
-

- (11) The substance of any anticipated change in rules adopted by the occupational licensing board or the substance of any anticipated adoption of new rules by the occupational licensing board.

At the time of this report, the North Carolina Board of Physical Therapy Examiners anticipates the following rule changes and new rule adoptions:

- **Completion of the required Periodic Review process – May 1, 2019**
- **Technical changes approved by the Rules Review Commission 10-18-18, effective 11-01-18 to address website address changes and NCBPTE physical address change effective 08-16-18**
- **Changes to Board's rules which affect applicant's eligibility to take the National Physical Therapy Examination (NPTE). These changes are necessary due to updated requirements by the national physical therapy testing entity, the Federation of State Boards of Physical Therapy, regarding English language proficiency and substantially equivalent educational credentials for non-CAPTE (Commission on Accreditation of Physical Therapy Education) educated graduates.**
- **Changes to Board's rules affected by recodification of NC General Statutes Article B - 90-270.24 through 90-270.44 to N.C.G.S. Article 18E 90-270.90 through 90-270.131**

October 17, 2018

Board of Directors
North Carolina Board of Physical Therapy Examiners

We have audited the financial statements of the North Carolina Board of Physical Therapy Examiners for the year ended June 30, 2018. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and Government Auditing Standards, as well as certain information related to the planned scope and timing of our audit. Professional standards require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the North Carolina Board of Physical Therapy Examiners are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended June 30, 2018. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the Board's financial statements were:

Management's estimate of the depreciable lives of capital assets (i.e. equipment and computers). We evaluated the key factors and assumptions used to develop the useful lives and determined that they were reasonable in relation to the financial statements taken as a whole.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 17, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Directors and management of the North Carolina Board of Physical Therapy Examiners and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditors' Report

Members of the Board
North Carolina Board of Physical Therapy Examiners
Durham, North Carolina

Report on the Financial Statements

We have audited the accompanying financial statements of the North Carolina Board of Physical Therapy Examiners as of and for the year ended June 30, 2018 and the related notes to the financial statements, which collectively comprise the Board's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audits.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the North Carolina Board of Physical Therapy Examiners as of June 30, 2018, and the respective changes in financial position and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note A, the financial statements present only the North Carolina Board of Physical Therapy Examiners and do not purport to, and do not present fairly the financial position of the State of North Carolina, as of June 30, 2018, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management's Discussion and Analysis

Accounting principles generally accepted in the United States of America require that *management's discussion and analysis* on pages 3-5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 17, 2018 on our consideration of the Board's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of those reports is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. Those reports are an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Board's internal control over financial reporting and compliance.

Garrett, Dodd & Associates, Ltd.

NORTH CAROLINA BOARD OF PHYSICAL THERAPY EXAMINERS

Management's Discussion and Analysis

Introduction

The following discussion and analysis provides an overview to assist the reader in interpreting and understanding the accompanying basic financial statement. This overview includes a comparative financial analysis with discussion of significant changes from the prior year, as well as a discussion of currently known facts, decisions, and conditions. This information is provided by the North Carolina Board of Physical Therapy Examiners (NCBPTE).

Overview of the Basic Financial Statements

The Statement of Net Position provides information relative to the Board's assets, liabilities, and the resulting net position as of the last day of the fiscal year (June 30, 2018). Assets and liabilities on this statement are categorized as either current or noncurrent. Current assets are those that are available to pay for expenses in the next fiscal year. Current liabilities are those payables in the next fiscal year. Net position on this statement is categorized as either invested in capital assets or unrestricted. Overall, the Statement of Net Position provides information relative to the financial strength of the Board and its ability to meet current and long-term obligations.

The Statement of Revenues, Expenses, and Changes in Net Position provides information relative to the results of the Board's operations, non-operating activities, and other activities affecting net position that occurred during the fiscal year. Operating activities include the licensure, licensure renewal and examination activities for the practice of physical therapy in the State. The Board does require disciplined licensees to reimburse the Board the "costs of investigation". Non-operating activity includes interest income. Overall, the Statement of Revenues, Expenses, and Changes in Net Position provides information relative to the Board's management of its operations and its ability to maintain its financial strength.

