Good Afternoon,

I have checked with our Chief of Police, Doug Bowman and our Town Manager, David Odom for further verification of the Town's Ordinance's for additional reference. The Town of Taylorsville does not have any ordinance's that are enforced with criminal penalties. If any additional information is needed, please contact me and I will be happy to assist. Thank you.

Cordially,

Yolanda T. Prince
Town Clerk

Dear Town Clerk,

Please see attached an important memo to remind you that your town or city has not provided information that was required by state law. This reminder has been specifically requested by Rep. Dennis Riddell, who is co-chair of the Joint Legislative Oversight Committee on General Government at the General Assembly. Rep. Riddell has sought the League's help in reaching out to 46 towns that need to provide this information. Failure to provide this information could have legal consequences for your town. Please read this email in its entirety and provide the information electronically to the individuals listed in the attached document.

Sincerely,
Erin Wynia
