Ms. Sitze:

It does not appear that House Bill 379 requires an agency to report when its rules as published in the North Carolina Administrative Code do not define or create any crimes. However, out of an abundance of caution, I thought it best to inform you and the appropriate oversight committees that the rules of the North Carolina State Board of Dental Examiners **do not** define any crime in effect or pending.

Best regards,

Bobby D. White  
CEO
