PREFACE

The Revenue Laws Study Committee is established in Article 12L of Chapter 120 of the General Statutes to serve as a permanent legislative commission to review issues relating to taxation and finance. Before it was created as a permanent legislative commission in 1997, the Revenue Laws Study Committee was a subcommittee of the Legislative Research Commission. It has studied the revenue laws every year since 1977. The Committee consists of twenty members, ten appointed by the President Pro Tempore of the Senate and ten appointed by the Speaker of the House of Representatives.¹ Committee members may be legislators or citizens. The co-chairs for 2011-2012 are Senator Bob Rucho and Representative Julia Howard.

In its study of the revenue laws, G.S. 120-70.106 gives the Committee a very broad scope, stating that the Committee "may review the State's revenue laws to determine which laws need clarification, technical amendment, repeal, or other change to make the laws concise, intelligible, easy to administer, and equitable." A copy of Article 12L of Chapter 120 of the General Statutes is included in Appendix A.² A committee notebook containing the Committee minutes and all information presented to the Committee is filed in the Legislative Library and may also be accessed online at the Committee's website: <http://www.ncleg.net/committees/revenuelaws>.

¹ The Speaker of the House of Representatives appointed a ninth legislative member, a non-voting advisory member in 2007, and again in 2009. The General Assembly changed the membership from 16 members to 20 members in S.L. 2009-574, Section 51.1.

² The General Assembly established a permanent subcommittee under the Revenue Laws Study Committee to study and examine the property tax system in S.L. 2002-184, s. 8. However, subcommittee members were not appointed and the subcommittee did not function from 2004 through 2010. In S.L. 2011-266, s.1.15, the General Assembly repealed the subcommittee. The full Committee continues to review the property tax system and recommend changes to it.

COMMITTEE PROCEEDINGS

The 2012 General Assembly enacted the Revenue Laws Study Committee's five legislative proposals in whole or in part. Appendix B lists the Committee's recommendations to the 2012 General Assembly and the action it took on them. A document entitled "**2012 Finance Law Changes**" summarizes all of the tax legislation enacted in 2012. It is available in the Legislative Library located in the Legislative Office Building. It may also be viewed on the Legislative Library's website¹ and the Revenue Laws Study Committee's website.²

The Revenue Laws Study Committee met four times after the adjournment of the Second Regular Session of the 2011-2012 biennium of the North Carolina General Assembly on July 3, 2012. Appendix C contains a copy of the Committee's agenda for each meeting. All of the materials distributed at the meetings may be viewed on the Committee's website. The Committee considered a limited number of issues this biennium, and it recommended two pieces of legislation. The Committee considers all proposed tax changes in light of general principles of tax policy and as part of an examination of the existing tax structure as a whole.

UNEMPLOYMENT FUND SOLVENCY & PROGRAM CHANGES

The Revenue Laws Study Committee discussed the State's unemployment insurance program (UI) during two meetings held November 8, 2012, and December 5, 2012. At the first meeting, the Committee considered policy options to address the State's approximate \$2.5 billion debt owed to the federal government for loans used to

² <http://www.ncleg.net/committees/revenuelaws>

pay past UI benefits. The State exhausted the State's UI reserve fund held by the US Treasury and began borrowing to pay UI benefits in February, 2009. The Committee heard testimony explaining recent administrative changes to enhance program integrity and strengthen re-employment efforts.

Under existing law, the debt will be repaid through increased payments by employers under the federal unemployment insurance tax. The mechanism that increases employers' payments is a reduction in tax credit allowed to offset federal UI tax. In 2011, employers paid additional federal UI tax (0.3% credit reduction). The credit against federal UI tax will decrease by 0.3% each year until the debt is repaid. On December 5th, the Committee considered Legislative Proposal #1. The Proposal increases the solvency of the State's unemployment insurance program by changing employers' contributions and claimants' benefits and by limiting the focus of the program on benefits for loss of work.

Legislative Proposal #1 increases the minimum employer contributions from 0% of taxable payroll to 0.06%. The maximum employer contribution is increased from 5.7% to 5.76% of taxable payroll. In addition to the increased State UI taxes, employers are paying increased federal UI taxes through the credit reduction mechanism that applies the additional federal UI tax payments to the State's UI account.

Legislative Proposal #1 changes the maximum duration of benefits from 26 weeks³ to 20 weeks.⁴ The maximum duration of benefits is reduced by 1 week for every 0.5% decline in the total unemployment rate for the State. The reduction of the

³ North Carolina is a variable duration state. Under current law, the duration of regular benefits may be as few as 13 weeks to as many as 26 weeks.

⁴ The maximum duration range would be 13 to 20 weeks, based on an unemployment rate greater than 9%; the minimum duration range would be 5 to 12 weeks, based on an unemployment rate equal to or less than 5%.

maximum duration would start when the unemployment rate falls below 9% triggering a 1 week reduction of the maximum duration to 19 weeks.

Legislative Proposal #1 changes the method for calculating a claimant's weekly benefit amount. Under current law, the weekly benefit amount is calculated based upon an individual's high quarter wages in the individual's base period of employment. The weekly benefit amount cannot exceed the maximum weekly benefit amount, which is calculated annually. The maximum weekly benefit amount is equal to 66.7% of the average weekly wage in the State. For 2013, the maximum weekly benefit amount is \$535. Legislative Proposal #1 calculates a claimant's weekly benefit amount based upon the average of the last two quarters of the individual's base period. It sets the maximum weekly benefit amount at \$350. The *American Taxpayer Relief Act of 2012*, signed into law on January 2, 2013, extended the federally funded emergency unemployment compensation benefits through the year 2013. Under that legislation, states may not participate in the federal extension of benefits if they change the manner used to calculate an individual's weekly benefit amount in a way that would result in an average weekly benefit amount less than it would have been in June 2010. The Revenue Laws Study Committee did not have an opportunity to analyze the impact of this recent federal law change on the proposal. It adopted an amendment to the Proposal at its last meeting acknowledging that the General Assembly may wish to consider changes to the Proposal after it has an opportunity to review the federal legislation.

Legislative Proposal #1 also streamlines the UI program by making the following programmatic changes: eliminating substantial fault; eliminating many of the good cause provisions; allowing each claim for benefits to stand alone; requiring claimants to be able, available, and actively seeking work; and redefining suitable work based on the

duration of unemployment. These programmatic changes continue the current administrative efforts to increase program integrity and focus on re-employment.

The benefit changes would become effective July 1, 2013. The new tax rates for employers would become effective January 1, 2014. The remaining change would become effective when the bill becomes law.

REVENUE LAWS TECHNICAL, CLARIFYING, AND ADMINISTRATIVE CHANGES

The Revenue Laws Study Committee recommends Legislative Proposal #2, Revenue Laws Technical, Administrative, and Clarifying Changes. This proposal makes several technical and clarifying changes to the revenue laws and related statutes. The majority of the changes were recommendations of the Department of Revenue.

At the October 3, 2012 meeting, the Committee heard a presentation regarding several changes to the administration of tobacco taxes. These changes are intended to provide greater conformity in the administration of the different excise taxes, and to provide more guidance to the Department and greater clarity to taxpayers. After incorporating changes requested by stakeholders, these clarifying and administrative changes are also included in Legislative Proposal #2.

LEASEHOLD INTERESTS IN EXEMPT REAL PROPERTY

During the October 3 meeting, the Revenue Laws Study Committee heard a staff presentation on the taxation and valuation of leasehold interests in exempt real property. Section 2 of S.L. 2012-189 authorized the Committee to study leasehold interests in exempt real property and report to the 2013 Regular Session of the General Assembly.

North Carolina imposes a property tax on a leasehold interest in real property where the real property is exempt from property tax. The property tax on a leasehold interest in exempt real property applies when a unit of government leases property to a private business and when the payments under the lease are below the value of the interest in the real estate. County assessors value these leasehold interests as the difference between the fair market value of the leasehold interest and the rent paid under the lease. For example, if the private tenant is paying market rate for the exempt real property owned by a local government, then the leasehold interest has no value because similar leases can be obtained at the same price. If the tenant is paying a bargain rate under the lease, the leasehold interest has value because a similar lease would cost more.

The Local Government Division of the NC Department of Revenue provided testimony to the Committee on the method of valuation of leasehold interests in exempt real property. The Department of Revenue conducted a survey of counties and reported the data to the Committee. The Department of Revenue plans to include a presentation on the proper methodology for the tax in its educational programs for county tax assessors. The Committee also heard public comment from a taxpayer paying the tax.

COMMITTEE RECOMMENDATIONS AND LEGISLATIVE PROPOSALS

The Revenue Laws Study Committee makes the following two recommendations to the 2013 General Assembly. Each proposal is followed by an explanation and, if it has a fiscal impact, a fiscal memorandum, indicating any anticipated revenue gain or loss resulting from the proposal.

1. Unemployment Fund Solvency and Program Changes
2. Revenue Laws Technical, Clarifying, and Administrative Changes

LEGISLATIVE PROPOSAL #1

UNEMPLOYMENT FUND SOLVENCY & PROGRAM CHANGES

LEGISLATIVE PROPOSAL #1

A RECOMMENDATION OF THE REVENUE LAWS STUDY COMMITTEE
TO THE 2013 REGULAR SESSION OF THE 2013 GENERAL ASSEMBLY

AN ACT TO ADDRESS THE UNEMPLOYMENT INSURANCE DEBT AND TO FOCUS NORTH CAROLINA'S UNEMPLOYMENT INSURANCE PROGRAM ON PUTTING CLAIMANTS BACK TO WORK.

SHORT TITLE: UI Fund Solvency & Program Changes.

PRIMARY SPONSORS: Rep. Julia Howard and Sen. Bob Rucho

BRIEF OVERVIEW: This proposal would make the following changes to the State unemployment insurance program designed to accelerate the retirement of the \$2.5 billion debt owed by the Unemployment Insurance Fund on advances made to it by the federal government for the payment of benefits:

- Effective July 1, 2013, it would reduce the maximum duration of regular benefits from 26 weeks to 20 weeks, reduce the maximum weekly benefit amount from \$535 to \$350, and change the calculation of a weekly benefit amount from the high quarter wage in the claimant's base period to the average of the last two quarters.
- Effective July 1, 2013, it would make the following programmatic changes: require a waiting week for each new benefit claim; repeal substantial fault; eliminate most good cause provisions for voluntary leaving work; and redefine suitable work as any work after 10 weeks of benefits.
- Effective July 1, 2013, it would require governmental entities and nonprofits that elect to finance benefits through reimbursement to maintain a reserve equal to 1% of its taxable wages.
- Effective July 1, 2013, it would transfer \$16.6 million from various funds to the UI Fund to be used to pay principal on the debt.
- Effective January 1, 2014, it would increase the minimum and maximum SUTA tax rates by .06%, and it would move from a schedule of tax rates to a formula.

FISCAL IMPACT: The changes made by the proposal are estimated to accelerate the repayment of the debt by two to three years. Under the current law, it is anticipated the debt would be retired in 2018. Under the proposal, it is anticipated the debt would be retired in 2015. The proposal would require governmental entities to maintain a reserve in their UI account equal to 1% of taxable payroll. This change would require an estimated General Fund expenditure of \$50.6 million in FY 2013-14 and \$16.9 million in FY 2014-15. It would also impact local government expenditures: \$50.8 million in FY 2013-14 and \$17 million in FY 2014-15.

EFFECTIVE DATE: The benefit changes would become effective July 1, 2013, and apply to claims established on or after that date. The tax changes would become effective January 1, 2014. The changes applicable to entities that elect to finance benefits through direct reimbursement would become effective July 1, 2013. The remaining changes would become effective when it becomes law.

38 Code.

39 **"§ 96-19.6. Unemployed.**

40 (a) Initial Unemployment. – An individual is unemployed for the purpose of
41 establishing a benefit year if one of the following conditions is met:

- 42 (1) Payroll attachment. – The individual has payroll attachment but because
43 of lack of work during the payroll week for which the individual is
44 requesting the establishment of a benefit year, the individual worked

1 less than the equivalent of three customary scheduled full-time days in
2 the establishment, plant, or industry in which the individual has payroll
3 attachment as a regular employee.

4 (2) No payroll attachment. – The individual has no payroll attachment on
5 the date the individual files a claim for unemployment benefits.

6 (b) Unemployed. – For benefit weeks within an established benefit year, a
7 claimant is unemployed as provided in this subsection:

8 (1) Totally unemployed. – The claimant's earnings for the week, including
9 payments in subsection (c) of this section, would not reduce the
10 claimant's weekly benefit amount as calculated in G.S. 96-19.60.

11 (2) Partially unemployed. – The claimant is payroll attached and both of the
12 following apply:

13 a. The claimant worked less than three customary scheduled
14 full-time days in the establishment, plant, or industry in which
15 the claimant is employed because of lack of work during the
16 payroll week for which the claimant is requesting benefits.

17 b. The claimant's earnings for the payroll week for which the
18 claimant is requesting benefits, including payments in subsection
19 (c) of this section, would qualify the claimant for a reduced
20 weekly benefit amount as calculated in G.S. 96-19.60.

21 (3) Part-totally unemployed. – The claimant has no payroll attachment
22 during all or part of the week and the claimant's earnings for odd jobs or
23 subsidiary work would qualify the claimant for a reduced weekly
24 benefit amount as calculated in G.S. 96-19.60.

25 (c) Separation Payments. – An individual is not unemployed if, with respect to the
26 entire calendar week, the individual receives or will receive as a result of the individual's
27 separation from work remuneration in one or more of the forms listed in this subsection.
28 If the remuneration is given in a lump sum, the amount must be allocated on a weekly
29 basis as if it had been earned by the individual during a week of employment. An
30 individual may be unemployed, as provided in subsection (b) of this section, if the
31 individual is receiving payment applicable to less than the entire week.

32 (1) Wages in lieu of notice.

33 (2) Accrued vacation pay.

34 (3) Terminal leave pay.

35 (4) Severance pay.

36 (5) Separation pay.

37 (6) Dismissal payments or wages by whatever name.

38 "Part 2. Coverage.

39 "**§ 96-19.20. Employers and employees.**

40 (a) Coverage. – An employing unit that is an employer under this Article and
41 employs individuals in an employment service covered under this Article must finance
42 the unemployment benefits paid through the UI Fund and its employees accrue rights to
43 unemployment benefits as provided in this Article.