The Statement of Cash Flows provides information relative to the Board's sources and uses of cash funds for operating activities. The statement provides a reconciliation of beginning cash balances to ending cash balances and is representative of activity reported on the Statement of Revenues, Expenses, and Changes in Net Position.

The Statements described above are the basic financial statements required by the Governmental Accounting Standards Board (GASB) accounting principles. In accordance with GASB, the financial statements are presented on the Board as a whole and use reporting concepts in a manner similar to that required of a business enterprise. The financial statement balances reported are presented in a classified format to aid the reader in understanding the nature of the financial statement balances.

In using the basic financial statements, the Notes to the Financial Statements should be read in conjunction with the basic financial statements. The Notes to the Financial Statements provide information relative to the significant accounting principles applied in the basic financial statements, authority for and associated risk of deposits, detailed information on capital assets and noncurrent liabilities, revenues and expenses, required information on pension plans, insurance against losses, commitments and contingencies, accounting changes, and if necessary a discussion of adjustments to prior periods and events subsequent to the Board's financial statement period. Overall, the Notes to the Financial Statements provide information to better understand details, risks, and uncertainties associated with amounts reported in the basic financial statements.

NORTH CAROLINA BOARD OF PHYSICAL THERAPY EXAMINERS
Management's Discussion and Analysis

Brief Agency Highlights

- At the end of the fiscal year ending June 30, 2017, the Board had an operating loss of \$108,946 due to unanticipated litigation expenses of \$298,835 from an ongoing lawsuit the North Carolina Acupuncture Licensing Board filed against the North Carolina Board of Physical Therapy Examiners.
- During the year ended June 30, 2018, litigation expenses associated with the Acupuncture Board's lawsuit totaled \$141,972. Litigation expenses were significantly decreased from the previous two fiscal years.
- Operating Expenses including litigation expenses, declined by \$198,654 from June 30, 2017 to June 30, 2018. The Board continued to increase efficiencies by using electronic communications and additional paperless processes thus decreasing expenses.
- Long-term assets, other than capital assets, consist mainly of Certificates of Deposits maturing more than one year after June 30, 2018.
- Total assets increased from \$1,452,735 to \$1,847,174 in the year ending June 30, 2018 largely due to an increase of \$20 in annual license renewal fee. This increase will allow the Board to increase reserves that have decreased in the last two fiscal years due to unanticipated litigation expenses, fund the office relocation and improve information technology infrastructure to serve an increasing licensee population and fulfill the Board's public protection mission.
- Current and Long-term liabilities increased in 2018 from 2017 largely due to staff longevity and the resulting increase in vacation accrual.
- Deferred inflows represent exam fees paid in advance and decreased by \$2,250 in 2018.
- Net position consists of amounts invested in capital assets of \$47,802 and \$51,869 for June 30, 2017 and June 30, 2018 respectively, and unrestricted amounts of \$1,281,474 and 1,667,547 respectively. In recognition of expenditures of funds for litigation, \$550,000 classified as designated litigation reserve has been reclassified to unrestricted net position. The increase in net position from June 30, 2017 to June 30, 2018 reflects decreased litigation expenses in 2018 and the increase in annual license renewal fees.
- Operating revenues increased by \$299,116 from June 30, 2017 to June 30, 2018 primarily due to the increase in renewal fees and higher number of exam-taking applicants.

Comparative Financial Highlights

Year End	June 30, 2018	June 30, 2017
Current Assets	1,701,202	1,279,925
Capital Assets-Net	51,869	47,802

NORTH CAROLINA BOARD OF PHYSICAL
THERAPY EXAMINERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE A SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Board was established by the North Carolina General Assembly as an occupational licensing board to maintain standards for the practice of physical therapy in North Carolina.

