

2016 Report on Remanded Cases

[Section 2 of S. L. 2015-247]

Research and Planning Division February 1, 2016

Introduction

Section 2 of S. L. 2015-247 provides as follows:

SECTION 2. The Administrative Office of the Courts, in consultation with the Conference of Clerks of Superior Court, shall make any necessary modifications to its information systems to maintain records of all cases in which the defendant in a criminal case withdraws an appeal for trial de novo in superior court and the superior court judge has signed an order remanding the case to the district court and shall report on those remanded cases to the chairs of the Senate Appropriations Committee on Justice and Public Safety, the chairs of the House Appropriations Committee on Justice and Public Safety, and the chairs of the Joint Legislative Oversight Committee on Justice and Public Safety by February 1 of each year. The report shall (i) include the total number of remanded cases and also the total number of those cases for which the court has remitted costs and (ii) aggregate those totals by the district in which they were granted and by the name of each judge ordering remand. The Administrative Office of the Courts may obtain any information that may be needed from individual clerks of superior court in order to make the modifications necessary to maintain the records required under this section.

The North Carolina Administrative Office of the Courts (NCAOC) respectfully submits this report pursuant to the legislative mandate.

Overview of Data

NCAOC's Technology Services Division (TSD) continues to work on the Criminal Case Information System (CCIS-CC), a criminal case management system for clerks of superior court. This rich web-based application extends, and will ultimately replace, the Automated Criminal / Infractions System (ACIS) based on 1980's technology. In building CCIS-CC, system developers are using an incremental approach that results in positive improvements to the existing process and at the same time moves the older (working) system to a modern web-based technology.

One of the incremental improvements attributed to CCIS-CC is the ability to collect and extract data related to remanded cases and remitted costs. The information extracted from CCIS-CC forms the basis of this report and details the total number of remanded cases for calendar year 2015 and the number of cases in which costs were remitted.

A total of 3,556 cases were remanded during 2015, with costs remitted in 749 cases. The attached Table 1 details the number of remanded cases by district and the total number of cases in which costs were remitted. The attached Table 2 aggregates the total number of remanded cases for each superior court judge and the total number of cases in which costs were remitted.

Summary

As a result of increased functionality in CCIS-CC, NCAOC is able to collect and extract data related to remanded cases and remitted costs. Of the 3,556 cases remanded during the calendar year, the court remitted costs in 749 cases. NCAOC will continue to report this data pursuant to the legislative mandate.