1 (b) Acquisition. – An employer who, by operation of law, purchase, or otherwise
2 becomes successor to an employer liable for contributions becomes liable for
3 contributions on the day of the succession. This provision does not affect the successor's
4 liability as otherwise prescribed by law for unpaid contributions due from the
5 predecessor.

6 (c) Exemption. – This Chapter does not apply to service performed by an
7 individual as an employee or employee representative as defined in section 1 of the
8 Railroad Unemployment Insurance Act.

9 **"§ 96-19.21. Voluntary election.**

10 (a) Employer. – An employer not otherwise liable for contributions under this
11 Chapter may file with the Division its written election to become an employer subject to
12 this Chapter. Upon the written approval of the Division, the employer becomes subject to
13 this Chapter to the same extent as all other employers as of the date stated in the
14 approval. The election must be valid for a period of not less than two years.

15 (b) Employment. – An employer for services that do not constitute employment
16 under this Chapter may file with the Division its written election that all services
17 performed by individuals in its employ, in one or more distinct establishments or places
18 of business, constitute employment for all the purposes of this Chapter. Upon the written
19 approval of the Division, the services become subject to this Chapter to the same extent
20 as all other services as of the date stated in the approval. The election must be valid for a
21 period of not less than two years.

22 (c) Employees. – An employer who employs the services of an individual who
23 resides within this State but performs the services entirely without the State may file with
24 the Division its written election to have the individual's service constitute employment
25 for all purposes of this Chapter if contributions are not required and are not paid with
26 respect to the services under an employment security law of any other state or of the
27 federal government. Upon the written approval of the Division, the services become
28 subject to this Chapter to the same extent as all other services as of the date stated in the
29 approval. The election must be valid for a period of not less than two years.

30 (d) Termination of Election. – The Division may, on its own motion, terminate
31 coverage of an employer who has become subject to this Chapter solely by electing
32 coverage under this section. The Division must give the employer 30 days written notice
33 of its decision. The notice must be mailed to the employer's last known address. An
34 employer who elects coverage under this section may, subsequent to the two-year
35 minimum election period, file a written notice to the Division to have coverage under this
36 Chapter cease. The notice must be given prior to the first day of March following the first
37 day of January of the calendar year for which the employing unit wishes to cease
38 coverage under this section.

39 **"§ 96-19.22. Termination of coverage.**

40 (a) Nonpayment of Wages. – An employer who has not paid any covered wages
41 for employment in this State during a period of two consecutive calendar years ceases to
42 be an employer liable for contributions under this Chapter.

43 (b) No Employment of Individuals. – An employer who has not had individuals in
44 employment and who has made an application for exemption from filing contribution and

wage reports and has been so exempted may be terminated from liability upon written application made within 120 days after notification by the Division of the reactivation of the employer's account. The Division may terminate coverage if it finds that the employer was not liable for contributions during the preceding calendar year. Termination of coverage under this subsection may be effective January 1 of any calendar year. In the event these cases are reactivated, a protest of liability is considered an application for termination where the decision with respect to the protest is not final.

(c) Application for Termination. – An employer may file a written application for termination of coverage with the Division. An application for termination must be filed prior to the first day of March following the first day of January of the calendar year for which the employer wishes to cease coverage. The Division may terminate coverage if it finds that the employer was not liable for contributions during the preceding calendar year. Termination of coverage under this subsection is effective as of the first day of January in any calendar year.

(d) Termination by Discovery of Liability. – An employer whose liability covers a period of more than two years when first discovered by the Division may file a written application for termination within 90 days after notification by the Division of the employer's liability. The Division may terminate coverage of the employer effective January 1 and for any subsequent year if the Division finds that the employer was not liable for contributions during the preceding calendar year. In these discovered cases, a protest of liability is considered as an application for termination where the decision with respect to the protest is not final. This subsection does not apply to a case of willful attempt to defeat or evade the payment of contributions due.

"Part 3. Contributions

"§ 96-19.30. Payment of Contributions.

(a) Imposition. – A contribution is imposed on the taxable wages of each individual employed by an employer during the calendar year at the rate set in G.S. 96-19.31. Contributions must be credited to the UI Fund. Contributions made by employers must be credited to the employer's account as provided in Part 4 of this Article.

(b) Report and Payment. – Contributions are payable to the Division when a report is due. An employer of domestic service employees may be given permission by the Secretary to file reports once a year on or before the last day of the month following the close of the calendar year in which the wages are paid. All other reports are due on or before the last day of the month following the close of the calendar quarter in which the wages are paid. The Division must remit the contributions to the Fund. An employer may not deduct the contributions due in whole or in part from the remuneration of the individuals employed. If the amount of the contributions shown to be due after all credits is less than five dollars (\$5.00), no payment need be made.

(c) Method of Payment. – An employer may elect to pay contributions by electronic funds transfer. When an electronic funds transfer cannot be completed due to insufficient funds or the nonexistence of an account of the transferor, the Division may assess a penalty equal to ten percent (10%) of the amount of the transfer, subject to a

1 minimum of one dollar (\$1.00) and a maximum of one thousand dollars (\$1,000). The
2 Division may waive this penalty for good cause shown.

3 The Division may establish policies to allow taxes to be payable under certain
4 conditions by credit card. A condition of payment by credit card is receipt by the Division
5 of the full amount of taxes, penalties, and interest due. The Division shall require an
6 employer who pays by credit card to include an amount equal to any fee charged the
7 Division for the use of the card. A payment of taxes that is made by credit card and is not
8 honored by the card issuer does not relieve the employer of the obligation to pay the
9 taxes.

10 (d) Form of Report. – An employer of domestic service employee that is granted
11 permission to file an annual report may be given permission to file reports by telephone.
12 An employer who reports by telephone must contact either the Field Tax Auditor who is
13 assigned to the employer's account or the Employment Insurance Section in Raleigh and
14 report the required information to that Auditor or to the Division by the date the report is
15 due.

16 An employer with 100 or more employees, and every person or organization that
17 reports wages on a total of 100 or more employees as an agent on behalf of one or more
18 subject employers, must file that portion of the "Employer's Quarterly Tax and Wage
19 Report" that contains the name, social security number, and gross wages of each
20 individual in employment on magnetic tapes or diskettes in a format prescribed by the
21 Division. For failure of an employer to comply with this subsection, the Division must
22 add to the amount required to be shown as tax in the reports a penalty of twenty-five
23 dollars (\$25.00). For failure of an agent to comply with this subdivision, the Division
24 may deny the agent the right to report wages and file reports for the employer for whom
25 the agent filed an improper report for a period of one year following the calendar quarter
26 in which that agent filed the improper report. The Division may reduce or waive a penalty
27 for good cause shown.

28 (e) Overpayments. – If an employer has paid contributions, penalties, and interest
29 in excess of the amount due, this amount is considered an overpayment and may be
30 refunded to the employer provided no other debts are owed to the Division by the
31 employer. Overpayments of less than five dollars (\$5.00) will be refunded only upon
32 receipt by the Secretary of a written demand for such refund from the employer.

33 (f) Voluntary Contributions. – An employer may make a voluntary contribution to
34 the fund to be credited to its account. A voluntary contribution will for all intents and
35 purposes be deemed a required contribution. The Division is not bound by any condition
36 stipulated in or made a part of the voluntary contribution by the employer.

37 (g) Assessment. – If the Division has reason to believe that the collection of any
38 contribution under this Chapter will be jeopardized by delay, the Division may, whether
39 or not the time otherwise prescribed by law for making returns and paying the tax has
40 expired, immediately assess the contributions, together with all interest and penalties.
41 Such contributions, penalties, and interest become immediately due and payable.

42 **"§ 96-19.31. Rate of contribution to the UI Fund.**

43 (a) Contribution Rate Calculation. – The Division must determine the contribution
44 rate for each employer based on the employer's reserve ratio on the computation date,

1 August 1. The Division must notify each employer of the employer's contribution rate for
2 the succeeding calendar year by January 1 of the succeeding calendar year. The
3 contribution rate becomes final unless the employer files an application for review and
4 redetermination prior to May 1 following the effective date of the contribution rate. The
5 Division may redetermine the contribution rate on its own motion within the same time
6 period.

7 (b) Standard Beginning Rate. – The standard beginning rate of contributions for an
8 employer is one percent (1%) of taxable wages paid by the employer during a calendar
9 year for employment occurring during that year. No employer's contribution rate may be
10 reduced below the standard rate for any calendar year until its account has been
11 chargeable with benefits for at least 12 calendar months ending July 31 immediately
12 preceding the computation date. An employer's account has been chargeable with benefits
13 for at least 12 calendar months if the employer has reported wages paid in four completed
14 calendar quarters. No employer's contribution rate may be reduced below the standard
15 rate for any calendar year unless its liability extends over a period of all or part of two
16 consecutive calendar years and, as of August 1 of the second year, its credit reserve ratio
17 meets the requirements used in computing rates for the following calendar year.

18 (c) Other Rates. – The contribution rate for employers not covered under
19 subsection (b) of this section is a percentage of taxable wages paid by the employer
20 during a calendar year for employment occurring during that year. The percentage for
21 employers whose reserve ratio is equal to zero is the rate set forth in the table below,
22 divided by 100. The percentage for employers whose reserve ratio is not equal to zero is
23 the applicable rate in the table below minus the employer's effective reserve ratio, divided
24 by 100. The employer's effective reserve ratio is equal to the employer's reserve ratio
25 multiplied by sixty-eight hundredths. The Division must round the rate to the nearest
26 one-hundredth percent. The minimum contribution rate may not be less than six-tenths of
27 one percent (0.06%) and the maximum contribution rate may not exceed five and
28 seventy-sixths hundredths percent (5.76%).

<u>Trust Fund Balance</u>	<u>Contribution Rate</u>
<u>Less than or equal to 1% of total insured wages</u>	<u>2.9</u>
<u>Greater than 1% but less than or equal to 1.25%</u> <u>of total insured wages</u>	<u>2.4</u>
<u>Above 1.25% of total insured wages</u>	<u>1.9</u>

34 (d) Taxable Wages. – An individual's taxable wages are the wages subject to
35 contribution under this section. The Division must determine the taxable wage base
36 applicable for each taxable year. The taxable wage base is the greater of the federally
37 required taxable wage base or the product resulting from multiplying the average yearly
38 insured wage by fifty percent (50%), rounded to the nearest multiple of one hundred
39 dollars (\$100.00). The average yearly insured wage is the average weekly insured wage
40 on the computation date multiplied by 52. An employer is not liable for contributions on
41 wages paid to an individual that exceed the taxable wage base.

42 The following wages are included in determining whether the amount of wages paid
43 to an individual in a single calendar year exceeds the taxable wage base:

(1) Wages paid to an individual in this State by an employer that made contributions in another state upon the wages paid to the individual because the work was performed in the other state.

(2) Wages paid by a successor employer to an individual that meets both of the following conditions:

a. The individual was an employee of the predecessor and was taken over as an employee by the successor as a part of the organization acquired.

b. The predecessor employer has paid contributions on the wages paid to the individual while in the predecessor's employ during the year of acquisition and the account of the predecessor is transferred to the successor.

(e) Total Insured Wages. – For purposes of this section, the term "total insured wages" means all wages earned by employees insured by the State's unemployment insurance program.

"§ 96-19.32. Nonprofit organizations and governmental entities.

(a) Applicability. – This section applies to an employing unit that is a nonprofit organization, the State, or a local governmental unit. Benefits paid to employees of the State, local governmental units, and nonprofit organizations may be financed in accordance with the provisions of this section.

(b) Election. – An employer to whom this section applies must finance benefits under the contributions method of payment applicable to taxpaying employers, unless it elects to finance benefits by making reimbursable payments to the Division for the UI Fund. The amount of reimbursable payment the employer must make is equal to the amount of regular benefits and one-half of the extended benefits paid to an individual for weeks of unemployment that begin within a benefit year established during the effective period of the election and that are attributable to service in the employ of the electing employer.

To make an election under this section, an employer must file a written notice of its election with the Division at least 30 days before the January 1 effective date of the election. An election made under this section is valid for a minimum of four years. An election made under this section is binding until the employer files a notice terminating its election. A written notice of termination must be filed with the Division at least 30 days before the January 1 effective date of the termination. The Division must notify an employer of any determination of the effective date of any election it makes and of any termination of the election. These determinations are subject to reconsideration, appeal, and review.

(c) Account. – The Division must establish a separate account for each reimbursing employer. The Division must credit payments made by the employer to the account. The Division must allocate benefits paid by the UI Fund to individuals for weeks of unemployment that begin within a benefit year established during the effective period of the election that are attributable to service in the employ of the employer. No benefits may be noncharged except amounts equal to one hundred percent (100%) of benefits paid through error.

1 (d) Quarterly Contributions and Wage Reports. – An employer that elects to be a
2 reimbursing employer under this section must submit quarterly contributions and wage
3 reports and advance payments to the Division on or before the last day of the month
4 following the close of the calendar quarter in which the wages are paid. The amount of
5 the advance payment is equal to one percent (1%) of the taxable wages reported. The
6 Division must remit the payments to the UI Fund and credit the payments to the
7 employer's account. An employer may not deduct the contributions due in whole or in
8 part from the remuneration of the individuals employed.

9 An employer paying by reimbursement that, prior to July 1, paid under the
10 reimbursement method of payment for the preceding calendar year, must continue to file
11 quarterly reports but does not need to make a payment with those reports.

12 (e) Annual Reconciliation. – An employer that elects to finance benefits under the
13 reimbursement method of payment must maintain an account balance equal to one
14 percent (1%) of its taxable wages. The Division must determine the balance of each
15 employer's account as of August 1 of each year. The Division must furnish the employer
16 with a statement of all charges and credits to the account prior to January 1 of the
17 succeeding year.

18 If there is a deficit in the account, the Division must bill the employer for an amount
19 necessary to bring its account to one percent (1%) of its taxable wages. Any amount in
20 the account in excess of one percent (1%) of taxable wages must be credited to the
21 employer's account. Amounts due from the employer to bring its account to a one percent
22 (1%) balance will be billed as soon as practical and payment is due within 30 days from
23 the date of mailing of the statement of the amount due.

24 (f) Accelerated Reconciliation. – The Division may, in its sole discretion, provide
25 a reimbursing employer with informational bills or lists of charges on a basis more
26 frequent than yearly if the Division considers such action to be in the best interest of the
27 Division and the affected employer.

28 (g) Change in Election. – The Division must close the account of an employing
29 unit that has been paying contributions under this Article and that elects to change to a
30 reimbursement basis under this section and the account may not be used in any future
31 computation of the unit's contribution rate in any manner.

