Summary of the Legislation

Appropriations Bill 2017-57 Section 8.8E appropriates \$15,870,356 for bonuses for fourth to eight grade math teachers based on the Education Value-Added Assessment System (EVAAS) student growth index score for fourth through eighth-grade math. The full text of the legislation can be found in the Appendix A.

\$7,935,178 is allotted based on bonuses to licensed teachers who are in the top twenty-five percent (25%) of teachers in the State according to the EVAAS student growth index score for fourth through eighth-grade math from the previous year. These funds shall be allocated at \$2,150 per qualifying teacher.

\$7,935,178 is allotted to pay bonuses to licensed teachers who are in the top twenty-five percent (25%) of teachers in their respective LEA according to the EVAAS student growth index score for fourth through eighth-grade math from the previous year. These funds shall be allocated at \$2,150 per qualifying teacher.

To be eligible the teacher must remain employed teaching in the same local school administrative unit at least from the school year the data is collected until the corresponding school year that the bonus is paid. LEAs are responsible for determining if teachers meet the eligibility requirements.

State Board of Education Policy

The full State Board of Education allotment policy related to this bonus is presented in Appendix B.

Distribution of Funds

The Department of Public Instruction (DPI) distributed the funds for payment by the local educational units in January 2018 based on SBE policy to LEAs and charter schools. The distribution amounts are presented in Appendix C.

State-Level and LEA-Level Bonuses

The total number of teachers in the top 25% (4th-8th inclusive): 6,631

The total award per teacher: \$2,150

The allotment will include the teacher award plus social security. The award is not subject to retirement.

The data of the actual number of teachers who were paid the bonus was not available at the time of the preparation of this report. The Department of Public Instruction will analyze the data in detail and provide further information when the data is available.

Reporting Requirement

The State Board of Education shall study the effect of the program on teacher performance and retention. The State Board shall report the results of its findings.

The data of the actual number of teachers who were paid the State-level bonus was not available at the time of the preparation of this report. The Department of Public Instruction will analyze the data in detail and provide further information when the data is available.

The State Board of Education shall report on the distribution of statewide bonuses as among local school administrative units, and the distribution of bonuses within local school administration units as among individual schools to the President Pro Tempore of the Senate, the Speaker of the House of Representatives, the Joint Legislative Education Oversight Committee and the Fiscal Research Division on March 15 of each year.

SESSION LAW 2017-57
SENATE BILL 257

FOURTH TO EIGHTH GRADE MATH TEACHER BONUS PROGRAM FOR 2017-2018

SECTION 8.8E.(a) It is the intent of the State to reward teacher performance and encourage student learning and improvement. To attain this goal, the Department of Public Instruction shall administer the Fourth to Eighth Grade Mathematics Teacher Bonus Program (program) for the 2017-2018 fiscal year to qualifying teachers who have an Education Value-Added Assessment System (EVAAS) student growth index score for fourth, fifth, sixth, seventh, or eighth grade mathematics from the previous school year, as follows:

- (1) For purposes of this section, the following definitions shall apply:
 - a. Eligible Teacher. – A teacher who meets one or both of the following criteria:
 1. Is in the top twenty-five percent (25%) of teachers in the State according to the EVAAS student growth index score for fourth, fifth, sixth, seventh, or eighth grade mathematics from the previous school year.
 2. Is in the top twenty-five percent (25%) of teachers in the teacher's respective local school administrative unit according to the EVAAS student growth index score for fourth, fifth, sixth, seventh, or eighth grade mathematics from the previous school year.
 - b. Qualifying Teacher. – An eligible teacher who remains teaching in the same local school administrative unit at least from the school year the data for the EVAAS student growth index score is collected until the school year a bonus provided under this subsection is paid.
- (2) Of the funds appropriated for this program, the Department of Public Instruction shall allocate the sum of seven million nine hundred thirty-five thousand one hundred seventy-eight dollars (\$7,935,178) to award a bonus in the amount of two thousand one hundred fifty dollars (\$2,150) to each qualifying teacher who is an eligible teacher under sub-sub-subdivision (1)a.1. of this subsection.
- (3) Of the funds appropriated for this program, the Department of Public Instruction shall allocate the sum of seven million nine hundred thirty-five thousand one hundred seventy-eight dollars (\$7,935,178) to award a bonus in the amount of two thousand one hundred fifty dollars (\$2,150) to each qualifying teacher who is an eligible teacher under sub-sub-subdivision (1)a.2. of this subsection, subject to the following conditions:
 - a. Teachers employed in charter schools, regional schools, and University of North Carolina laboratory schools are not eligible to receive a bonus under this subdivision.
 - b. Any qualifying teacher who taught in a local school administrative unit that employed in the previous school year three or fewer total teachers in the qualifying teacher's grade level shall receive a bonus under this subdivision if that teacher has an EVAAS student growth index score for fourth, fifth, sixth, seventh, or eighth grade mathematics from the previous school year of exceeded expected growth.

- (4) Bonuses awarded pursuant to subdivisions (2) and (3) of this subsection are payable in January to qualifying teachers based on EVAAS student growth index score data from the previous school year.
- (5) A qualifying teacher may receive a bonus under both subdivisions (2) and (3) of this subsection.
- (6) The bonus or bonuses awarded to a qualifying teacher pursuant to this section shall be in addition to any regular wage or other bonus the teacher receives or is scheduled to receive.
- (7) No teacher shall receive more than two bonuses pursuant to this section.

SECTION 8.8E.(b) Notwithstanding G.S. 135-1(7a), the bonuses awarded by this section are not compensation under Article 1 of Chapter 135 of the General Statutes, the Teachers' and State Employees' Retirement System.

SECTION 8.8E.(c) The State Board of Education shall study the effect of the bonuses awarded pursuant to this section on teacher performance and retention. The State Board shall report the results of its findings, the distribution of statewide bonuses as among local school administrative units, and the distribution of bonuses within local school administrative units as among individual schools to the President Pro Tempore of the Senate, the Speaker of the House of Representatives, the Joint Legislative Education Oversight Committee, and the Fiscal Research Division by March 15, 2018.
