Report on Reorganization of the Community College System Office as Required by Section 9.1 of S.L. 2017-57

Section 9.1 of S.L. 2017-57 authorized the President of the North Carolina Community College System to reorganize the System Office in accordance with recommendations and plans submitted to and approved by the State Board of Community Colleges. This Section also directed the President of the North Carolina Community College System to report on any reorganization, including any movement of positions and funds between fund codes on a recurring basis, to the Joint Legislative Education Oversight Committee, the House Appropriations Committee on Education, the Senate Appropriations Committee on Education/Higher Education, and the Fiscal Research Division by April 1, 2018. To date, there has been no reorganization or movement of positions or funds between fund codes. However, a request will be submitted to the State Board of Community Colleges at their April 2018 meeting to transfer a position to support needs for legal contractual review. Upon approval by the State Board, I will notify you of this transfer.

Should you have any questions or need additional information, please feel free to contact me.

Sincerely,

Jennifer Haygood