32 (h) Transition. – This subsection is intended to provide a transitional adjustment
33 period for an employing unit that elected to be a reimbursing employer prior to January 1,
34 2013, but was not required to secure its election with an account balance equal to one
35 percent (1%) of its taxable wages. This subsection expires January 1, 2016.

36 (1) Governmental entities. – An employing unit that is a State or local
37 governmental unit may elect to forego the payment under subsection (e)
38 of this section until the reconciliation in 2014 payable in 2015. An
39 employer who makes the election under this subdivision must reimburse
40 the Division in the amount required by subsection (b) of this section and
41 must continue to make quarterly contributions and advance payments
42 under subsection (d) of this section.

43 (2) Nonprofit organization. – An employing unit that is a nonprofit
44 organization that secured its election by posting a surety bond or a line

1 of credit does not need to meet the annual reconciliation account
2 balance requirement until the year in which its surety bond or line of
3 credit expires. After July 1, 2013, a nonprofit organization may not
4 submit a surety bond or a line of credit to secure its election under this
5 section.

6 **"§ 96-19.33. Indian tribes.**

7 (a) Applicability. – Benefits paid to employees of Indian tribe employing units
8 may be financed in accordance with the provisions of this section.

9 (b) Election. – An Indian tribe employing unit must pay contributions under the
10 provisions of this Article, unless it elects in accordance with this section to pay the
11 Division for the Trust Fund an amount equal to the amount of benefits paid that is
12 attributable to service in the employ of the unit, to individuals for weeks of
13 unemployment that begin within a benefit year established during the effective period of
14 the election. Extended benefits paid that are attributable to service in the employ of an
15 Indian tribe employing unit and not reimbursed by the federal government must be
16 financed in their entirety by the Indian tribe employing unit.

17 To make an election under this section, an Indian tribe employing unit must file a
18 written notice of its election with the Division at least 30 days before the January 1
19 effective date of the election. An election made under this section is valid for a minimum
20 of three years. An election made under this section is binding until the Indian tribe
21 employing unit files a notice terminating its election. A written notice of termination
22 must be filed with the Division at least 30 days before the January 1 effective date of the
23 termination. The Division must notify each Indian tribe employing unit of any
24 determination of the effective date of any election it makes and of any termination of the
25 election. These determinations are subject to reconsideration, appeal, and review.

26 (c) Account. – The Division must establish a separate account for each
27 reimbursing employer. The Division must credit payments made by the employer to the
28 account. The Division must allocate benefits paid by the Trust Fund to individuals for
29 weeks of unemployment that begin within a benefit year established during the effective
30 period of the election that are attributable to service in the employ of the employer. No
31 benefits may be noncharged except amounts equal to one hundred percent (100%) of
32 benefits paid through error. Extended benefits paid that are attributable to service in the
33 employ of an Indian tribe employing unit and not reimbursed by the federal government
34 must be financed in their entirety by the Indian tribe employing unit.

35 (d) Quarterly Contributions and Wage Reports. – An Indian tribe employing unit
36 that elects to be a reimbursing employer under this section must submit quarterly
37 contributions and wage reports and advance payments to the Division on or before the
38 last day of the month following the close of the calendar quarter in which the wages are
39 paid. The amount of the advance payment is equal to one percent (1%) of the taxable
40 wages reported. The Division must remit the payments to the Fund and credit the
41 payments to the employer's account. An employer may not deduct the contributions due
42 in whole or in part from the remuneration of the individuals employed.

1 Any Indian tribe employing unit paying by reimbursement having been, prior to July
2 1, under the reimbursement method of payment for the preceding calendar year, must
3 continue to file quarterly reports but does not need to make a payment with those reports.

4 (e) Annual Reconciliation. – A reimbursing employer that elects to finance
5 benefits under the reimbursement method of payment must maintain an account balance
6 equal to one percent (1%) of its taxable wages. The Division must determine the balance
7 of each employer's account as of August 1 of each year. The Division must furnish the
8 employer with a statement of all charges and credits to the account prior to January 1 of
9 the succeeding year.

10 If there is a deficit in the account, the Division must bill the employer for an amount
11 necessary to bring its account to one percent (1%) of its taxable wages. Any amount in
12 the account in excess of one percent (1%) of taxable wages must be credited to the
13 employer's account. Amounts due from the employer to bring its account to a one percent
14 (1%) balance will be billed as soon as practical and payment is due within 25 days from
15 the date of mailing of the statement of the amount due.

16 (f) Collection Notice. – Notices of payment and reporting delinquency to Indian
17 tribe employing units must include information that failure to make full payment within
18 the time prescribed causes the unit to become liable for contributions G.S. 96-19.30,
19 causes the unit to lose the option of making payment by reimbursement in lieu of
20 contributions, and may cause the unit to lose coverage under this Chapter for services
21 performed for the unit.

22 (g) Forfeiture of Option. – If an Indian tribe employing unit fails to make
23 payments, including interest and penalties, required under this section within 90 days
24 after receipt of the bill, the unit loses the option to make payments by reimbursement in
25 lieu of contributions for the following calendar year unless payment in full is made before
26 contribution rates for the following calendar year are computed. An Indian tribe that has
27 lost the option to make payments by reimbursement in lieu of contributions for a calendar
28 year regains that option for the following calendar year if it makes all contributions
29 timely during the year for which the option was lost, and no payments, penalties, or
30 interest remain outstanding.

31 (h) Forfeiture of Coverage. – If an Indian tribe employing unit fails to make
32 payments, including interest and penalties, required under this section after all collection
33 activities considered necessary by the Division have been exhausted, services performed
34 for that employing unit are no longer treated as "employment" for the purpose of
35 coverage under this Chapter. An Indian tribe employing unit that has lost coverage
36 regains coverage under this Chapter for services performed for the employing unit if the
37 Division determines that all contributions, payments in lieu of contributions, penalties,
38 and interest have been paid.

39 The Division must notify the Internal Revenue Service and the United States
40 Department of Labor of any termination or reinstatement of coverage pursuant to this
41 subsection.

42 (i) Change in Election. – The account of an Indian tribe employing unit that has
43 been paying contributions under this Chapter for a period of at least three consecutive

1 calendar years and that elects to change to a reimbursement basis must be closed and may
2 not be used in any future computation of the unit's contribution rate in any manner.

3 **"§ 96-19.34. Surcharge for the Employment Security Reserve Fund.**

4 (a) Tax imposed. – A tax is imposed upon taxpaying employers at a rate equal to
5 twenty percent (20%) of the amount of contributions due under G.S. 96-19.30. The tax is
6 collected and administered in the same manner as contributions.

7 (b) Purpose of Tax. – Taxes collected under this section provide revenue for the
8 purposes listed in G.S. 96-6.1. Taxes must be credited to the Employment Security
9 Reserve Fund and refunds of the taxes may be paid from the same fund. Any interest
10 collected on unpaid taxes imposed by this section may be credited to the Special
11 Employment Security Administration Fund, and any interest refunded on taxes imposed
12 by this section may be paid from the same fund.

13 (c) Suspension of Tax. – The tax does not apply in a calendar year if, as of August
14 1 of the preceding year, the amount in the State's account in the Unemployment Trust
15 Fund, established pursuant to section 903 of Title IX of the Social Security Act, equals or
16 exceeds one billion dollars (\$1,000,000,000).

17 **"§ 96-19.35. Collection of contributions.**

18 (a) Interest on Past-Due Contributions. – Contributions unpaid on the date on
19 which they are due and payable, as prescribed by the Division, shall bear interest at the
20 rate set under G.S. 105-241.21 per month from and after that date until payment plus
21 accrued interest is received by the Division. An additional penalty in the amount of ten
22 percent (10%) of the taxes due shall be added. The clear proceeds of any civil penalties
23 levied pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund
24 in accordance with G.S. 115C-457.2. Interest collected pursuant to this subsection shall
25 be paid into the Special Employment Security Administration Fund. If any employer, in
26 good faith, pays contributions to another state or to the United States under the Federal
27 Unemployment Tax Act, prior to a determination of liability by this Division, and the
28 contributions were legally payable to this State, the contributions, when paid to this State,
29 shall be deemed to have been paid by the due date under the law of this State if they were
30 paid by the due date of the other state or the United States.

31 (b) Collection. –

32 (1) If, after due notice, any employer defaults in any payment of
33 contributions or interest thereon, the amount due shall be collected by
34 civil action in the name of the Division, and the employer adjudged in
35 default shall pay the costs of such action. Civil actions brought under
36 this section to collect contributions or interest thereon from an employer
37 shall be heard by the court at the earliest possible date and shall be
38 entitled to preference upon the calendar of the court over all other civil
39 actions, except petitions for judicial review under this Chapter and cases
40 arising under the Workers' Compensation Law of this State; or, if any
41 contribution imposed by this Chapter, or any portion thereof, and/or
42 penalties duly provided for the nonpayment thereof shall not be paid
43 within 30 days after the same become due and payable, and after due
44 notice and reasonable opportunity for hearing, the Division, under the

1 hand of the Assistant Secretary, may certify the same to the clerk of the
2 superior court of the county in which the delinquent resides or has
3 property, and additional copies of said certificate for each county in
4 which the Division has reason to believe the delinquent has property
5 located. If the amount of a delinquency is less than fifty dollars
6 (\$50.00), the Division may not certify the amount to the clerk of court
7 until a field tax auditor or another representative of the Division
8 personally contacts, or unsuccessfully attempts to personally contact,
9 the delinquent and collect the amount due. A certificate or a copy of a
10 certificate forwarded to the clerk of the superior court shall immediately
11 be docketed and indexed on the cross index of judgments, and from the
12 date of such docketing shall constitute a preferred lien upon any
13 property which said delinquent may own in said county, with the same
14 force and effect as a judgment rendered by the superior court. The
15 Division shall forward a copy of said certificate to the sheriff or sheriffs
16 of such county or counties, or to a duly authorized agent of the Division,
17 and when so forwarded and in the hands of such sheriff or agent of the
18 Division, shall have all the force and effect of an execution issued to
19 such sheriff or agent of the Division by the clerk of the superior court
20 upon a judgment of the superior court duly docketed in said county.
21 Provided, however, the Division may in its discretion withhold the
22 issuance of said certificate or execution to the sheriff or agent of the
23 Division for a period not exceeding 180 days from the date upon which
24 the original certificate is certified to the clerk of superior court. The
25 Division is further authorized and empowered to issue alias copies of
26 said certificate or execution to the sheriff or sheriffs of such county or
27 counties, or to a duly authorized agent of the Division in all cases in
28 which the sheriff or duly authorized agent has returned an execution or
29 certificate unsatisfied; when so issued and in the hands of the sheriff or
30 duly authorized agent of the Division, such alias shall have all the force
31 and effect of an alias execution issued to such sheriff or duly authorized
32 agent of the Division by the clerk of the superior court upon a judgment
33 of the superior court duly docketed in said county. Provided, however,
34 that notwithstanding any provision of this subsection, upon filing one
35 written notice with the Division, the sheriff of any county shall have the
36 sole and exclusive right to serve all executions and make all collections
37 mentioned in this subsection and in such case no agent of the Division
38 shall have the authority to serve any executions or make any collections
39 therein in such county. A return of such execution, or alias execution,
40 shall be made to the Division, together with all moneys collected
41 thereunder, and when such order, execution, or alias is referred to the
42 agent of the Division for service the said agent of the Division shall be
43 vested with all the powers of the sheriff to the extent of serving such
44 order, execution, or alias and levying or collecting thereunder. The

1 agent of the Division to whom such order or execution is referred shall
2 give a bond not to exceed three thousand dollars (\$3,000) approved by
3 the Division for the faithful performance of such duties. The liability of
4 said agent shall be in the same manner and to the same extent as is now
5 imposed on sheriffs in the service of executions. If any sheriff of this
6 State or any agent of the Division who is charged with the duty of
7 serving executions shall willfully fail, refuse, or neglect to execute any
8 order directed to him by the said Division and, within the time provided
9 by law, the official bond of such sheriff or of such agent of the Division
10 shall be liable for the contributions, penalty, interest, and costs due by
11 the employer.

12 (2) Any representative of the Division may examine and copy the county
13 tax listings, detailed inventories, statements of assets, or similar
14 information required under General Statutes, Chapter 105, to be filed
15 with the tax supervisor of any county in this State by any person, firm,
16 partnership, or corporation, domestic or foreign, engaged in operating
17 any business enterprise in such county. Any such information obtained
18 by an agent or employee of the Division shall not be divulged,
19 published, or open to public inspection other than to the Division's
20 employees in the performance of their public duties. Any employee of
21 the Division who violates any provision of this section shall be fined not
22 less than twenty dollars (\$20.00), nor more than two hundred dollars
23 (\$200.00), or imprisoned for not longer than 90 days, or both.

24 (3) When the Division furnishes the clerk of superior court of any county in
25 this State a written statement or certificate to the effect that any
26 judgment docketed by the Division against any firm or individual has
27 been satisfied and paid in full, and said statement or certificate is signed
28 by the Secretary of Commerce and attested by the Assistant Secretary,
29 with the seal of the Division affixed, it shall be the duty of the clerk of
30 superior court to file said certificate and enter a notation thereof on the
31 margin of the judgment docket to the effect that said judgment has been
32 paid and satisfied in full, and is in consequence canceled of record. The
33 cancellation shall have the full force and effect of a cancellation entered
34 by an attorney of record for the Division. It shall also be the duty of
35 such clerk, when any such certificate is furnished him by the Division
36 showing that a judgment has been paid in part, to make a notation on the
37 margin of the judgment docket showing the amount of such payment so
38 certified and to file said certificate. This paragraph shall apply to
39 judgments already docketed, as well as to the future judgments docketed
40 by the Division. For the filing of said statement or certificate and
41 making new notations on the record, the clerk of superior court shall be
42 paid a fee of fifty cents (50¢) by the Division.

43 (c) Priorities under Legal Dissolution or Distributions. – In the event of any
44 distribution of an employer's assets pursuant to an order of any court under the laws of

1 this State, including any receivership, assignment for benefit of creditors, adjudicated
2 insolvency, composition, or similar proceeding, contributions then or thereafter due shall
3 be paid in full prior to all other claims except taxes, and claims for remuneration of not
4 more than two hundred and fifty dollars (\$250.00) to each claimant, earned within six
5 months of the commencement of the proceeding. In the event of an employer's
6 adjudication in bankruptcy, judicially confirmed extension proposal, or composition,
7 under the Federal Bankruptcy Act of 1898, as amended, contributions then or thereafter
8 due shall be entitled to such priority as is provided in section 64(a) of that act (U.S.C.,
9 Title 11, section 104(a)), as amended.