Financial Reporting Entity

The concept underlying the definition of the financial reporting entity is that elected officials are accountable to their constituents for their actions. As required by accounting principles generally accepted in the United States of America (GAAP), the financial reporting entity includes both the primary government and all of its component units. An organization other than a primary government serves as a nucleus for a reporting entity when it issues separate financial statements. The accompanying financial statements present all funds and activities for which the Board is responsible

For financial reporting purposes, the Board is a nonmajor enterprise fund of the primary government of the State of North Carolina and is reported as such in the State's Comprehensive Annual Financial Report (CAFR). These financial statements for the Board are separate and apart from those of the State of North Carolina and do not present the financial position of the State nor changes in the State's financial position and cash flows.

Basis of Presentation

The statement of net position reflects all assets including long-term assets, and all obligations including long-term obligations.

The statement of revenues, expenses and changes in net position presents a comparison between direct expenses and program revenues of the Board. Primary revenues include fees and other charges paid by the recipients of services.

NORTH CAROLINA BOARD OF PHYSICAL
THERAPY EXAMINERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

Measurement Focus and Basis of Accounting

In accordance with North Carolina General Statutes, the Board's accounts are maintained during the year using the modified accrual basis of accounting. However, at year-end, financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when cash flows take place.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash Equivalents

The Board considers all short-term investments with an original maturity of three months or less to be cash equivalents.

Deferred Inflows of Resources

Unearned revenues consist principally of license fees paid by applicants prior to taking exams.

Capital Assets

Capital assets are defined by the Board as assets with an initial individual cost of \$500 or more and an estimated useful life of more than two years. Purchased assets are reported at cost. The cost of normal maintenance and repairs that do not add to the value of an asset or materially extend asset lives are expensed.

THERAPY EXAMINERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE A (CONTINUED)

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Asset Class</u>	<u>Estimated Useful Lives</u>
Furniture and equipment	5-10 years
Computer equipment	3 years

Accrued Vacation

The vacation leave policy of the Board provides for accumulation of earned vacation leave with such leave being fully vested when earned. Because vacation leave is payable to employees at termination, a liability for the outstanding balances has been recorded. That portion of accrued vacation that is estimated to be used in the next fiscal year has been designated as a current liability in the financial statements (first-in, first-out method of using accumulated time).

Net Position

Net positions in the financial statements are classified as invested in capital assets and unrestricted.

NOTE B DEPOSITS AND INVESTMENTS

The Board maintains cash balances, money market accounts and certificates of deposit at several local financial institutions. Certificates of deposit have a book and market value of \$445,514 at June 30, 2018. Certificates of deposit have varying interest rates and staggered maturities over the next 20 months,

NOTE B (CONTINUED)

with those maturing more than one year after June 30, 2018 reflected as long-term investments.

Custodial Credit Risk – Deposits. Custodial credit risk is the risk that, in the event of a bank failure, the Board's deposits may not be returned to it. The Board does not have a formal deposit policy for custodial credit risk. As of June 30, 2018, the Board's deposits of \$1,783,919 were exposed to custodial credit risk as follows:

Uninsured and uncollateralized - \$592,156

NOTE C CAPITAL ASSETS

Changes in capital assets for the year ended June 30, 2018 were as follows:

	ASSET			
	June 30, <u>2017</u>	<u>Additions</u>	<u>Retirements</u>	June 30, <u>2018</u>
Furniture	\$ 44,172		\$ 19,945	\$ 24,227
Equipment	10,890		4,682	6,208
Computer Equipment	<u>123,434</u>	<u>\$33,902</u>	<u>17,063</u>	<u>140,273</u>
	<u>\$178,496</u>	<u>\$33,902</u>	<u>\$ 41,690</u>	<u>\$170,708</u>

