Report on Domestic Violence Related Homicides for Calendar Year 2013

Reporting Requirements and Implementation

Reporting Requirements

North Carolina General Statute § 114-2.7 directs all state and local law enforcement agencies to report specific information on domestic violence related homicides committed on or after July 1, 2007, to the North Carolina Attorney General's Office.

Implementation

After the enactment of North Carolina General Statute § 114-2.7, the North Carolina Department of Justice and the State Bureau of Investigation developed the Domestic Violence Related Homicide Report form in consultation with the North Carolina Sheriffs' Association, the North Carolina Association of Chiefs of Police, the North Carolina Council for Women/Domestic Violence Commission, the Coalition Against Domestic Violence, and the North Carolina Victim Assistance Network. Each law enforcement agency in North Carolina must complete a report for each domestic violence related homicide committed in its jurisdiction. The report is to be completed upon the filing of charges, or when charges would have been filed against the offender if other circumstances (like the death of the offender) had not intervened. Reporting of domestic violence related homicides is an ongoing requirement for all state and local law enforcement agencies.

Report on Domestic Violence Related Homicides for Calendar Year 2013