10 A receiver of any covered employer placed into an operating receivership pursuant to
11 an order of any court of this State shall pay to the Division any contributions, penalties or
12 interest then due out of moneys or assets on hand or coming into his possession before
13 any such moneys or assets may be used in any manner to continue the operation of the
14 business of the employer while it is in receivership.

15 (d) Collections of Contributions upon Transfer or Cessation of Business. – The
16 contribution or tax imposed by G.S. 96-9, and subsections thereunder, of this Chapter
17 shall be a lien upon the assets of the business of any employer subject to the provisions
18 hereof who shall lease, transfer, or sell out his business, or shall cease to do business and
19 such employer shall be required, by the next reporting date as prescribed by the Division,
20 to file with the Division all reports and pay all contributions due with respect to wages
21 payable for employment up to the date of such lease, transfer, sale, or cessation of the
22 business and such employer's successor in business shall be required to withhold
23 sufficient of the purchase money to cover the amount of said contributions due and
24 unpaid until such time as the former owner or employer shall produce a receipt from the
25 Division showing that the contributions have been paid, or a certificate that no
26 contributions are due. If the purchaser of a business or a successor of such employer shall
27 fail to withhold purchase money or any money due to such employer in consideration of a
28 lease or other transfer and the contributions shall be due and unpaid after the next
29 reporting date, as above set forth, such successor shall be personally liable to the extent
30 of the assets of the business so acquired for the payment of the contributions accrued and
31 unpaid on account of the operation of the business by the former owner or employer.

32 (e) Refunds. – If not later than five years from the last day of the calendar year
33 with respect to which a payment of any contributions or interest thereon was made, or
34 one year from the date on which such payment was made, whichever shall be the later, an
35 employer or employing unit who has paid such contributions or interest thereon shall
36 make application for an adjustment thereof in connection with subsequent contribution
37 payments, or for a refund, and the Division shall determine that such contributions or any
38 portion thereof was erroneously collected, the Division shall allow such employer or
39 employing unit to make an adjustment thereof, without interest, in connection with
40 subsequent contribution payments by him, or if such an adjustment cannot be made in the
41 next succeeding calendar quarter after such application for such refund is received, a cash
42 refund may be made, without interest, from the fund: Provided, that any interest refunded
43 under this subsection, which has been paid into the Special Employment Security
44 Administration Fund established pursuant to G.S. 96-5(c), shall be paid out of such fund.

1 For like cause and within the same period, adjustment or refund may be so made on the
2 Division's own initiative. Provided further, that nothing in this section or in any other
3 section of this Chapter shall be construed as permitting the refund of moneys due and
4 payable under the law and regulations in effect at the time such moneys were paid. In any
5 case, where the Division finds that any employing unit has erroneously paid to this State
6 contributions or interest upon wages earned by individuals in employment in another
7 state, refund or adjustment thereof shall be made, without interest, irrespective of any
8 other provisions of this subsection, upon satisfactory proof to the Division that such other
9 state has determined the employing unit liable under its law for such contributions or
10 interest.

11 (f) No injunction shall be granted by any court or judge to restrain the collection
12 of any tax or contribution or any part thereof levied under the provisions of this Chapter
13 nor to restrain the sale of any property under writ of execution, judgment, decree, or order
14 of court for the nonpayment thereof. Whenever any employer, person, firm, or
15 corporation against whom taxes or contributions provided for in this Chapter have been
16 assessed, shall claim to have a valid defense to the enforcement of the tax or contribution
17 so assessed or charged, such employer, person, firm, or corporation shall pay the tax or
18 contribution so assessed to the Division; but if at the time of such payment he shall notify
19 the Division in writing that the same is paid under protest, such payment shall be without
20 prejudice to any defenses or rights he may have in the premises, and he may, at any time,
21 within 30 days after such payment, demand the same in writing from the Division; and if
22 the same shall not be refunded within 90 days thereafter, he may sue the Division for the
23 amount so demanded; such suit against the Division must be brought in the Superior
24 Court of Wake County, or in the county in which the taxpayer resides, or in the county
25 where the taxpayer conducts his principal place of business; and if, upon the trial it shall
26 be determined that such tax or contribution or any part thereof was for any reason invalid,
27 excessive, or contrary to the provisions of this Chapter, the amount paid shall be refunded
28 by the Division accordingly. The remedy provided by this subsection shall be deemed to
29 be cumulative and in addition to such other remedies as are provided by other subsections
30 of this Chapter. No suit, action, or proceeding for refund or to recover contributions or
31 payroll taxes paid under protest according to the provisions of this subsection shall be
32 maintained unless such suit, action, or proceeding is commenced within one year after the
33 expiration of the 90 days mentioned in this subsection, or within one year from the date
34 of the refusal of the Division to make refund should such refusal be made before the
35 expiration of said 90 days above mentioned. The one-year limitation here imposed shall
36 not be retroactive in its effect, shall not apply to pending litigation, nor shall the same be
37 construed as repealing, abridging or extending any other limitation or condition imposed
38 by this Chapter.

39 (g) Upon the motion of the Division, any employer refusing to submit any report
40 required under this Chapter, after 10 days' written notice sent by the Division by
41 registered or certified mail to the employer's last known address, may be enjoined by any
42 court of competent jurisdiction from hiring and continuing in employment any employees
43 until such report is properly submitted. When an execution has been returned to the
44 Division unsatisfied, and the employer, after 10 days' written notice sent by the Division

1 by registered mail to the employer's last known address, refuses to pay the contributions
2 covered by the execution, such employer shall upon the motion of the Division be
3 enjoined by any court of competent jurisdiction from hiring and continuing in
4 employment any employees until such contributions have been paid.

5 An employer who fails to file a report within the required time shall be assessed a late
6 filing penalty of five percent (5%) of the amount of contributions due with the report for
7 each month or fraction of a month the failure continues. The penalty may not exceed
8 twenty-five percent (25%) of the amount of contributions due. An employer who fails to
9 file a report within the required time but owes no contributions shall not be assessed a
10 penalty unless the employer's failure to file continues for more than 30 days.

11 (h) When any uncertified check is tendered in payment of any contributions to the
12 Division and such check shall have been returned unpaid on account of insufficient funds
13 of the drawer of said check in the bank upon which same is drawn, a penalty shall be
14 payable to the Division, equal to ten percent (10%) of the amount of said check, and in no
15 case shall such penalty be less than one dollar (\$1.00) nor more than two hundred dollars
16 (\$200.00).

17 (i) Except as otherwise provided in this subsection, no suit or proceedings for the
18 collection of unpaid contributions may be begun under this Chapter after five years from
19 the date on which the contributions become due, and no suit or proceeding for the
20 purpose of establishing liability and/or status may be begun with respect to any period
21 occurring more than five years prior to the first day of January of the year within which
22 the suit or proceeding is instituted. This subsection shall not apply in any case of willful
23 attempt in any manner to defeat or evade the payment of any contributions becoming due
24 under this Chapter. A proceeding shall be deemed to have been instituted or begun upon
25 the date of issuance of an order by the Assistant Secretary of the Division directing a
26 hearing to be held to determine liability or nonliability, and/or status under this Chapter
27 of an employing unit, or upon the date notice and demand for payment is mailed by
28 certified mail to the last known address of the employing unit. The order shall be deemed
29 to have been issued on the date the order is mailed by certified mail to the last known
30 address of the employing unit. The running of the period of limitations provided in this
31 subsection for the making of assessments or collection shall, in a case under Title II of
32 the United States Code, be suspended for the period during which the Division is
33 prohibited by reason of the case from making the assessment or collection and for a
34 period of one year after the prohibition is removed.

35 (j) Waiver of Interest and Penalties. – The Division may, for good cause shown,
36 reduce or waive any interest assessed on unpaid contributions under this section. The
37 Division may reduce or waive any penalty provided in G.S. 96-10(a) or G.S. 96-10(g).
38 The late filing penalty under G.S. 96-10(g) shall be waived when the mailed report bears
39 a postmark that discloses that it was mailed by midnight of the due date but was
40 addressed or delivered to the wrong State or federal agency. The late payment penalty
41 and the late filing penalty imposed by G.S. 96-10(a) and G.S. 96-10(g) shall be waived
42 where the delay was caused by any of the following:

43 (1) The death or serious illness of the employer or a member of the
44 employer's immediate family or by the death or serious illness of the

- 1 person in the employer's organization responsible for the preparation
2 and filing of the report;
3 (2) Destruction of the employer's place of business or business records by
4 fire or other casualty;
5 (3) Failure of the Division to furnish proper forms upon timely application
6 by the employer, by reason of which failure the employer was unable to
7 execute and file the report on or before the due date;
8 (4) The inability of the employer or the person in the employer's
9 organization responsible for the preparation and filing of reports to
10 obtain an interview with a representative of the Division upon a
11 personal visit to the central office or any local office for the purpose of
12 securing information or aid in the proper preparation of the report,
13 which personal interview was attempted to be had within the time
14 during which the report could have been executed and filed as required
15 by law had the information at the time been obtained;
16 (5) The entrance of one or more of the owners, officers, partners, or the
17 majority stockholder into the Armed Forces of the United States, or any
18 of its allies, or the United Nations, provided that the entrance was
19 unexpected and is not the annual two weeks training for reserves; and
20 (6) Other circumstances where, in the opinion of the Secretary, Assistant
21 Secretary, or their designees, the imposition of penalties would be
22 inequitable.

23 In the waiver of any penalty, the burden shall be upon the employer to establish to the
24 satisfaction of the Secretary, Assistant Secretary, or their designees that the delinquency
25 for which the penalty was imposed was due to any of the foregoing facts or
26 circumstances.

27 The waiver or reduction of interest or a penalty under this subsection shall be valid
28 and binding upon the Division. The reason for any reduction or waiver shall be made a
29 part of the permanent records of the employing unit to which it applies.

30 **"§ 96-19.36. Compromise of liability.**

31 (a) Authority. – The Secretary may compromise an employer's tax liability under
32 this Article when the Secretary determines that the compromise is in the best interest of
33 the State and makes one or more of the following findings:

- 34 (1) There is a reasonable doubt as to the amount of the liability of the
35 taxpayer under the law and the facts.
36 (2) The taxpayer is insolvent and the Secretary probably could not
37 otherwise collect an amount equal to, or in excess of, the amount
38 offered in compromise. A taxpayer is considered insolvent only in one
39 of the following circumstances:
40 a. It is plain and indisputable that the taxpayer is clearly insolvent
41 and will remain so in the reasonable future.
42 b. The taxpayer has been determined to be insolvent in a judicial
43 proceeding.

(3) Collection of a greater amount than that offered in compromise is improbable, and the funds or a substantial portion of the funds offered in the settlement come from sources from which the Secretary could not otherwise collect.

(b) Written Statement. – When the Secretary compromises a tax liability under this section and the amount of the liability is at least one thousand dollars (\$1,000), the Secretary must make a written statement that sets out the amount of the liability, the amount accepted under the compromise, a summary of the facts concerning the liability, and the findings on which the compromise is based. The Secretary must sign the statement and keep a record of the statement.

"Part 4. Experience Rating.

"§ 96-19.40. Employer account.

(a) Employer Account. – The Division must maintain a separate account for each employer. The Division must charge the employer's account for benefits, as provided in G.S. 96-19.41. The Division must credit the employer's account with all contributions paid by the employer or on the employer's behalf. Any voluntary contributions made by an employer within 30 days after the date of mailing by the Division of notification of contribution rate, as required by G.S. 96-19.30, must be credited to its account as of the previous July 31.

(b) Closed Account. – Except as provided in subsection (c) of this section, when an employer ceases to be an employer, the employer's account must be closed and may not be used in any future computation of the employer's contribution rate.

(c) Acquisition of Existing Business. – When an employer acquires all of the organization, trade, or business of another employing unit, the Division shall transfer the account of the predecessor to the successor employer as of the date of the acquisition for use in the determination of the successor's rate of contributions. This mandatory transfer does not apply when there is no common ownership between the predecessor and the successor and the successor acquired the assets of the predecessor in a sale in bankruptcy. In this circumstance, the successor's rate of contributions is determined without regard to the predecessor's rate of contributions.

When an employer acquires a distinct and severable portion of the organization, trade, or business of another employing unit, the part of the account of the predecessor that relates to the acquired portion of the business may, upon the mutual consent of the parties concerned and approval of the Division, be transferred as of the date of acquisition to the successor employer for use in the determination of the successor's rate of contributions, provided application for transfer is made within 60 days after the Division notifies the successor of the right to request such transfer, otherwise the effective date of the transfer is the first day of the calendar quarter in which the application is filed, and that after the transfer the successor employing unit continues to operate the transferred portion of such organization, trade, or business.

Whenever part of an organization, trade, or business is transferred between entities subject to substantially common ownership, management, or control, the account must be transferred in accordance with rules adopted by the Division. However, employing units transferring entities with any common ownership, management, or control are not entitled

1 to separate and distinct employer status under this Chapter. Provided however, that the
2 transfer of an account for the purpose of computation of rates is considered to have been
3 made prior to the computation date falling within the calendar year within which the
4 effective date of the transfer occurs, and the account must be used in the computation of
5 the rate of the successor employer for succeeding years. No request for a transfer of the
6 account may be accepted and no transfer of the account may be made if the request for
7 the transfer of the account is not received within two years of the date of acquisition or
8 notification by the Division of the right to request a transfer, whichever occurs later.
9 However, in no event is a request for a transfer allowed if an account has been terminated
10 because an employer ceases to be an employer pursuant to G.S. 96-19.40(b) and
11 G.S. 96-19.22, regardless of the date of notification.

