The Division shall collaborate with county departments of social services to develop a model of oversight that supports program outcomes and a county's ability to meet performance standards as outlined in the Program Improvement Plan. Oversight may include support for continuous quality improvement, staff training, and data analysis.

Of the funds appropriated to the Division in each year of the 2017-2019 fiscal biennium for the child welfare program improvement plan, the sum of sixty thousand dollars (\$60,000) recurring in each year of the 2017-2019 fiscal biennium shall be used by the Division, in collaboration with the North Carolina State Commission on Indian Affairs within the Department of Administration, for North Carolina State-recognized tribes to assist in (i) recruiting foster parents, (ii) increasing the number of foster homes for children who are members of a North Carolina State-recognized tribe, and (iii) providing training for staff of county departments of social services to ensure culturally appropriate services for children who are members of a North Carolina State-recognized tribe.

The Division shall report on the implementation and outcomes of the Program Improvement Plan to the Joint Legislative Oversight Committee on Health and Human Services. The report shall be submitted semiannually on February 1 and August 1 of each year, with a final report on February 1, 2019.

It is the intent of the General Assembly that the child welfare component of the NC FAST system be operational by December 31, 2017. To that end, the Department of Health and Human Services, Division of Social Services, shall report on the development, implementation, and outcomes of the child welfare component of the NC FAST system to the Joint Legislative Oversight Committee on Health and Human Services quarterly through April 1, 2019.
