**EARLY COLLEGE GRADUATES/THE UNIVERSITY OF NORTH CAROLINA ADMISSION POLICY REPORT TO
THE JOINT LEGISLATIVE EDUCATION OVERSIGHT COMMITTEE
September 30, 2020**

HOUSE BILL 97: 2015 Appropriations Act, Sec. 11.16: Early College Graduates/The University of North Carolina Admission Policy

Sec. 11.16 of S.L. 2015-241 directs the Board of Governors (BOG) of The University of North Carolina System to adopt a policy to require each constituent institution to offer any student who graduated with an associate degree from a cooperative innovative high school program and who applies for admission to a constituent institution the option of being considered for admission as a freshman or as a transfer student. The constituent institution must provide relevant information regarding each option to the student.

Beginning September 30, 2017, the BOG must report annually to the Joint Legislative Education Oversight Committee regarding the number of students who graduated with an associate degree from a cooperative innovative high school program and the option those students chose when applying to a constituent institution.

This section became effective July 1, 2015, and applied to the 2016-2017 academic year and each subsequent academic year.

Implementation of House Bill 97 Section 11.16

On April 1, 2016, the Early College/UNC Admissions Policy working group was convened at the UNC System Office to review House Bill 97 Section 11.16 and develop regulations for implementation and assessment. The following universities were represented on the working group: Appalachian State University, East Carolina University, Fayetteville State University, North Carolina Central University, North Carolina State University, UNC-Chapel Hill, UNC Charlotte, UNC Greensboro, UNC Wilmington, and Western Carolina University. Additionally, representatives from the North Carolina Department of Public Instruction and the North Carolina Community College System served on the working group.

From this working group, Section 700.1.1 of the UNC Policy Manual (Minimum Requirements for First-time Undergraduate Admissions/Minimum Course Requirements) was revised to include the following requirements, which were approved by the UNC Board of Governors on July 29, 2016:

700.1.1. Section IV. Graduates of Cooperative Innovative High Schools (Early College)

Beginning with the 2016-2017 admissions application cycle for enrollment in the 2017-2018 academic year, each UNC constituent institution must offer to any student who graduated from a cooperative innovative high school program with an associate degree and who applies for admission to a constituent institution the option of being considered for admission as a freshman or as a transfer student.

The constituent institution shall also provide written information to the student regarding the consequences that accompany each option and any other relevant information that may be helpful to the student when considering which option to select.

Beginning March 1, 2017, the Board of Governors shall report annually regarding the number of students who graduated from a cooperative innovative high school program with an associate degree and which option was chosen by those students when applying for admission to a constituent institution.

Following the approval of these revisions, all constituent institutions posted relevant information outlining the policy update to institution websites by November 22, 2016 and have continued to update these links (see Appendix A).

The table in Appendix B reports the number of students who self-identified as candidates for graduation from a cooperative innovative high school program with an associate degree and which option was chosen by those students when applying for admission to one of the 16 UNC System constituent institutions. Each institution submitted this information to the UNC System Office. This information was collected either directly from the student's application or through follow-up communications with the student. Constituent institutions received 7,088 applications from this cohort of students.
