LEA #	LEA	Recycling Program	School or LEA Level	Items Recycled (Number of schools that are recycling in parenthesis)	Other Items	Comments and/or Reason for not Recycling
232	Shelby City	No	(7)	Not a formal program. Groups involved on a sporadic basis for cans, plastic bottles, other glass containers		Attempts have been made in the past to develop a more comprehensive effort, but resources are not available. City does not collect recycled materials - merely has a drop off point; inadequate for school use. Is the state surveying/encouraging/requiring municipalities to promote/support recycling? If not, why would the legislature expect schools to be able to implement a successful program if the municipality can't accomodate the recycled materials?
240	Columbus	Yes	School (19)	newspapers, plastic cafeteria plates/cups, cardboard, cans, printer, motor oil, cooking oil, tires	bulbs - ballast	
241	Whiteville City	Yes	School (5) & LEA	(LEA) newspapers, (LEA) computer hard drive, (LEA) computer keyboard, (LEA) cardboard, (4) cans, (LEA) printer, (1) motor oil, (LEA) CRT monitor, (LEA) paper, (4) cooking oil

LEA #	LEA	Recycling Program	School or LEA Level	Items Recycled (Number of schools that are recycling in parenthesis)	Other Items	Comments and/or Reason for not Recycling
421	Roanoke Rapids City	No	School (4)	(1) plastic cafeteria plates/cups, (1) plastic cafeteria utensils, (4) cans	(2) printer ink cartridges	Do not have a comprehensive recycling program. Have just begun a districtwide project called Green Schools. Each school has a team that is coordinating the study of energy conservation in core academic subjects with authentic projects on their school campuses. Several recycling efforts are part of this project.
422	Weldon City	Yes	LEA (3)	computer hard drive, computer keyboard, printer, motor oil, CRT monitor, cooking oil, tires		
430	Harnett	No	(25)			We do not have a recycling program in Harnett County; therefore, we do not have the capability.
440	Haywood	Yes	LEA (15)	newspapers, cardboard, cans, motor oil, paper, plastic bottles, tires	Cafeteria cooking oil, plastic cafeteria food/beverage containers