12 (d) Contributions Credited to Wrong Account. – Whenever contributions are
13 erroneously paid into one account that should have been paid into another account or that
14 should have been paid into a new account, the erroneous payment may be adjusted only
15 by refunding the erroneously paid amounts to the paying entity. No pro rata adjustment to
16 an existing account may be made, nor can a new account be created by transferring any
17 portion of the erroneously paid amount, notwithstanding that the entities involved may be
18 owned, operated, or controlled by the same person or organization. No adjustment of a
19 contribution rate may be made that reduces the rate below the standard rate for any period
20 in which the account was not in actual existence and in which it was not actually
21 chargeable for benefits. Whenever payments are found to have been made to the wrong
22 account, refunds can be made to the entity making the wrongful payment for a period not
23 exceeding five years from the last day of the calendar year in which it is determined that
24 wrongful payments were made. Notwithstanding payment into the wrong account, if an
25 entity is determined to have met the requirements to be a covered employer, whether or
26 not the entity has paid on the account of its employees any sum into another account, the
27 Division must collect contributions at the standard rate or the assigned rate, whichever is
28 higher, for the five years preceding the determination of erroneous payments, which five
29 years runs from the last day of the calendar year in which the determination of liability
30 for contributions or additional contributions is made. This requirement applies regardless
31 of whether the employer acted in good faith.

32 (e) Interest Credited. – On the computation date, the ratio of the credit balance in
33 each individual account to the total of all the credit balances in all employer accounts
34 must be computed, and an amount equal to the interest credited to this State's account in
35 the unemployment trust fund in the Treasury of the United States for the four most
36 recently completed calendar quarters must be credited prior to the next computation date
37 on a pro rata basis to all employers' accounts having a credit balance on the computation
38 date. The amount must be prorated to the individual accounts in the same ratio that the
39 credit balance in each individual account bears to the total of the credit balances in all
40 such accounts. In computing the amount to be credited to the account of an employer as a
41 result of interest earned by funds on deposit in the unemployment trust fund in the
42 Treasury of the United States to the account of this State, any voluntary contributions
43 made by an employer after July 31 of any year shall not be considered a part of the

1 account balance of the employer until the next computation date occurring after the
2 voluntary contribution was made.

3 **"§ 96-19.41. Charging of benefit payments to employer account.**

4 (a) Allocation of Charged. – Benefits paid to a claimant must be allocated to the
5 account of each base period employer in the proportion that the base period wages paid to
6 an eligible individual in any calendar quarter by each such employer bears to the total
7 wages paid by all base period employers during the base period. The amount allocated is
8 multiplied by one hundred twenty percent (120%) and charged to that employer's
9 account. Benefits paid are charged to employers' accounts upon the basis of benefits paid
10 to claimants whose benefit years have expired.

11 (b) Charging of Benefits After Separation. – Any benefits paid to a claimant under
12 a claim filed for a period occurring after the date of separation for one of the reasons
13 listed in this subsection may not be charged to the account of an employer by whom the
14 claimant was employed at the time of separation if the employer promptly notifies the
15 Division, in accordance with rules adopted by the Division, of the applicable reason listed
16 below for the separation:

17 (1) The claimant left work without good cause attributable to the employer.

18 (2) The employer discharged the claimant for misconduct in connection
19 with his work.

20 (3) The employer discharged the claimant solely for a bona fide inability to
21 do the work for which the individual was hired and the claimant's period
22 of employment was 100 days or less.

23 (4) The separation is a disqualifying separation under G.S. 96-19.52.

24 (c) Benefits Not Chargeable. – The following benefit charges may not be made
25 against an employer's account:

26 (1) Except as provided in G.S. 96-19.42, benefits paid as a result of a
27 decision by the Division, if the decision to pay benefits is ultimately
28 reversed.

29 (2) Any benefits paid to any claimant who is attending a vocational school
30 or training program approved by the Division may not be charged to the
31 account of the base period employers.

32 (3) Any benefits paid to any claimant where all of the following conditions
33 are met:

34 a. The benefits are paid for unemployment due directly to a major
35 natural disaster.

36 b. The President has declared the disaster pursuant to the Disaster
37 Relief Act of 1970, 42 U.S.C. 4401, et seq.

38 c. The benefits are paid to claimants who would have been eligible
39 for disaster unemployment assistance under this Act, if they had
40 not received unemployment insurance benefits with respect to
41 that unemployment.

42 (d) Current Employer in Base Period. – An employer who has furnished work to
43 an individual who, because of the loss of employment with one or more other employers,
44 becomes eligible for partial benefits while still being furnished work by such employer

1 on substantially the same basis and substantially the same amount as had been made
2 available to such individual during his base period, whether the employments were
3 simultaneous or successive. An employer must file a written request with the Division for
4 noncharging of benefits under this subdivision.

5 **"§ 96-19.42. Employer's reserve ratio.**

6 (a) Computation. – On August 1 of each year, the Division must determine the
7 balance of each employer's account and compute a reserve ratio for the employer. At the
8 same time the Division notifies an employer of the employer's contribution rate for the
9 succeeding calendar year, it must furnish the employer with a statement of all charges
10 and credits made to the employer's account. The employer may file an application for
11 review or redetermination prior to May 1 following the effective date of the contribution
12 rate.

13 (b) Credit Reserve Ratio. – For each employer whose account has a credit balance,
14 the Division must compute a credit reserve ratio. An employer's credit reserve ratio is the
15 quotient obtained by dividing the credit balance of the employer's account as of July 31
16 of each year by the total taxable payroll of the employer for the 36 calendar-month period
17 ending June 30 preceding the computation date. Credit balance as used in this subsection
18 means the total of all contributions paid and credited for all past periods together with all
19 other lawful credits to the account of the employer less the total benefits charged to the
20 account of the employer for all past periods.

21 (c) Debit Reserve Ratio. – For each employer whose account shows that the total
22 of all of its contributions paid and credited for all past periods together with all other
23 lawful credits is less than the total benefits charged to its account for all past periods, the
24 Division must compute a debit reserve ratio. An employer's debit ratio is the quotient
25 obtained by dividing the debit balance of the employer's account as of July 31 of each
26 year by the total taxable payroll of the employer for the 36 calendar-month period ending
27 June 30 preceding the computation date. The employer's debit balance is the total amount
28 of all benefits charged to the employer's account for all past periods less the total amount
29 of all contributions paid and credited in those periods, together with all other lawful
30 credits of the employer.

31 (d) Insufficient Employer Report. – If, within the calendar month in which the
32 computation date occurs, the Division finds that any employing unit failed to file a report
33 or filed a report that the Division finds incorrect or insufficient, the Division must make
34 an estimate of the information required from the employing unit on the basis of the best
35 evidence reasonably available to it at the time. The Division must notify the employing
36 unit of the estimates it will use to compute the employer's reserve ratio by registered mail
37 addressed to its last known address. The Division must compute the employing unit's
38 reserve ratio and contribution rate based upon those estimates unless the employing unit
39 files a report or a corrected or sufficient report, as the case may be, within 15 days after
40 the mailing of the notice. The rate so determined may be adjusted on the basis of
41 subsequently ascertained information.

42 (e) Active Duty. – If the Division finds that an employer's business is closed solely
43 because of the entrance of one or more of the owners, officers, partners, or the majority
44 stockholder into the Armed Forces of the United States, or of any of its allies, or of the

1 United Nations, the employer's experience rating account may not be terminated; and, if
2 the business is resumed within two years after the discharge or release from active duty in
3 the Armed Forces of the United States of such person or persons, the employer's account
4 is deemed to have been chargeable with benefits throughout more than 13 consecutive
5 calendar months ending July 31 immediately preceding the computation date. This
6 subsection applies only to employers who are liable for contributions under the
7 experience rating system of financing unemployment benefits. This subsection does not
8 apply to employers who are liable for payments in lieu of contributions or to employers
9 using the reimbursable method of financing benefit payments under G.S. 96-19.32 or
10 G.S. 96-19.33.

11 **"§ 96-19.43. Transfer of account.**

12 (a) Mandatory. – When an employer acquires all of the organization, trade, or
13 business of another employing unit, the account of the predecessor shall be transferred as
14 of the date of the acquisition to the successor employer for use in the determination of the
15 successor's rate of contributions. This mandatory transfer does not apply when there is no
16 common ownership between the predecessor and the successor and the successor
17 acquired the assets of the predecessor in a sale in bankruptcy. In this circumstance, the
18 successor's rate of contributions is determined without regard to the predecessor's rate of
19 contributions.

20 (b) Consent. – When an employer acquires a distinct and severable portion of the
21 organization, trade, or business of another employing unit, the part of the account of the
22 predecessor that relates to the acquired portion of the business shall, upon the mutual
23 consent of the parties concerned and approval of the Division in conformity with the
24 regulations as prescribed therefor, be transferred as of the date of acquisition to the
25 successor employer for use in the determination of the successor's rate of contributions,
26 provided application for transfer is made within 60 days after the Division notifies the
27 successor of the right to request such transfer, otherwise the effective date of the transfer
28 shall be the first day of the calendar quarter in which such application is filed, and that
29 after the transfer the successor employing unit continues to operate the transferred portion
30 of such organization, trade, or business. Whenever part of an organization, trade, or
31 business is transferred between entities subject to substantially common ownership,
32 management, or control, the tax account shall be transferred in accordance with
33 regulations. However, employing units transferring entities with any common ownership,
34 management, or control are not entitled to separate and distinct employer status under this
35 Chapter. Provided, however, that the transfer of an account for the purpose of
36 computation of rates shall be deemed to have been made prior to the computation date
37 falling within the calendar year within which the effective date of such transfer occurs
38 and the account shall thereafter be used in the computation of the rate of the successor
39 employer for succeeding years, subject, however, to the provisions of subsection (d) of
40 this section. No request for a transfer of the account will be accepted and no transfer of
41 the account will be made if the request for the transfer of the account is not received
42 within two years of the date of acquisition or notification by the Division of the right to
43 request such transfer, whichever occurs later. However, in no event will a request for a
44 transfer be allowed if an account has been terminated because an employer ceases to be

1 an employer pursuant to G.S. 96-9(c)(5) and G.S. 96-11(d) regardless of the date of
2 notification.

3 (c) Employer Number. – A new employing unit shall not be assigned a discrete
4 employer number when there is an acquisition or change in the form or organization of an
5 existing business enterprise, or severable portion thereof, and there is a continuity of
6 control of the business enterprise. That new employing unit shall continue to be the same
7 employer for the purposes of this Chapter as before the acquisition or change in form.
8 The following assumptions apply in this subsection:

9 (1) "Control of the business enterprise" may occur by means of ownership
10 of the organization conducting the business enterprise, ownership of
11 assets necessary to conduct the business enterprise, security
12 arrangements or lease arrangements covering assets necessary to
13 conduct the business enterprise, or a contract when the ownership,
14 stated arrangements, or contract provide for or allow direction of the
15 internal affairs or conduct of the business enterprise.

16 (2) A "continuity of control" will exist if one or more persons, entities, or
17 other organizations controlling the business enterprise remain in control
18 of the business enterprise after an acquisition or change in form.
19 Evidence of continuity of control shall include, but not be limited to,
20 changes of an individual proprietorship to a corporation, partnership,
21 limited liability company, association, or estate; a partnership to an
22 individual proprietorship, corporation, limited liability company,
23 association, estate, or the addition, deletion, or change of partners; a
24 limited liability company to an individual proprietorship, partnership,
25 corporation, association, estate, or to another limited liability company;
26 a corporation to an individual proprietorship partnership, limited
27 liability company, association, estate, or to another corporation or from
28 any form to another form.

29 (d) Rate of Contribution. – Notwithstanding any other provisions of this section, if
30 the successor employer was an employer subject to this Chapter prior to the date of
31 acquisition of the business, the successor's rate of contribution for the period from that
32 date to the end of the then current contribution year shall be the same as the successor's
33 rate in effect on the date of the acquisition. If the successor was not an employer prior to
34 the date of the acquisition of the business, the successor shall be assigned a standard
35 beginning rate of contribution set forth in G.S. 96-9(b)(1) for the remainder of the year in
36 which the successor acquired the business of the predecessor; however, if the successor
37 makes application for the transfer of the account within 60 days after notification by the
38 Division of the right to do so and the account is transferred, or meets the requirements for
39 mandatory transfer, the successor shall be assigned for the remainder of the year the rate
40 applicable to the predecessor employer or employers on the date of acquisition of the
41 business, as long as there was only one predecessor or, if more than one, the predecessors
42 had identical rates. In the event the rates of the predecessor were not identical, the rate of
43 the successor shall be the highest rate applicable to any of the predecessor employers on
44 the date of acquisition of the business.

1 Irrespective of any other provisions of this Chapter, when an account is transferred in
2 its entirety by an employer to a successor, the transferring employer shall thereafter pay
3 the standard beginning rate of contributions set forth in G.S. 96-9(b)(1) and shall
4 continue to pay at that rate until the transferring employer qualifies for a reduction,
5 reacquires the account transferred or acquires the experience rating account of another
6 employer, or is subject to an increase in rate under the conditions prescribed in
7 G.S. 96-9(b)(2) and (3).

8 (e) Deceased or Insolvent Employer. – In those cases where the organization,
9 trade, or business of a deceased person, or insolvent debtor is taken over and operated by
10 an administrator, executor, receiver, or trustee in bankruptcy, such employing units shall
11 automatically succeed to the account and rate of contribution of such deceased person, or
12 insolvent debtor without the necessity of the filing of a formal application for the transfer
13 of such account.

14 **"§ 96-19.44. Program integrity.**

15 (a) Nonrelief of Charges. – The Division must charge benefits to an employer's
16 account when it determines that an overpayment has been made to a claimant and it
17 determines that both of the conditions in this subsection apply. If the claim is a
18 combined-wage claim, the determination of noncharging for the combined-wage claim
19 must be made by the paying state. If the response from the employer does not meet the
20 criteria established by the paying state for an adequate or timely response, the paying
21 state must promptly notify the transferring state of its determination and the employer
22 must be appropriately charged. The Division may waive the prohibition for good cause.

23 (1) The overpayment occurred because the employer failed to respond
24 timely or adequately to a written or electronic request of the Division
25 for information relating to an unemployment compensation claim. A
26 response is considered untimely if it fails to be made within the time
27 allowed under G.S. 96-19.80(c). A response is considered inadequate if
28 it fails to provide sufficient facts to enable the Division to make a
29 correct determination of benefits. A response may not be considered
30 inadequate if the Division fails to request the necessary information.

31 (2) The employer exhibits a pattern of failure to respond timely or
32 adequately by failing to respond to written requests from the Division
33 for information relating to an unemployment compensation claim on
34 two or more occasions. If an employer uses a third-party agent to
35 respond on its behalf to the Division, then the actions of the agent must
36 be considered when determining a pattern of failure to respond timely or
37 adequately. A pattern is established based on the agent's behavior
38 overall and not only with respect to its behavior related to the employer.

39 (b) Applicability. – This section applies to erroneous payments established on or
40 after October 1, 2013.

