Susan,

Thank you for taking my call earlier today. This email is to follow up on our conversation re: Session Law 2018-69, HB 379.

The NC State Board of Environmental Health Specialist Examiners has “the power to refuse to grant, or may suspend or revoke, any certificate issued” for offenses specifically outlined in NC General Statute 90A-64. The Board does not have Administrative Rules that have criminal consequence.

Feel free to contact me should you have additional questions or need clarification.

Best,

~Donna
