Teacher Assistant Scholarship Fund Annual Report 2009–10 Academic Year

The Teacher Assistant Scholarship Fund (TASF) was established in 2001 by the North Carolina General Assembly. Grants for the 2009-10 academic year were awarded to 265 full-time public school teacher assistants pursuing initial teacher licensure at North Carolina institutions. The program appropriation for 2009-10 was \$964,174, and the total expenditure for the 265 recipients was \$648,000. The total number of applications includes incomplete applications; all eligible applicants received funding. The number of recipients is a reduction from prior years, which appears related to loss of employment experienced by teacher assistants in the past year.
