### MEMORANDUM

**To:** Joint Legislative Oversight Committee on Justice and Public Safety

**From:** Erik A. Hooks, Secretary *EAH*  
Reuben Young, Interim Chief Deputy Secretary *RY*

**Re:** Western Youth Institution Asset Report

**Date:** March 1, 2018

*Pursuant to Session Law 2017-57,16C.6 the Department of Public Safety (DPS) shall make every effort to ensure that equipment and other State resources in buildings that are scheduled for demolition or otherwise not being used are recovered for use elsewhere. DPS shall report by March 1, 2018, on assets salvaged, the estimated value of the asset, where it was used, and the savings associated with relocating the asset to another facility.*

Per legislative directive, Western Youth Institution was closed December 31, 2013. Fixed assets and non-fixed assets were inventoried as required and assessed for relocation to another facility, recognizing some assets are no longer functional. Fixed assets were defined in 2013 by NC Department of Public Safety Policies and Procedures 1C Fiscal Administration .2703 Fixed Assets Defined as "...an accounting term used to describe property, plant and equipment that is tangible in nature, assigned to a particular location and used in the normal operation of the Facility/Section. Fixed assets can include land, buildings, equipment, furniture, machinery and other like items."

**MAILING ADDRESS:**

**Scrap metal** refers to metal or mostly metal items that can be sold and recycled by a scrap metal local vendor.

**State Surplus** refers to items taken to State Surplus directly.

**State Surplus Bid** refers to items which remain at building and State Surplus conducts the bid process at the building site.

**Surplus In House** refers to items that cannot be removed from building (part of building or built-in) and request is made for items to be surplusd with building

Appendix 4 provides information on items that are deemed non-asset equipment and are to be disposed as scrap, listed on an internal Department of Public Safety electronic portal where items are posted for other interdepartmental divisions to review for possible use prior to surplus or disposal at the landfill. The item description and disposition are provided.
