**Subject:** Agency Report Pursuant to S.L. 2018-69

Good morning,

Pursuant to Session Law 2018-69, Section 1: all state agencies, boards, and commissions that have the power to define conduct as a crime in the North Carolina Administrative Code shall create a list of all crimes defined by the agency, board, or commission that are in effect or pending implementation.

The North Carolina Department of Labor's administrative code does not include any definitions for crimes, either in effect or pending.

Thank you and please let me know if you have any questions.

Respectfully,  
Jennifer Haigwood
