North Carolina Veterinary Medical Board

Report: Section 3.20.(c)

The North Carolina Veterinary Medical Board in order to effect flexibility in its rules and regulations has allowed licensees and registrants to obtain all required continuing education online for the extent of the Corona Virus emergency. This applies to the 2020 renewal cycle and, based upon the duration of the emergency, the 2021 renewal cycle.

Sincerely,

Tod J. Schadler, DVM

Executive Director
