Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO MAKE ADJUSTMENTS TO THE FEE SCHEDULE FOR PERMITS FOR  
3 SANITARY LANDFILLS AND TRANSFER STATIONS TO REFLECT EXTENSION  
4 OF THE DURATION OF THESE PERMITS AS DIRECTED BY S.L. 2012-187, AS  
5 RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** G.S. 130A-294 is amended by adding a new subsection to read:

8 "[\(a2\) Permits for sanitary landfills and transfer stations shall be issued for: \(i\) a design](#)  
9 [and operation phase of five years, or \(ii\) a design and operation phase of ten years. A permit](#)  
10 [issued for a design and operation of phase of ten years shall be subject to a limited review](#)  
11 [within five years of the issuance date.](#)"

12 **SECTION 2.** G.S. 130A-295.8 reads as rewritten:

13 **"§ 130A-295.8. Fees applicable to permits for solid waste management facilities.**

14 (a) The Solid Waste Management Account is established as a nonreverting account  
15 within the Department. All fees collected under this section shall be credited to the Account  
16 and shall be used to support the solid waste management program established pursuant to  
17 G.S. 130A-294.

18 (b) As used in this section:

19 (1) "New permit" means any of the following:

- 20 a. An application for a permit for a solid waste management facility  
21 that has not been previously permitted by the Department. The term

- (e) The Department shall determine whether an application for a permit for a solid waste management facility that is subject to a fee under this section is complete within 90 days after the Department receives the application for the permit. A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Department to make a decision on the application. If the Department determines that an application is not complete, the Department shall notify the applicant of the components needed to complete the application. An applicant may submit additional information to the Department to cure the deficiencies in the application. The Department shall make a final determination as to whether the application is complete within the later of: (i) 90 days after the Department receives the application for the permit less the number of days that the applicant uses to provide the additional information; or (ii) 30 days after the Department receives the additional information from the applicant. The Department shall issue a draft permit decision on an application for a permit within one year after the Department determines that the application is complete. The Department shall hold a public hearing and accept written comment on the draft permit decision for a period of not less than 30 or more than 60 days after the Department issues a draft permit decision. The Department shall issue a final permit decision on an application for a permit within 90 days after the comment period on the draft permit decision closes. The

1 Department and the applicant may mutually agree to extend any time period under this  
2 subsection. If the Department fails to act within any time period set out in this subsection, the  
3 applicant may treat the failure to act as a denial of the permit and may challenge the denial as  
4 provided in Chapter 150B of the General Statutes."

5 **SECTION 3.** This act is effective when it becomes law, and applies to permit  
6 applications submitted on or after July 1, 2013.