DEPRECIATION

	<u>June 30,</u> <u>2017</u>	<u>Current</u> <u>Expense</u>	<u>Retirements</u>	<u>June 30,</u> <u>2018</u>
Furniture	\$ 38,482	\$ 1,937	\$18,635	\$ 21,784
Equipment	6,452	999	4,682	2,769
Computer Equipment	<u>85,760</u>	<u>23,448</u>	<u>14,922</u>	<u>94,286</u>
	<u>\$ 130,694</u>	<u>\$26,384</u>	<u>\$ 38,239</u>	<u>\$118,839</u>

NOTE D ACCRUED VACATION

The changes in accrued vacation are as follows:

	<u>June 30,</u> <u>2017</u>	<u>Additions</u>	<u>Used</u>	<u>June 30,</u> <u>2018</u>
Amount	\$78,159	\$48,519	\$44,142	\$82,536

The amount representing the current portion of vacation leave is \$39,336.

NOTE E RETIREMENT PLAN

The North Carolina Licensing Boards Retirement Plan is a multiple-employer, cost-sharing defined contribution plan. Participating employees must contribute 6% of their gross pay and the board matches those contributions 100%. Employee's contributions are 100% vested; the Board's matching contributions are 100% vested after 5 years of credited service. The Board contributed a 6% matching share (\$33,214) on behalf of its employees.

NOTE F LEASE OBLIGATIONS

The Board leases office space and office equipment through operating leases under which future minimum rentals are as follows:

<u>Year ended June 30:</u>	<u>Amount</u>
2019	\$ 69,074
2020	72,068
2021	77,486
2022	82,670
2023	87,572
Thereafter	<u>487,446</u>
	<u>\$876,316</u>

NOTE G NET POSITION

The Board has assigned portions of its unrestricted net position for the following purposes:

Designated	
Reserve for prepaid expenses	\$ 3,920
Information technology reserve	100,000
Replacement of property & equipment	100,000
Continuing education	50,000
Possible future building acquisition	735,000
Unanticipated litigation costs	<u>300,000</u>
	<u>1,288,920</u>
Undesignated	<u>378,627</u>
	<u>\$1,667,547</u>

NOTE H LITIGATION

In September 2015, the North Carolina Acupuncture Licensing Board (NCALB) filed a lawsuit against the North Carolina Board of Physical Therapy Examiners. The Acupuncture Board contended that dry needling treatments performed by physical therapists subject physical therapists to licensure requirements of the Acupuncture Board.

On April 26, 2016, the state court dismissed the Acupuncture Board's lawsuit. The Acupuncture Board then requested a declaratory ruling from the Physical Therapy Board. The Physical Therapy Board issued its declaratory ruling on June 28, 2016.

On July 27, 2016, the Acupuncture Board filed a petition in North Carolina state court for judicial review of the declaratory ruling. On August 2, 2017, the state court issued an order that affirmed the declaratory ruling.

On August 25, 2017, the Acupuncture Board filed a notice of appeal of the state court's order. The appeal has been taken to the North Carolina Supreme Court. Appellate proceedings are ongoing.

The Physical Therapy Board has retained a law firm to defend the Board in this litigation. The same law firm has defended the Board throughout the litigation.

NOTE I RECLASSIFICATIONS

Certain deposits from the June 30, 2017 financial statements have been reclassified for comparability with amounts presented in the June 30, 2018 financial statements. These changes do not affect net position or liabilities.

NOTE J SUBSEQUENT EVENTS

The Board has evaluated subsequent events through October 17, 2018, the date which the financial statements were available to be issued.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To The Board of Directors
North Carolina Board of Physical Therapy Examiners
Durham, North Carolina

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the North Carolina Board of Physical Therapy Examiners (Board) as of and for the year ended June 30, 2018 and the related notes to the financial statements and have issued our report thereon dated October 17, 2018.

Internal Control over Financial Reporting

In planning and performing our audits of the financial statements, we considered the Board's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. Accordingly, we do not express an opinion on the effectiveness of the Board's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material* weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Board's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
