The General Assembly of North Carolina enacts:

SECTION 1. Section 15.1 of S.L. 2012-187 reads as rewritten:

"SECTION 15.1. No later than July 1, 2013, the Commission for Public Health shall adopt rules to allow applicants for sanitary landfills the option to (i) apply for a permit to construct and operate a five-year phase of landfill development and apply to amend the permit to construct and operate subsequent five-year phases of landfill development; or (ii) apply for a permit to construct and operate a 10-year phase of landfill development and apply to amend the permit to construct and operate subsequent 10-year phases of landfill development, with a limited review of the permit five years after issuance of the initial permit and five years after issuance of each amendment for subsequent phases of development. No later than July 1, 2013, the Commission shall also adopt rules to allow applicants for permits for transfer stations the option to (i) apply for a permit with a five-year duration to construct and operate a transfer station; or (ii) apply for a permit with a 10-year duration to construct and operate a transfer station, with a limited review of the permit five years after issuance of the initial permit and five years after issuance of any amendment to the permit. In developing these rules, the Department of Environment and Natural Resources shall examine the current fee schedule for permits for sanitary landfills and transfer stations as set forth under G.S. 130A-295.8 and formulate recommendations for adjustments to the current fee schedule sufficient to address any additional demands associated with review of permits issued for 10-year phases of landfill development and the issuance permits with a duration of up to 10 years for transfer stations.

The Department shall report its findings and recommendations, including any legislative proposals, to the Environmental Review Commission on or before December 1, 2012. The rules required by this section shall not become effective until the fee schedule set forth under G.S. 130A-295.8 is amended as necessary to address any additional demands associated with review of permits issued for 10-year phases of landfill development and the issuance of permits with a duration of up to 10 years to construct and operate transfer stations."

SECTION 2. G.S. 113A-64 reads as rewritten:

"§ 113A-64. Penalties.

(a) Civil Penalties. –

- (1) Any person who violates any of the provisions of this Article or any ordinance, rule, or order adopted or issued pursuant to this Article by the Commission or by a local government, or who initiates or continues a land-disturbing activity for which an erosion and sedimentation control plan is required except in accordance with the terms, conditions, and provisions of an approved plan, is subject to a civil penalty. The maximum civil penalty for a violation is five thousand dollars (\$5,000). A civil penalty may be assessed from the date of the violation. Each day of a continuing violation shall constitute a separate violation.
- (2) The Secretary or a local government that administers an erosion and sedimentation control program approved under G.S. 113A-60 shall determine the amount of the civil penalty and shall notify the person who is assessed the civil penalty of the amount of the penalty and the reason for assessing the penalty. The notice of assessment shall be served by any means authorized under [G.S. 1A-1, Rule 4, and G.S. 1A-1. A notice of assessment by the Secretary](#) shall direct the violator to either pay the assessment or contest the assessment within 30 days by filing a petition for a contested case under Article 3 of Chapter 150B of the General Statutes. If a violator does not pay a civil penalty assessed by the Secretary within 30 days after it is due, the Department shall request the Attorney General to institute a civil action to recover the amount of the assessment. [A notice of assessment by a local government shall direct the violator to either pay the assessment or contest the assessment within 30 days by filing a petition for hearing with the local government as directed by procedures within the local ordinances or regulations adopted to establish and enforce the erosion and sedimentation control program.](#) If a violator does not pay a civil penalty assessed by a local government within 30 days after it is due, the local government may institute a civil action to recover the amount of the assessment. The civil action may be brought in the superior court of any county where the violation occurred or the violator's residence or principal place of business is located. A civil action must be filed within three years of the date the assessment was due. An assessment that is not contested is due when the violator is served with a notice of assessment. An assessment that is contested is due at the conclusion of the administrative and judicial review of the assessment.
- (3) In determining the amount of the penalty, the Secretary [or a local government](#) shall consider the degree and extent of harm caused by the violation, the cost of rectifying the damage, the amount of money the violator saved by noncompliance, whether the violation was committed willfully and the prior record of the violator in complying or failing to comply with this [Article, Article, or any ordinance, rule, or order adopted or issued pursuant to this Article by the Commission or by a local government.](#)
- (4) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 776, s. 11.

(5) The clear proceeds of civil penalties collected by the Department or other State agency or a local government under this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. ~~Civil penalties collected by a local government under this subsection shall be credited to the general fund of the local government as nontax revenue.~~

(b) Criminal Penalties. – Any person who knowingly or willfully violates any provision of this Article or any ordinance, rule, regulation, or order duly adopted or issued by the Commission or a local government, or who knowingly or willfully initiates or continues a land-disturbing activity for which an erosion and sedimentation control plan is required, except in accordance with the terms, conditions, and provisions of an approved plan, shall be guilty of a Class 2 misdemeanor that may include a fine not to exceed five thousand dollars (\$5,000)."

SECTION 3. This act is effective when it becomes law.
