

Wake County Ordinances that Create Criminal Offenses Pursuant to NCGS §14-4(a)
(Compiled Pursuant to S.L. 2018-69)

Ordinance Punishable by G.S. 14-4(a)	Description of Conduct Subject to Criminal Punishment Under the Ordinance	Other Notes
<p><i>Wake County Unified Development Ordinance</i> (“UDO”)</p>	<p>The use of land or buildings, or the erection of buildings or structures, inconsistent with the UDO’s requirements for development standards including: (i) zoning (including type of use, lot size, density of development, setbacks, buffers, parking, and impervious surface, as set forth in UDO Articles 3, 4, 5, 6, 7, 17, and 19); (ii) subdivision of land (Articles 8 and 19); (iii) stormwater management (Article 9); (iv) erosion and sedimentation control (Article 10); and (v) flood hazard management (Article 14)</p> <p>The subdivision, transfer, or sale of land by reference to a subdivision plat unless the subdivision has been approved and recorded in the manner required by UDO Article 19</p> <p>The recordation of a subdivision plat unless the plat has been approved in the manner required by UDO Article 19</p> <p>The installation or use of a sign inconsistent with the requirements of UDO Article 18 regarding size, illumination, and location</p> <p>The use of a building or land, the use or installation of a sign, the subdivision or development of land, or any other activity requiring one or more permits under the UDO in any way that is inconsistent with any such permit or approval or any conditions imposed thereon</p> <p>Violation of the terms of any permit or approval granted under the UDO or any</p>	<p>The <i>Wake County Unified Development Ordinance</i> is available online at www.wakegov.com, click “Departments and Divisions,” click “Planning, Land Use, and Zoning,” click “Wake County UDO”</p> <p>The UDO consolidates all regulations that govern the development and subdivision of land in Wake County into one document.</p>

	<p>condition imposed upon such permit or approval</p> <p>The obscuring, obstruction, or destruction of any notice required to be posted or otherwise given under the UDO</p> <p>The violation of any lawful order issued under the UDO</p> <p>The continuation of any violation of a UDO provision</p>	
<p><i>Regulations Governing Wastewater Treatment and Dispersal Systems in Wake County (the “Wake County Septic Regs”)</i></p>	<p>Constructing, installing, or utilizing an onsite wastewater treatment and dispersal system without first obtaining from the Wake County Environmental Services Department (or for certain types of systems, from the State of North Carolina) all permits and approvals required under the <i>Wake County Septic Regs</i></p> <p>Owning or controlling property upon which an onsite wastewater treatment and dispersal system is installed and failing to prevent or correct a malfunction of the system. A malfunction is defined as: (i) a discharge of sewage or effluent to the surface of the ground, to the surface waters, or directly into the groundwater; (ii) a back-up of sewage or effluent into the facility, building drains, collection system, or freeboard volume of the tanks; or (iii) a free liquid surface within 3 inches over the nitrification trench for 2 or more observations not less than 24 hours apart</p>	<p>The <i>Regulations Governing Wastewater Treatment and Dispersal Systems in Wake County</i> are available online at www.wakegov.com, click “Departments and Divisions,” click “Environmental Services,” click “Water Quality,” click “Septic & Wastewater”</p> <p>The <i>Wake County Septic Regs</i> incorporate by reference the <i>Laws and Rules for Sewage Treatment and Disposal Systems</i> codified at 15A NCAC 18A .1900 <i>et seq.</i>, except where modified by the more stringent <i>Wake County Septic Regs</i></p>
<p><i>Regulations Governing Well Construction and Groundwater Protection in Wake County (the “Wake</i></p>	<p>Renting or leasing, or offering to rent or lease, any residence or place of business which does not have a potable water supply</p> <p>Engaging in the following activities without first registering annually with the Wake County Environmental Services Department (“WCES”): (i) well contractor activities involving wells for irrigation, private or semi-public domestic use in Wake County;</p>	<p>The <i>Regulations Governing Well Construction and Groundwater Protection in Wake County</i> are available online at www.wakegov.com, click “Departments and Divisions,” click “Environmental Services,” click “Water Quality,” click “Groundwater Protection &</p>

