Subject: CSRWG - Coastal Stormwater Rules Working Group - Meeting and Information

The Coastal Stormwater Rules Working Group (CSRWG) will meet at **10:30am on Friday 16 May 2008 in Room 544 of the Legislative Office Building in Raleigh.**

In an effort to keep the negotiations on the rules moving forward, the Commission Counsel announced that legislative staff will accept comment from interested parties by email. To facilitate electronic discussion process, please observe the following conventions when submitting material:

1. Use "CSRWG" as the first five characters in the Re: or subject line of your email (as in this message).
2. Reference language in the rule by page and line number of the version distributed at the first two meetings.
3. Indicate if legislative staff should not forward your comments to other parties. The presumption is that any material submitted to staff may be forwarded at our discretion. Upon request, legislative staff will forward information submitted to the entire CSRWG distribution list as appropriate.

Please also note that CSRWG meetings held in Room 544 or Room 643 of the Legislative Office Building are broadcast live via the North Carolina General Assembly website. Any interested party may listen to the live discussions via the Internet at: <http://www.ncleg.net/Audio/Audio.html> If this link will not open, simply copy and paste it into your Internet browser.

If you have any questions, please feel free to contact Jeff Hudson, Jennifer Mundt, or me.