41 **"Part 5. Benefit Eligibility.**

42 **"§ 96-19.50. Register for work and file a valid claim.**

43 (a) Initial Determination. – An individual who is unemployed may file a claim for
44 benefits. If the Division determines that the individual has registered for work and filed a

1 valid claim, the individual may qualify for benefits as provided in this Part. A valid claim
2 is one that meets the employment and wage standards set out below for the individual's
3 base period:

4 (1) Employment. – The individual has been paid wages in at least two
5 quarters of the individual's base period.

6 (2) Wages. – The individual has been paid wages totaling at least six times
7 the average weekly insured wage during the individual's base period. If
8 an individual lacks sufficient base period wages, then the wage standard
9 for that individual may be determined using the alternative base period.

10 (b) Waiting Week. – An individual must serve a waiting period of one week with
11 respect to each benefit claim filed.

12 (c) Qualifying Wages for Second Benefit Year. – An individual whose prior
13 benefit year has expired and who files a new benefit claim is not entitled to benefits
14 unless the individual has been paid qualifying wages since the beginning date of the prior
15 benefit year and before the date the new benefit claim was filed equal to at least six times
16 the average weekly insured wage and has been paid wages in at least two quarters of the
17 individual's base period.

18 **"§ 96-19.51. Disqualification for benefits.**

19 (a) Disqualification Period. – The Division must determine whether an individual
20 who has registered for work and filed a valid claim for benefits as required under
21 G.S. 96-19.50 is qualified to receive benefits. A claimant's qualification for benefits is
22 determined based on the reason for separation from employment from the individual's
23 last permanent employer. The individual's last permanent employer is the employer for
24 whom the claimant worked for more than 30 consecutive calendar days, regardless of
25 whether the work was performed on all of those days. A claimant disqualified for benefits
26 under this section may not receive any benefits for the entire one-year benefit period
27 connected with that claim.

28 (b) Left Work Without Good Cause Attributable to the Employer. – A claimant is
29 disqualified for benefits if it is determined by the Division that the claimant is
30 unemployed because the claimant left work without good cause attributable to the
31 employer. Where a claimant leaves work, the burden of showing good cause attributable
32 to the employer rests on the claimant and the burden may not be shifted to the employer.
33 Where an employee is notified by the employer that the employee will be separated from
34 employment on some future date and the employee leaves work prior to this date because
35 of the impending separation, the employee has left work voluntarily and the leaving is not
36 considered good cause attributable to the employer.

37 The following circumstances are prima facie evidence of good cause attributable to
38 the employer that may be rebutted by the employer:

39 (1) Reduction in hours. – Where an individual leaves work due solely to a
40 unilateral and permanent reduction in work hours of more than fifty
41 percent (50%) of the customary scheduled full-time work hours in the
42 establishment, plant, or industry in which the individual was employed.

1 (2) Reduction in pay. – Where an individual leaves work due solely to a
2 unilateral and permanent reduction in the individual's rate of pay of
3 more than fifteen percent (15%).

4 (c) Misconduct. – An individual is disqualified for benefits if it is determined by
5 the Division that the individual is, at the time such claim is filed, unemployed because the
6 individual was discharged for misconduct connected with the work. Misconduct
7 connected with the work is conduct evincing a willful or wanton disregard of the
8 employer's interest as is found in deliberate violation or disregard of standards of
9 behavior that the employer has the right to expect of an employee or has explained orally
10 or in writing to an employee or conduct evincing carelessness or negligence of such
11 degree or recurrence as to manifest an intentional and substantial disregard of the
12 employer's interests or of the employee's duties and obligations to the employer.

13 The following examples are prima facie evidence of misconduct that may be rebutted
14 by the claimant:

- 15 (1) Violating the employer's written alcohol or illegal drug policy.
- 16 (2) Reporting to work significantly impaired by alcohol or illegal drugs.
- 17 (3) Consuming alcohol or illegal drugs on employer's premises.
- 18 (4) Conviction by a court of competent jurisdiction for manufacturing,
19 selling, or distribution of a controlled substance punishable under
20 G.S. 90-95(a)(1) or G.S. 90-95(a)(2) if the offense is related to or
21 connected with an employee's work for an employer or is in violation of
22 a reasonable work rule or policy.
- 23 (5) Being terminated or suspended from employment after arrest or
24 conviction for an offense involving violence, sex crimes, or illegal drugs
25 if the offense is related to or connected with an employee's work for an
26 employer or is in violation of a reasonable work rule or policy.
- 27 (6) Any physical violence whatsoever related to an employee's work for an
28 employer, including physical violence directed at supervisors,
29 subordinates, coworkers, vendors, customers, or the general public.
- 30 (7) Inappropriate comments or behavior towards supervisors, subordinates,
31 coworkers, vendors, customers, or to the general public relating to any
32 federally protected characteristic which creates a hostile work
33 environment.
- 34 (8) Theft in connection with the employment.
- 35 (9) Forging or falsifying any document or data related to employment,
36 including a previously submitted application for employment.
- 37 (10) Violating an employer's written absenteeism policy.
- 38 (11) Refusing to perform reasonably assigned work tasks or failing to
39 adequately perform employment duties as evidenced by no fewer than
40 three written reprimands in the 12 months immediately preceding the
41 employee's termination.

42 (d) Failure to Supply Necessary License. – An individual is disqualified for
43 benefits if the Division determines that the individual is, at the time the claim is filed,
44 unemployed because the individual has been discharged from employment because a

1 license, certificate, permit, bond, or surety that is necessary for the performance of the
2 individual's employment and that the individual is responsible to supply has been
3 revoked, suspended, or otherwise lost to the individual, or the individual's ability to
4 successfully apply or the individual's application therefor has been lost or denied for a
5 cause that was within the individual's power to control, guard against, or prevent. No
6 showing of misconduct connected with the work is required in order for an individual to
7 be disqualified for benefits under this subsection.

8 (e) Labor Dispute. – An individual is disqualified for benefits if the Division
9 determines the individual's total or partial unemployment is caused by a labor dispute in
10 active progress at the factory, establishment, or other premises at which the individual is
11 or was last employed or caused after such date by a labor dispute at another place within
12 this State that is owned or operated by the same employing unit which owns or operates
13 the factory, establishment, or other premises at which the individual is or was last
14 employed and that supplies materials or services necessary to the continued and usual
15 operation of the premises at which the individual is or was last employed. An individual
16 disqualified under the provisions of this subsection continues to be disqualified after the
17 labor dispute has ceased to be in active progress for a period of time that is reasonably
18 necessary and required to physically resume operations in the method of operating in use
19 at the plant, factory, or establishment of the employing unit.

20 (f) Self-Employed and Business Owners. – An individual is disqualified for
21 benefits if the Division determines either of the following:

- 22 (1) The individual is customarily self-employed and can reasonably return
23 to self-employment.
- 24 (2) The individual is, at the time the claim is filed, unemployed because the
25 individual's ownership share of the employing entity was voluntarily
26 sold and, at the time of the sale, one or more of the following existed:
 - 27 a. The employing entity was a corporation and the individual held
28 five percent (5%) or more of the outstanding shares of the voting
29 stock of the corporation.
 - 30 b. The employing entity was a partnership, limited or general, and
31 the individual was a limited or general partner.
 - 32 c. The employing entity was a proprietorship, and the individual
33 was a proprietor.

34 (g) Domestic violence. – A claimant may not be disqualified for benefits for
35 leaving work for reasons of domestic violence if the claimant reasonably believes that the
36 claimant's continued employment would jeopardize the safety of the claimant or of any
37 member of the claimant's immediate family. For the purposes of this subsection, a
38 claimant may be a victim of domestic violence if one or more of the following applies:

- 39 (1) The claimant has been adjudged an aggrieved party as set forth by
40 Chapter 50B of the General Statutes.
- 41 (2) There is evidence of domestic violence, sexual offense, or stalking.
42 Evidence of domestic violence, sexual offense, or stalking may include
43 any one or more of the following:
 - 44 a. Law enforcement, court, or federal agency records or files.

b. Documentation from a domestic violence or sexual assault program if the claimant is alleged to be a victim of domestic violence or sexual assault.

c. Documentation from a religious, medical, or other professional from whom the claimant has sought assistance in dealing with the alleged domestic violence, sexual abuse, or stalking.

(3) The claimant has been granted program participant status pursuant to G.S. 15C-4 as the result of domestic violence committed upon the claimant or upon a minor child with or in the custody of the claimant by an individual who has or has had a familial relationship with the claimant or minor child.

(h) Military Spouse. – A claimant may not be disqualified for benefits for leaving work to accompany the claimant's spouse to a new place of residence because the spouse has been reassigned from one military assignment to another.

"§ 96-19.52. Weekly certification.

(a) Requirements. – A claimant who files a valid claim and is determined by the Division to qualify for benefits must be eligible to receive those benefits for each week in the benefit period. To be eligible to receive a weekly benefit, a claimant must meet all of the following requirements for each weekly benefit period:

(1) File a claim for benefits.

(2) Report at an employment office as requested by the Division.

(3) Meet the work search requirements of subsection (b) of this section.

(b) Work Search Requirements. – A claimant is eligible to receive benefits with respect to any week only if the Division finds the claimant meets all of the following work search requirements:

(1) The individual is able to work.

(2) The individual is available to work.

(3) The individual is actively seeking work.

(4) The individual accepts suitable work when offered.

(c) Able to Work. – An individual is not able to work during any week that the individual is receiving or is applying for benefits under any other State or federal law based on the individual's temporary total or permanent total disability.

(d) Available to Work. – An individual is not available to work during any week that one or more of the following applies:

(1) The individual tests positive for a controlled substance. An individual tests positive for a controlled substance if all of the conditions of this subdivision apply. An employer must report a claimant's positive test for a controlled substance to the Division.

a. The test is a controlled substance examination administered under Article 20 of Chapter 95 of the General Statutes.

b. The test is required as a condition of hire for a job.

c. The job would be suitable work for the claimant.

(2) The individual is incarcerated or has received notice to report or is otherwise detained in any state or federal jail or penal institution. This

- subdivision does not apply to an individual who is incarcerated solely on a weekend in a county jail and who is otherwise available for work.
- (3) The individual is an alien and is not in satisfactory immigration status under the laws administered by the United States Department of Justice, Immigration and Naturalization Service.
- (e) Actively Seeking Work. – The Division's determination of whether an individual is actively seeking work is based upon the following:
- (1) The individual is registered for employment services, as required by the Division.
- (2) The individual has engaged in an active search for employment that is appropriate in light of the employment available in the labor market and the individual's skills and capabilities.
- (3) The individual has sought work on at least two different days during the week and made at least two in-person job contacts with potential employers.
- (4) The individual has maintained a record of the individual's work search efforts. The record must include the potential employers contacted, the method of contact, and the date contacted. The individual must provide the record to the Division upon request.
- (f) Suitable Work. – The Division's determination of whether an employment offer is suitable must vary based upon the individual's length of unemployment as follows:
- (1) During the first 10 weeks of a benefit period, the Division may consider the degree of risk involved to individual's health, safety, and morals; the individual's physical fitness and prior training and experience, the individual's prospects for securing local work in the individual's customary occupation, the distance of the available work from the individual's residence, and the individual's prior earnings.
- (2) During the second 10 weeks of a benefit period, the Division must consider any employment offer paying one hundred twenty percent (120%) of the individual's weekly benefit amount to be suitable work.
- (g) Job Attachment. – An individual who is partially unemployed and for whom the employer has filed an attached claim for benefits has satisfied the work search requirements for any given week in the benefit period associated with the attached claim if the Division determines the individual is available for work with the employer that filed the attached claim.
- (h) Job Training. – An individual has satisfied the work search requirements for any given week if the Division determines for that week that one or more of the following applies:
- (1) Trade Jobs for Success. – The individual is participating in the Trade Jobs for Success initiative under G.S. 143B-438.16.
- (2) Reemployment Services. – The claimant is participating in the reemployment services as directed by the Division and is actively seeking work in a manner consistent with the planned reemployment

1 services. The Division must refer a claimant to reemployment services if
2 the Division finds that the claimant would likely exhaust regular
3 benefits and need reemployment services to make a successful transition
4 to new employment.

5 (3) Vocational School or Training Program. – The claimant is attending a
6 vocational school or training program approved by the Division.

7 (i) Federal Labor Standards. – An otherwise eligible individual may not be denied
8 benefits for a given week if the Division determines that for that week the individual
9 refused to accept new work under one or more of the following conditions:

10 (1) The position offered is vacant due directly to a strike, lockout, or other
11 labor dispute.

12 (2) The remuneration, hours, or other conditions of the work offered are
13 substantially less favorable to the individual than those prevailing for
14 similar work in the locality.

15 (3) The individual would be required to join a company union or to resign
16 from or refrain from joining any bona fide labor organization as a
17 condition of employment.

18 (j) Trade Act of 1974. – An otherwise eligible individual may not be denied
19 benefits for any week because the individual is in training approved under Section
20 236(a)(1) of the Trade Act of 1974, nor may the individual be denied benefits by reason
21 of leaving work to enter such training, provided the work left is not suitable employment,
22 or because of the application to any such week in training of provisions in this law or of
23 any applicable federal unemployment compensation law, relating to availability for work,
24 active search for work, or refusal to accept work. For purposes of this subsection, the
25 term "suitable employment" means with respect to an individual, work of a substantially
26 equal or higher skill level than the individual's past adversely affected employment, as
27 defined for purposes of the Trade Act of 1974, and wages for such work at not less than
28 eighty percent (80%) of the individual's average weekly wage as determined for the
29 purposes of the Trade Act of 1974.

30 **"§ 96-19.53. Disqualification for the duration of the benefit period.**

31 (a) Duration. – A claimant who qualified to receive benefits under G.S. 96-19.50
32 may be disqualified from receiving benefits for the remaining duration of the
33 unemployment period under this section if one or more subsections of this section apply.
34 The period of disqualification under this section begins with the first day of the first week
35 after the disqualifying act occurs with respect to the week an individual files a claim for
36 benefits.

37 (b) Suitable Work. – An individual is disqualified for benefits if the Division
38 determines that the individual has failed, without good cause, to do one or more of the
39 following:

40 (1) Apply for available suitable work when so directed by the employment
41 office of the Division.

42 (2) Accept suitable work when offered.

43 (3) Return to the individual's customary self-employment when so directed
44 by the Division.

