\* TANF MOE provisions include specified state spending levels and general requirements on the use of funds. For example, these provisions require that each state spend at least 80 percent (75 percent if the state meets certain performance standards) of the amount it spent on welfare and related programs in fiscal year 1994, before TANF was created. The baseline TANF MOE for North Carolina is \$164,014,910. North Carolina has had difficulty meeting the two-parent participation rate performance standard and therefore has been required to meet the 80 percent requirement. (45 CFR 263.1) In addition, state law requires the Department to maintain the state's MOE at 100% of the 1996-97 certified budget. (N.C.G.S. 108A-27.12)

\*\*NC Pre-K expenditures reflect the amount that is counted towards meeting the baseline TANF MOE for North Carolina for SFY 2017-18. Total TANF MOE allowable NC Pre-K expenditures may exceed the amount that is counted towards meeting the baseline TANF MOE.
