Effective 31 August 2007

AN ACT TO DIRECT THE ENVIRONMENTAL REVIEW COMMISSION TO STUDY ISSUES RELATED TO THE TRANSFER OF WATER FROM ONE RIVER BASIN TO ANOTHER RIVER BASIN AND THE ALLOCATION OF SURFACE WATER RESOURCES

The General Assembly of North Carolina enacts:

SECTION 1.(a) The Environmental Review Commission, with the assistance of the Department of Environment and Natural Resources, shall study the allocation of surface water resources and their availability and maintenance in the State, including issues related to the transfer of water from one river basin to another, the withdrawal of water for consumptive use, and the accuracy and tolerance of equipment used to measure the flow of water transferred from one river basin to another river basin. The Commission shall evaluate the benefits of establishing formal and informal procedures for negotiating transfers of water from one river basin to another. The Commission shall also study and recommend measures to: (i) ensure that the purposes of the Regional Water Supply Planning Act of 1971, as set out in G.S. 162A-21, are fulfilled; (ii) provide for a comprehensive system for regulating surface water withdrawals for consumptive and nonconsumptive uses; (iii) provide for the establishment of a statewide plan for water resources development projects; (iv) provide for adequate resources for the Department so that it may develop and implement a comprehensive approach to water resources management; (v) ensure that all State laws regulating water resources are consistent with and fully integrated into the comprehensive system for regulating surface water withdrawals and the statewide plan for water resources development projects; and (vi) ensure that potential interstate conflicts related to water resources are avoided or minimized. In the conduct of this study, the Environmental Review Commission may employ independent consultants as provided in G.S. 120-32.02 and G.S. 120-70.44. The Environmental Review Commission may submit an interim report to the 2008 Regular Session of the General Assembly and shall submit a final report of its findings and recommendations, including any legislative proposals, to the 2009 General Assembly.