1 (c) Recall after Layoff. – An individual is disqualified for benefits if it is
2 determined by the Division that the individual is, at the time a claim is filed, unemployed
3 because the individual, without good cause attributable to the employer and after
4 receiving notice from the employer, refused to return to work for a former employer
5 under one or more of the following circumstances:

6 (1) The individual was recalled within four weeks from a layoff. As used in
7 this subsection, the term "layoff" means a temporary separation from
8 work due to no work available for the individual at the time of
9 separation from work and the individual is retained on the employee's
10 payroll and is a continuing employee subject to recall by the employer.

11 (2) The individual was recalled in any week in which the work search
12 requirements were satisfied under G.S. 96-19.52(g).

13 **"§ 96-19.54. Disqualification for receipt of benefits.**

14 (a) Failure to Meet Work Search Requirements. – A claimant is disqualified from
15 receiving benefits for any week with respect to which the individual fails to file a claim
16 and meet the work search requirements required under G.S. 96-19.52.

17 (b) Disciplinary Suspension. – A claimant is disqualified from receiving benefits
18 for any week during any part of which the Division finds that work was not available to
19 the individual because he had been placed on a bona fide disciplinary suspension by his
20 employer. To be bona fide, a disciplinary suspension must be based on acts or omissions
21 which constitute fault on the part of the employee and are connected with the work. A
22 single disciplinary suspension does not disqualify any claims week beginning after 30
23 consecutive calendar days of the suspension. If the individual is still suspended after 30
24 consecutive calendar days, the individual is considered to have been discharged from
25 work because of the acts or omissions that caused the suspension.

26 (c) Receipt of Sum from Employer. – A claimant is disqualified from receiving
27 benefits for any week with respect to which the individual has received any sum from the
28 employer pursuant to an order of any court, the National Labor Relations Board, any
29 other lawfully constituted adjudicative agency, or by private agreement, consent, or
30 arbitration for loss of pay by reason of discharge. When the amount paid by the employer
31 is in a lump sum and covers a period of more than one week, the amount paid is allocated
32 to the weeks in the period on a pro rata basis as the Division may adopt and if the amount
33 so prorated to a particular week would, if it had been earned by the claimant during that
34 week of unemployment, have resulted in a reduced benefit payment as provided in
35 G.S. 96-19.60, the claimant is entitled to receive a reduced payment if the claimant was
36 otherwise eligible.

37 Any benefits previously paid for weeks of unemployment with respect to which back
38 pay awards, or other such compensation, are made constitutes an overpayment of benefits
39 and the amount of overpayment must be deducted from the award by the employer prior
40 to payment to the employee, and transmitted within five days to the Division by the
41 employer for application against the overpayment. Any amount of overpayment deducted
42 by the employer and not transmitted to the Division, or the failure of an employer to
43 deduct an overpayment, is subject to the same procedures for collection as is provided for
44 contributions. The removal of any charges made against the employer as a result of any

1 previously paid benefits must be applied to the calendar year in which the overpayment is
2 transmitted to the Division, and no attempt will be made to relate the credit to the period
3 to which the award applies.

4 "Part 6. Benefits.

5 "§ 96-19.60. Weekly benefit amount.

6 (a) Full Weekly Benefit Amount. – The weekly benefit amount for an individual
7 who is totally unemployed is an amount equal to the wages paid to the individual in the
8 last two completed quarters of the individual's base period divided by 52 and rounded to
9 the next lower whole dollar. If this amount is less than fifteen dollars (\$15.00), the
10 individual is not eligible for benefits. The weekly benefit amount may not exceed three
11 hundred fifty dollars (\$350.00).

12 (b) Partial Weekly Benefit Amount. – The weekly benefit amount for an individual
13 who is partially unemployed or part-totally employed is a portion of the individual's
14 weekly benefit amount. The portion payable is the difference between the individual's
15 weekly benefit amount and any part of the wages or remuneration that is payable to the
16 individual for a week for which benefits are claimed and that exceeds twenty percent
17 (20%) of the individual's weekly benefit amount. If the amount so calculated is not a
18 whole dollar, the amount must be rounded to the next lower whole dollar. Payments
19 received by an individual under a supplemental benefit plan do not affect the computation
20 of the individual's partial weekly benefit.

21 (c) Retirement Deduction. – The amount of benefit payable to an individual for
22 any week that begins in a period with respect to which the individual is receiving a
23 governmental or other pension, retirement or retired pay, annuity, or any other similar
24 periodic payment that is based on the previous work of the individual must be reduced by
25 the amounts of such pension, retirement or retired pay, annuity, or other payment that is
26 reasonably attributable to such week or that is contributed to in part or in total by the
27 individual's base period employers. The amount of all payments received by an individual
28 under the Railroad Retirement Act must be deducted from the individual's benefit
29 amount. Any weekly benefit amounts reduced under this subsection must be rounded to
30 the nearest lower full dollar amount. The amount may not be reduced below zero.

31 (d) Mandatory Withholding. – The Division must withhold the following from a
32 claimant's benefits, if applicable:

33 (1) Child support obligations, as determined under G.S. 96-19.63.

34 (2) Overpayments of benefits, to the extent provided under G.S. 96-19.80.

35 (e) Voluntary Income Tax Withholding. – Unemployment compensation is subject
36 to federal and State individual income tax. A claimant may elect to have federal and State
37 income tax withheld from the claimant's weekly benefit amount as provided in this
38 subsection. The Division must follow the procedures specified by the United States
39 Department of Labor, the Internal Revenue Service, and the Department of Revenue
40 pertaining to the deducting and withholding of individual income tax. The amounts
41 deducted and withheld from unemployment compensation remain in the Unemployment
42 Insurance Fund until transferred to the appropriate taxing authority as a payment of
43 income tax. When an individual files a new claim for unemployment compensation, the
44 individual must be advised in writing at the time of filing that:

(1) Unemployment compensation is subject to federal and State individual income tax.

(2) Requirements exist pertaining to estimated tax payments.

(3) The individual may elect to have federal individual income tax deducted and withheld from the individual's payment of unemployment compensation at the amount specified in section 3402 of the Internal Revenue Code.

(4) The individual may elect to have State individual income tax deducted and withheld from the individual's payment of unemployment compensation in an amount determined by the individual.

(5) The individual may change a previously elected withholding status.

(f) Administration. – The Division must establish and maintain individual wage record accounts for each individual who earns wages in covered employment for as long as the wages would be included in a determination of benefits. If two or more deductions are made from an individual's unemployment compensation payment, then the deductions must be deducted and withheld in accordance with priorities established by the Division.

"§ 96-19.61. Duration of benefits.

(a) Total Benefit Amount. – The total amount of benefits paid to an individual may not exceed the individual's total benefit amount. The total benefit amount for an individual is determined as follows:

(1) Divide the individual's base-period wages by the average of the wages paid to the individual in the last two completed quarters of the base period.

(2) Multiplying that quotient by eight and two-thirds.

(3) Round the product to the nearest whole number.

(4) Multiply the resulting amount by the individual's weekly benefit amount as determined under G.S. 96-19.60.

(b) Duration. – The number of weeks an individual may receive benefits varies depending on the seasonal adjusted statewide unemployment rate in use at the time the regular unemployment claim is filed. The total benefits paid to an individual may not be less than the individual's average weekly benefit amount multiplied by the minimum number of weeks allowed under the table in subsection (c) of this section. The total benefits paid to an individual may not exceed the lesser of the following:

(1) The individual's average weekly benefit amount multiplied by the maximum number of weeks allowed under the table in subsection (c) of this section.

(2) The individual's total benefit allowed, as calculated under subsection (a) of this section.

(c) Unemployment Rate in Use. – The minimum and maximum number of weeks allowed for a claim filed during a six-month base period depends on the seasonal adjusted statewide unemployment rate in use for that base period. One six-month base period begins on July 1 and one six-month base period begins on January 1. For the period beginning July 1, the Division must use the most recently available seasonal adjusted unemployment rate for the State for the preceding month of April. For the base period

that begins January 1, the Division must use the most recently available seasonal adjusted unemployment rate for the preceding month of October. The seasonal adjusted unemployment rate the Division uses must be the most recent one determined by U.S. Department of Labor, Bureau of Labor Statistics; it is not the rate as revised in the annual benchmark.

<u>Seasonal Adjusted UI Rate</u>	<u>Minimum Number of Weeks</u>	<u>Maximum Number of Weeks</u>
<u>Less than or equal to 5.5%</u>	<u>5</u>	<u>12</u>
<u>Greater than 5.5% up to 6%</u>	<u>6</u>	<u>13</u>
<u>Greater than 6% up to 6.5%</u>	<u>7</u>	<u>14</u>
<u>Greater than 6.5% up to 7%</u>	<u>8</u>	<u>15</u>
<u>Greater than 7% up to 7.5%</u>	<u>9</u>	<u>16</u>
<u>Greater than 7.5% up to 8%</u>	<u>10</u>	<u>17</u>
<u>Greater than 8% up to 8.5%</u>	<u>11</u>	<u>18</u>
<u>Greater than 8.5% up to 9%</u>	<u>12</u>	<u>19</u>
<u>Greater than 9%</u>	<u>13</u>	<u>20</u>

(d) Limitation of Benefits for Business Owners. – This subsection limits the number of weeks an individual may receive benefits to the lesser of six weeks or the applicable weeks determined under this subsection (b) of this section. This subsection applies to an individual who is unemployed based on services performed for a corporation in which the individual held five percent (5%) or more of the outstanding shares of the voting stock of the corporation.

"§ 96-19.62. Services provided to an educational institution.

(a) Individuals Employed by Educational Institutions in a Professional Capacity. – This subsection applies to individuals who provide services to or on behalf of an educational institution in an instructional, research, or principal administrative capacity, regardless of whether the individual is employed by the institution or by an educational service agency. Benefits are not payable to an individual to whom this subsection applies for any week described below:

(1) Academic terms. – For any week commencing during the period between two successive academic years or terms or, when an agreement provides instead for a similar period between two regular but not successive terms, during that period, if the individual performs services in the first of the academic years or terms and there is a contract or reasonable assurance that the individual will perform services in any such capacity for any educational institution in the second of the academic years or terms.

(2) Holiday recess. – For any week commencing during an established and customary vacation period or holiday recess, and there is a reasonable assurance that the individual will perform the services in the period immediately following the vacation period or holiday recess.

(b) Individuals Employed by Educational Institutions in any other Capacity. – This subsection applies to individuals who provide services to or on behalf of an educational institution in any capacity other than a capacity described in subsection (a) of this section,

1 regardless of whether the individual is employed by the institution or by an educational
2 service agency. Benefits are not payable to an individual to whom this subsection applies
3 for any week described below:

4 (1) Academic terms. – For any week commencing during the period
5 between two successive academic years or terms or, when an agreement
6 provides instead for a similar period between two regular but not
7 successive terms, during that period, if the individual performs services
8 in the first of the academic years or terms and there is a contract or
9 reasonable assurance that the individual will perform services in any
10 such capacity for any educational institution in the second of the
11 academic years or terms. If benefits are denied to an individual under
12 this subdivision and the individual was not offered an opportunity to
13 perform such services for the educational institution for the second of
14 the academic years or terms, the individual is entitled to a retroactive
15 payment of the compensation for each week for which the individual
16 filed a timely claim for compensation and for which compensation was
17 denied solely by reason of this subdivision.

18 (2) Holiday recess. – For any week commencing during an established and
19 customary vacation period or holiday recess, and there is a reasonable
20 assurance that the individual will perform the services in the period
21 immediately following the vacation period or holiday recess.

22 (c) Educational Service Agency. – The term "educational service agency" has the
23 same meaning as defined in section 3304 of the Code.

24 **"§ 96-19.63. Professional athletes; aliens.**

25 (a) Professional Athletes. – Benefits are not payable to an individual on the basis
26 of any services, substantially all of which consist of participating in sports or athletic
27 events or training or preparing to so participate, for any week which commences during
28 the period between two successive sport seasons or periods if the individual performs
29 services in the first season or period and there is a reasonable assurance that the
30 individual will perform services in the latter season or period.

31 (b) Illegal Aliens. – Benefits are not payable to an individual on the basis of any
32 services performed by an alien unless the alien was lawfully admitted for permanent
33 residence at the time the services were performed, was lawfully present for purposes of
34 performing the services, or was permanently residing in the United States under the color
35 of law. A claimant present in the United States as a result of the application of the
36 provisions of the federal Immigration and Nationality Act is considered to be an alien
37 lawfully present in the United States.

38 Any data or information required of a claimant to determine whether or not benefits
39 are payable based upon the claimant's alien status must be uniformly required from all
40 individuals making a claim for benefits. A determination that benefits are not payable to a
41 claimant because of the claimant's alien status may be made only upon a preponderance
42 of the evidence.

43 **"§ 96-19.64. Deduction for child support obligations.**

44 (a) Definitions. – The following definitions apply in this section:

1 (1) Child support obligation. – Obligations that are being enforced pursuant
2 to a plan described in section 454 of the Social Security Act which has
3 been approved by the Secretary of Health and Human Services under
4 Part D of Title IV of the Social Security Act.

5 (2) State or local child support enforcement agency. – An agency of this
6 State or a political subdivision thereof operating pursuant to a plan
7 described in subdivision (1) of this subsection.

8 (3) Unemployment compensation. – Any compensation found by the
9 Division to be payable to an unemployed individual under the
10 Employment Security Law of North Carolina, including amounts
11 payable by the Division pursuant to an agreement under any federal law
12 providing for compensation, assistance, or allowances with respect to
13 unemployment.

14 (b) Withholding of Child Support Obligation. – An individual filing a new claim
15 for unemployment compensation shall, at the time of filing the claim, disclose whether
16 the individual owes child support obligations. If an individual discloses that he or she
17 owes child support obligations and the Division determines that the individual is eligible
18 to receive unemployment compensation, the Division shall notify the State or local child
19 support enforcement agency enforcing the child support obligation that the individual has
20 been determined to be eligible for payment of unemployment compensation. Upon
21 payment by the State or local child support enforcement agency of the processing fee in
22 subsection (c) of this section and beginning with any payment of unemployment
23 compensation that would be made to the individual during the current benefit year and
24 more than five working days after the receipt of the processing fee by the Division, the
25 Division shall deduct and withhold from any unemployment compensation otherwise
26 payable to an individual the amount of child support obligation owed. Any amount
27 deducted and withheld under this section is treated as if it were paid to the individual as
28 unemployment compensation and then paid by the individual to the State or local child
29 support enforcement agency in satisfaction of the individual's child support obligations.
30 The amount of child support obligation owed is the first applicable amount listed below:

31 (1) The amount required to be deducted and withheld from unemployment
32 compensation under a properly served legal process, as that term is
33 defined in section 462(e) of the Social Security Act.

