**Headcount of Limited English Proficient
Students in North Carolina Public Schools
as of October 1, 2016**

In accordance with SL 2003-284, Section 7.15(b), the Department of Public Instruction is required to prepare a headcount of all limited English proficient (LEP) students and report it to the Joint Legislative Education Oversight Committee by December 15 of each year.

The current enrollment of those students identified and assessed as limited English proficient in accordance with the policies of the State Board of Education (SBE) as of October 1, 2016, is 95,905. These students were identified using the W-APT (WIDA-ACCESS Placement Test) and the approved State identification criteria.

The accompanying table lists the number of students by all 115 LEAs and 167 charter schools. LEA designated coordinators and charter school directors for LEP reported the data electronically as part of the annual data collection of limited English proficient students to NC DPI. In adherence with FERPA, the data is suppressed where less than ten students are identified as LEP (small cell suppression rule).

Headcount of Limited English Proficient (LEP) Students in North Carolina Public Schools on October 1, 2016

Subtotal Charter Schools		Student Count for State Funding