<p>County Well Regs”)</p>	<p>(ii) installing, replacing, or repairing pumps or other equipment in wells in Wake County; and (iii) collecting confirmation water samples from wells in Wake County</p> <p>Commencing with the construction, repair, alteration, or abandonment of a well without first obtaining all required permits and approvals from WCES</p> <p>Occupying any residence, place of business, or place of public assembly, or placing into use any newly constructed well, without WCES first determining by inspection and required testing that the well is in compliance with the <i>Wake County Well Regs</i>, all conditions required by the well permit have been met, and all required water quality standards have been met</p>	<p>Wells,” click “Well Regulations & Ordinances,” click “Wake County Regulations”</p>
<p><i>Regulations Governing the Investigation and Mitigation of Well Interference</i></p>	<p>The failure of the owner of a well that has (or of multiple, interconnected wells that have) a known demand or a design demand of 10,000 gallons per day or greater for one day or more per year to register the well with the Wake County Environmental Services Department (“WCES”)</p> <p>The failure of the owner, lessee, operator, or other person in control of property upon which a well is installed that WCES has determined is, by its pumping, lowering the water level of another well such that the other well’s ability to provide an assured supply of water for drinking or waste removal is compromised to abate the resulting public health nuisance</p> <p>The failure of the owner, agent, or operator of a well that WCES has determined to merit investigation for possible well interference to cooperate with WCES’ investigation by submitting to WCES all required information, data, records, and results for the well that is being investigated</p>	<p>The <i>Regulations Governing the Investigation and Mitigation of Well Interference</i> are available online at www.wakegov.com, click “Departments and Divisions,” click “Environmental Services,” click “Water Quality,” click “Groundwater Protection & Wells,” click “Well Regulations & Ordinances,” click “Wake County Well Interference Ordinance”</p>

	The failure of the owner, agent, or operator of a well that WCES has determined is compromising another well's ability to provide an assured supply of water for drinking or waste removal to implement required mitigation measures	
<i>Wake County Department of Environmental Services Regulations Governing Swimming Pools (the "Wake County Pool Regs")</i>	<p>Constructing, installing, extending, modifying, or operating a public swimming pool without first obtaining all required inspections, permits and approvals from the Wake County Environmental Services Department ("WCES")</p> <p>Operating a public swimming pool when the pool water's bacteriological quality or water chemistry standard does not meet the safety requirements of the Wake County Pool Regs</p> <p>Owning real property containing a residential swimming pool that is not completely enclosed by a fence, wall, building, or other enclosure that meet the safety requirements of the Wake County Pool Regs</p> <p>Operating a public swimming pool with sanitary facilities, equipment areas, or chemical storage areas that are not constructed and maintained in the manner required by the Wake County Pool Regs</p> <p>Failing to maintain the pool deck, pool, and pool area of a public swimming pool in a manner that does not meet the safety requirements of the Wake County Pool Regs</p>	<p>The <i>Wake County Department of Environmental Services Regulations Governing Swimming Pools</i> are available online at www.wakegov.com, click "Departments and Divisions," click "Environmental Services," click "Environmental Health," click "Public Swimming Pools," click "Wake County swimming pool regulations"</p> <p>The <i>Wake County Pool Regs</i> supplement the <i>North Carolina Rules Governing Public Swimming Pools</i> codified at 15A NCAC 18A .2500 <i>et seq.</i></p>
<i>Wake County Regulations Governing Public Recreational Waters and Beaches</i>	Owning or operating a public recreational water or beach area and failing to follow the notification and closure procedures established by the Wake County Environmental Services Department ("WCES") when WCES water quality sampling reveals that bacteriological water	A description of the <i>Wake County Regulations Governing Public Recreational Waters and Beaches</i> is available online at www.wakegov.com , click "Departments and Divisions,"

