DWI Vehicle Towing, Storage and Sales October 1, 2009 – September 30, 2010 COMBINED REPORT

The North Carolina Department of Public Instruction has administered a statewide contract for the towing, storage, and sale of vehicles seized under North Carolina's DWI seizure law since June 1, 1999. This effectively removed local education agencies (LEAs) from the administration of the DWI vehicle seizure laws. Tarheel Specialties Inc. of Linden, NC was the statewide contractor for towing, storage, and sale of DWI seized vehicles at the beginning of this reporting period, beginning October 1, 2009.

Beginning June 1, 2010, Eastway Wrecker Services of Charlotte, NC and Martin Edwards and Associates of Linden, NC, were each awarded a one year split contract to provide these services. The award split the state into West and East Regions. Eastway Wreckers Services was awarded the West region including Union, Stanly, Davidson, Guilford, and Rockingham counties (not including Cleveland). Martin Edwards & Associates was awarded the East region of the state including Anson, Montgomery, Randolph, Alamance and Caswell counties.

The following data was compiled for the period October 1, 2009 through September 30, 2010, from data reports prepared by Tarheel Specialties, Martin Edwards and Associates and Eastway Wrecker Service.

1. A total of 3,596 vehicles were impounded by the three contractors, averaging over 69 vehicles per week.
2. A total of 717 vehicles were released to innocent owners or lienholders upon payment of towing and storage fees (\$7,710 going to the General Fund of North Carolina).
3. A total of 814 vehicles were reported released prior to impoundment and not included in number (1) above.
4. Storage fees for released vehicles resulted in \$51,018 in revenue for the LEAs statewide.
5. 1,630 vehicles were sold at public auction for a total of \$1,972,600 or an average of \$1,210 per vehicle. (This generated \$16,300 in administrative fees for the General Fund of North Carolina.) Contractors retained \$313,897 for expenses to local tow companies to take possession of seized vehicles, and retained \$197,225 for towing and selling fees.
6. Contractors retained \$1,071,772.50 for storage fees. (The contractor is allowed to charge up to \$10 per day for storage.)
7. Proceeds of \$229,927 for LEAs were generated from the contractors' storage fees. Contractors sent \$90,868 to the Clerks of Court for vehicles not yet forfeited. LEAs may receive these funds if these vehicles are eventually forfeited by the courts.
8. Contractors have approximately 771 vehicles that remain impounded.
9. During the reporting period 71 vehicles were reported forfeited by the Courts generating \$67,455 in proceeds for LEAs.
10. Four (4) forfeited vehicles were retained by Local School Boards for their own use.
11. Most DWI seized vehicles are auctioned under the expedited sales provision of the DWI seizure law.

The attached document indicates breakdown by county of the numbers stated above.