	quality is below a minimum standard for E. coli and Enterococci	click “Environmental Services,” click “Water Quality,” click “Recreational Waters”
<i>Wake County Regulations Governing Integrated Mosquito Management</i>	Owning or occupying premises which an investigation by the Wake County Environmental Services Department (“WCES”) determines contains: (i) conditions conducive to mosquito breeding, and (ii) evidence of mosquito breeding, and failing to eliminate or treat the breeding source by filling, draining, removing, or eliminating the breeding source, emptying the breeding source of all water at least every 7 days, treating the breeding source with an effective insecticide or larvicide, or emptying artificial containers of all liquid and storing them in an enclosed structure	
<i>Wake County Solid Waste Ordinance</i> (Wake County Code of Ordinances, Chapter 50)	<p>The owner, occupant, tenant, or lessee of any property depositing, storing, or accumulating on his or her property, outside and uncovered, any “solid waste” (defined as material that is either discarded or has served its original intended use and is generally discarded, including but not limited to household garbage, construction debris, appliances, furniture, tires, tree branches, and stumps)</p> <p>The owner, occupant, tenant, or lessee of any property failing to remove all solid waste from his or her property at least once every 7 days</p> <p>The owner, occupant, tenant, or lessee of any property failing to store solid waste on his or her property in a manner that will resist harborage to rodents and vermin, will not create a fire hazard, and will not create a safety hazard for children</p> <p>Discarding, disposing, leaving, or dumping any solid waste on or along any street or highway, or on public or private property</p>	The <i>Wake County Solid Waste Ordinance</i> is available online at www.wakegov.com , click “Government,” click “County Ordinances,” click “View Code,” click “Chapter 50: Solid Waste”

	<p>unless placed in a receptacle or at a location designated for the deposit of solid waste</p> <p>Disposing of construction wastes anywhere other than at a disposal site approved and permitted by the Wake County Environmental Services Department (“WCES”)</p> <p>Open burning of solid waste</p> <p>Dumping or depositing yard waste, refrigerators, ranges, water heaters, freezers, used oil, crap tires, or lead acid batteries into any County-owned sanitary landfill</p> <p>Collecting or transporting solid waste for hire without first: (i) obtaining the required license from the Wake County Solid Waste Management Division (the “Division”), (ii) having their means of conveyance inspected and approved by the Division, and (iii) following the Wake County Solid Waste Ordinance’s requirements regarding the frequency and manner of collecting and disposing of solid waste</p> <p>Disposing of solid waste in a Wake County-owned landfill by a non-resident of Wake County</p> <p>Loitering or rummaging about a landfill or removing articles therefrom</p> <p>Discharging firearms, fireworks, or explosives on landfill property</p> <p>Operating a land-clearing and/or inert debris landfill: (i) without first obtaining a permit from the Division, and (ii) in a manner inconsistent with the Division’s requirements regarding sedimentation and erosion control, dust control, surface water protection, and prohibition on open burning</p>	
--	--	--

	<p>Sweeping, throwing, or depositing, or permitting, allowing, maintaining, or contributing to the sweeping, throwing, or depositing of any litter into, upon or along a drain, gutter, street, road, highway, sidewalk, alley, vacant or occupied lot, walk, parking lot, embankment, or upon any public or private premises within the County</p>	
<p><i>Wake County Animal Control Ordinance</i> (Wake County Code of Ordinances, Chapter 91)</p>	<p>The abuse, injury, deprivation of necessary sustenance and shelter, abandonment, or killing of any animal</p> <p>The breeding or reproduction of a diseased animal</p> <p>The owner of an animal allowing the animal to be at large off the owner's real property when not under the restraint of a competent person (except for hunting dogs in the course of hunting)</p> <p>The owner or person having possession, custody, or control of a dog allowing the dog to enter any public park without being on a leash (unless the park is a dog park)</p> <p>The owner or person having possession, custody or control of a female dog or female cat allowing the dog or cat to be at large during its estrus period</p> <p>The owning, keeping, possessing, or maintaining of an animal in a manner that creates a nuisance by: (i) habitually disturbing or interfering with humans; (ii) tipping over garbage pails or damaging flowers, gardens or vegetables; (iii) failing to confine in a building or secure enclosure a female dog while in estrus; (iv) barking, whining, howling, or yowling in a continuous or untimely fashion, or making other noise that results in a serious annoyance or interference with the reasonable use and enjoyment of</p>	<p>The <i>Wake County Animal Control Ordinance</i> is available online at www.wakegov.com, click "Government," click "County Ordinances," click "View Code," click "Chapter 91: Animals"</p>

	<p>neighboring premises; (v) chasing, snapping at, or otherwise molesting pedestrians, bicyclists, motor vehicle passengers, or farm stock or domestic animals; (vi) habitually loitering on public places, or (vii) is diseased and dangerous to the health of the public unless under the care of a licensed veterinarian</p> <p>Any person other than an Animal Control Officer or the officer's designee: (i) removing any animal from a trap placed on private or public property to trap and remove stray, at large, abandoned, or nuisance animals, or (ii) removing or tampering with the trap</p> <p>The keeping of any inherently dangerous mammal (defined as bears, members of the Canidae family other than domestic dogs, and members of the Felidae family other than domestic cats) within the County, except by research institutions or traveling fairs or circuses</p> <p>The owner of a dog that has been designated a "Dangerous Dog" or "Potentially Dangerous Dog" by Wake County Animal Control failing to: (i) restrain the dog on the owner's real property either inside the house, within a secure enclosure, or within a solid, physical fence at least 6 feet tall and in the presence of an adult, (ii) have the dog on a leash controlled by a competent adult and muzzled when the dog is off the owner's real property, or (iii) inform Wake County Animal Control no later than 24 hours after such dog assaults, attacks, or bites a human, attacks or bites any domesticated animal or pet while at large, or escapes</p> <p>Training dogs in mode of attack at any location where the training is not conducted within a fence or structure of adequate height to prevent the dog from jumping, climbing, or otherwise escaping</p>	
--	---	--

	<p>Teasing or molesting any animal</p> <p>Interfering with any Wake County Animal Control officers or veterinarians in the performance of their duty, or releasing any animal in the custody of Animal Control</p> <p>Failing to comply with state law relating to the control of rabies, including failure to provide current inoculation against rabies for any dog or cat 4 months of age or older, or for any other pet should it be deemed necessary by County public health staff, and including any requirements for destruction or quarantine of an animal</p> <p>The owner of a dog failing to provide the dog with a collar upon which to attach the numbered metallic tag indicting when the dog has been inoculated against rabies</p> <p>The owner of a dog or cat failing to provide written proof that he animal has a current rabies inoculation when Wake County Animal Control demands written proof</p> <p>Failing to report as soon as possible that an animal has bitten a person, and failing to inform Wake County Animal Control of the whereabouts of an animal that has bitten a person</p> <p>Killing or releasing: (i) any animal under observation for rabies, (ii) any animal suspected of having been exposed to rabies, or (iii) any animal that has bitten a human</p>	
<p><i>Wake County Deadly Weapons and Concealed Handguns Ordinance</i> (Wake County Code of</p>	<p>Displaying any deadly weapon (defined as a bowie knife, dirk, dagger, slung shot, loaded cane, metallic knuckles, razor, shuriken, stun gun, pistol, or gun) while on County-owned or County-controlled property</p>	<p>The <i>Wake County Deadly Weapons and Concealed Handguns Ordinance</i> is available online at www.wakegov.com, click “Government,” click “County Ordinances,” click “View Code,” click “Chapter 32:</p>

Ordinances, Chapters 32.01- 32.03)	Carrying a concealed handgun while in or about any County-owned building, their appurtenant premises and parks	County Policies,” scroll down to Chapters 32.01 – 32.03