34 (2) The amount determined pursuant to an agreement submitted to the
35 Division under section 454(20)(B)(i) of the Social Security Act by the
36 State or local child support enforcement agency.

37 (3) The amount specified by the individual to the Division to be deducted
38 and withheld.

39 (c) Agreement to Withhold. – The Department of Health and Human Services and
40 the Division may enter into one or more agreements that provide for the payment to the
41 Department of Health and Human Services of child support obligations withheld from an
42 individual's unemployment compensation benefits. The agreement may provide that these
43 payments will be made on an open account basis. The agreement must provide
44 reimbursement to the Division by the State or local child support agency for all

administrative costs incurred by the Division attributable to the requirements of this section. On or before April 1 of each year, the Division must set a schedule of processing fees applicable for the upcoming fiscal year that reflects the Division's best estimate of the administrative costs to the Division of implementing this section. The Division must forward the fee schedule to the Secretary of Health and Human Services. The Division shall begin withholding child support obligations from a recipient's unemployment compensation benefits on the date it receives a written authorization from the Department of Health and Human Services to charge the processing fee to its account with respect to the individual name in the authorization.

"Part 7. Extended Benefits.

"§ 96-19.70. Extended benefit period.

(a) Extended Benefit Period. – The State must provide an extended benefit period for a period beginning the third week after a week for which there is an "on indicator" and ends with the latter of the third week after the first week for which there is an "off indicator" or the 13th consecutive week of such period. No extended benefit period may begin before the 14th week following the end of a prior extended benefit period which was in effect with respect to this State.

(b) "On Indicator". – There is an "on indicator" for this State for a week if the Division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediate preceding 12 weeks, the rate of insured unemployment, not seasonally adjusted, under this Chapter meets both of the following conditions:

(1) Equalled or exceeded one hundred twenty percent (120%) of the average of such rates for the corresponding 13-week period ending in each of the preceding two calendar years.

(2) Equalled or exceeded five percent (5%).

(c) "Off Indicator". – There is an "off indicator" for this State for a week if the Division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment, not seasonally adjusted, under this Chapter meets at least one of the following conditions:

(1) Was less than one hundred twenty percent (120%) of the average of such rates for the corresponding 13-week period ending in each of the preceding two calendar years and was less than six percent (6%).

(2) Was less than five percent (5%).

"§ 96-19.71. Federally funded extended benefit period.

The State may only provide an extended benefit period under this section if the federal government funds one hundred percent (100%) of the costs of the extended benefits.

(1) There may be an "on indicator" for this State for a week if the Division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediate preceding 12 weeks, the rate of insured unemployment, not seasonally adjusted, under this Chapter equalled or exceeded six percent

(6%). The "off indicator" for this period is the same as provided in G.S. 96-19.70.

- (2) There may be an "on indicator" for this State for a week when the average rate of total unemployment, seasonally adjusted, as determined by the United States Secretary of Labor, for the period consisting of the most recent three months for which data for all states are published before the close of such week equals or exceeds a six and one-half percent (6.5%), and the average rate of total unemployment in the State, seasonally adjusted, as determined by the United States Secretary of Labor, for the same three-month period equals or exceeds one hundred ten percent (110%) of such average for either or both of the corresponding three-month periods ending in the two preceding calendar years. There is a State "off indicator" for a week under this subdivision, only if, for the period consisting of such week and the immediately preceding 12 weeks, the option specified in this subdivision does not result in an "on indicator".

"§ 96-19.72. Eligibility for extended benefits.

(a) Eligibility. – An individual is eligible to receive extended benefits with respect to any week of unemployment in the eligibility period only if the Division finds that with respect to such week:

- (1) The individual is an exhaustee, as defined in subsection (b) of this section.
- (2) The individual has satisfied the requirements of this Chapter for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits. For purposes of disqualification for extended benefits, the term "suitable work" means any work which is within the individual's capabilities to perform if all of the following conditions are met:
 - a. The gross average weekly remuneration payable for the work exceeds the sum of the individual's weekly extended benefit amount plus the amount, if any, of supplemental unemployment benefits, as defined in section 501(C)(17)(D) of the Code, payable to such individual for such week.
 - b. The gross wages payable for the work equal the higher of the minimum wages provided by section 6(a)(1) of the Fair Labor Standards Act of 1938 as amended (without regard to any exemption), or the State minimum wage.
 - c. The work is offered to the individual in writing and is listed with the State employment service.
 - d. The considerations contained in G.S. 96-19.53 for determining whether or not work is suitable are applied to the extent that they are not inconsistent with the specific requirements of this subdivision.

e. The individual cannot furnish evidence satisfactory to the Division that the prospects for obtaining work in the individual's customary occupation within a reasonably short period of time are good. If the individual submits evidence that the Division determines is satisfactory for this purpose, the determination of whether or not work is suitable with respect to such individual shall be made in accordance with G.S. 96-19.53 without regard to the definition contained in this subdivision.

(3) The individual has not failed either to apply for or to accept an offer of suitable work referred to the individual by an employment office of the Division, and the individual has furnished the Division with tangible evidence that the individual has actively engaged in a systematic and sustained effort to find work. If an individual is found to be ineligible under this subdivision, the individual shall be ineligible beginning with the week that the individual either failed to apply for or to accept the offer of suitable work or failed to furnish the Division with tangible evidence of being actively engaged in a systematic and sustained effort to find work. An individual determined ineligible under this subdivision remains ineligible for extended benefits until the individual has been employed in each of four subsequent weeks and has earned remuneration equal to not less than four times the individual's weekly benefit amount.

(4) An individual shall not be eligible for extended compensation unless the individual had 20 weeks of full-time insured employment, or the equivalent in insured wages, as determined by a calculation of base period wages based upon total hours worked during each quarter of the base period and the hourly wage rate for each quarter of the base period. For the purposes of this subdivision, the equivalent in insured wages shall be earnings covered by the State law for compensation purposes which exceed 40 times the individual's most recent weekly benefit amount or one and one-half times the individual's insured wages in that calendar quarter of the base period in which the individual's insured wages were the highest.

(b) Exhaustee. – The term "exhaustee" means an individual who, with respect to any week of unemployment in the individual's eligibility period meets each of the following conditions:

(1) Has received, prior to such week, all of the regular benefits that were available to the individual under this Chapter or any other State law. If the individual's benefit year has expired prior to such week, the individual does not have sufficient wages on the basis of which a new benefit year would include such week.

(2) Has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965,

1 and such other federal laws as are specified in regulations issued by the
2 United States Secretary of Labor.

3 (3) Has not received unemployment benefits under the unemployment
4 compensation law of Canada.

5 **"§ 96-19.73. Benefit Amount and Duration.**

6 (a) Weekly Extended Benefit Amount. – The weekly extended benefit amount
7 payable to an individual for a week of total unemployment in his eligibility period shall
8 be an amount equal to the weekly benefit amount payable to him during his applicable
9 benefit year. For any individual who was paid benefits during the applicable benefit year
10 in accordance with more than one weekly benefit amount, the weekly extended benefit
11 amount shall be the average of such weekly benefit amounts rounded to the nearest lower
12 full dollar amount (if not a full dollar amount). Provided, that for any week during a
13 period in which federal payments to states under Section 204 of the Federal-State
14 Extended Unemployment Compensation Act of 1970, P.L. 91-373, are reduced under an
15 order issued under Section 252 of the Balanced Budget and Emergency Deficit Control
16 Act of 1985, P.L. 99-177, the weekly extended benefit amount payable to an individual
17 for a week of total unemployment in his eligibility period shall be reduced by a
18 percentage equivalent to the percentage of the reduction in the federal payment. The
19 reduced weekly extended benefit amount, if not a full dollar amount, shall be rounded to
20 the nearest lower full dollar amount.

21 (b) Extended Benefit Duration. – Except as provided in subsection (c) of this
22 section, the total extended benefit amount payable to any eligible individual with respect
23 to his applicable benefit year is fifty percent (50%) of the total amount of regular benefits
24 which were payable to the individual under this Chapter in the applicable benefit year.

25 (c) End of Extended Benefit Payments. – If the benefit year of any individual ends
26 within an extended benefit period, the remaining balance of extended benefits that such
27 individual would be entitled to receive in that extended benefit period, with respect to
28 weeks of unemployment beginning after the end of the benefit year, shall be reduced by
29 the product of the number of weeks for which the individual received any amounts as
30 trade readjustment allowances within that benefit year, multiplied by the individual's
31 weekly benefit amount for extended benefits. This amount may not be reduced below
32 zero.

33 **"§ 96-19.74. Charging of benefits to accounts.**

34 The federal share of any extended benefits may not be charged to the account of a
35 taxpaying employer, but the State share of those benefits are chargeable to the account of
36 the taxpaying employer to the same extent regular benefits payable to the claimant are
37 chargeable to the account of that employer under G.S. 96-19.41. Any extended benefits
38 that are one hundred percent (100%) federally financed may not be charged in any
39 percentage to a taxpaying employer's account.

40 The federal and State share of extended benefits is chargeable to the account of a base
41 period employer who is a nonprofit entity, governmental entity, or Indian tribe as
42 provided in G.S. 96-19.32 and G.S. 96-19.33.

43 **"§ 96-19.75. Administration.**

1 Extended benefits must be administered in accordance with the Federal-State
2 Unemployment Compensation Act of 1970. Claims and payments of extended benefits
3 are to be administered in the same manner as regular benefits. A claimant who is filing an
4 interstate claim under the interstate benefit payment plan is eligible for extended benefits
5 for no more than two weeks when there is an "off indicator" in the state where the
6 claimant files.

7 Whenever an extended benefit period is to become effective in this State as a result of
8 an "on" indicator, or an extended benefit period is to be terminated in this State as a result
9 of an "off" indicator, the Division must make an appropriate public announcement.

7 **"§ 96-19.91. Attachment and garnishment of fraudulent overpayment.**

8 (a) Applicability. – This section applies to a claimant that has been provided
9 notice of a determination or an appeals decision finding that the claimant, or another
10 individual acting in the claimant's behalf and with the claimant's knowledge, has
11 knowingly done one or more of the following to obtain or increase a benefit or other
12 payment under this Chapter:

13 (1) Made a false statement or misrepresentation.

14 (2) Failed to disclose a material fact.

15 (b) Attachment and Garnishment. – Intangible property that belongs to a claimant,
16 is owed to a claimant, or has been transferred by a claimant under circumstances that
17 would permit it to be levied upon if it were tangible property is subject to attachment and
18 garnishment in payment of a fraudulent overpayment that is due from the claimant and is
19 collectible under this Article. Intangible personal property includes bank deposits, rent,
20 salaries, wages, property held in the Escheat Fund, and any other property incapable of
21 manual levy or delivery.

22 A person who is in possession of intangible property that is subject to attachment and
23 garnishment is the garnishee and is liable for the amount the claimant owes. The liability
24 applies only to the amount of the claimant's property in the garnishee's possession,
25 reduced by any amount the claimant owes the garnishee.

26 The Secretary may submit to a financial institution, as defined in G.S. 53B-2,
27 information that identifies a claimant who owes a fraudulent overpayment that is
28 collectible under this section and the amount of the overpayment. The Secretary may
29 submit the information on a quarterly basis or, with the agreement of the financial
30 institution, on a more frequent basis. A financial institution that receives the information
31 must determine the amount, if any, of intangible property it holds that belongs to the
32 claimant and must inform the Secretary of its determination. The Secretary must
33 reimburse a financial institution for its costs in providing the information, not to exceed
34 the amount payable to the financial institution under G.S. 110-139 for providing
35 information for use in locating a noncustodial parent.

36 No more than ten percent (10%) of a claimant's wages or salary is subject to
37 attachment and garnishment. The wages or salary of an employee of the United States,
38 the State, or a political subdivision of the State are subject to attachment and
39 garnishment.

40 (c) Notice. – Before the Department attaches and garnishes intangible property in
41 payment of a fraudulent overpayment, the Department must send the garnishee a notice
42 of garnishment. The notice must be sent either in person, by certified mail with a return
43 receipt requested, or with the agreement of the garnishee, by electronic means. The notice
44 must contain all of the following information:

1 (1) The claimant's name.

2 (2) The claimant's social security number or federal identification number.

3 (3) The amount of fraudulent overpaid benefits the claimant owes.

4 (4) An explanation of the liability of a garnishee for fraudulent
5 overpayment of unemployment insurance benefits owed by an overpaid
6 claimant.

7 (5) An explanation of the garnishee's responsibility concerning the notice.

8 (d) Action. – A garnishee must comply with a notice of garnishment or file a
9 written response to the notice within the time set in this subsection. A garnishee that is a
10 financial institution must comply or file a response within 20 days after receiving a notice
11 of garnishment. All other garnishees must comply or file a response within 30 days after
12 receiving a notice of garnishment. A written response must explain why the garnishee is
13 not subject to garnishment and attachment.

14 Upon receipt of a written response, the Department must contact the garnishee and
15 schedule a conference to discuss the response or inform the garnishee of the Department's
16 position concerning the response. If the Department does not agree with the garnishee on
17 the garnishee's liability, the Department may proceed to enforce the garnishee's liability
18 for the fraudulent overpayment of unemployment benefits by civil action.

19 (e) Release. – A notice of garnishment sent to a financial institution is released
20 when the financial institution complies with the notice. A notice of garnishment sent to
21 all other garnishees is released when the Department sends the garnishee a notice of
22 release. A notice of release must state the name and social security number or federal
23 identification number of the taxpayer to whom the release applies.

24 **"§ 96-19.92. Enforcement of Employment Security Law discontinued upon repeal**
25 **or invalidation of federal acts; suspension of enforcement provisions**
26 **contested.**

27 (a) It is the purpose of this Chapter to secure for employers and employees the
28 benefits of Title III and Title IX of the Federal Social Security Act, approved August 14,
29 1935, as to credit on payment of federal taxes, of State contributions, the receipt of
30 federal grants for administrative purposes, and all other provisions of the said Federal
31 Social Security Act; and it is intended as a policy of the State that this Chapter and its
32 requirements for contributions by employers shall continue in force only so long as such
33 employers are required to pay the federal taxes imposed in said Federal Social Security
34 Act by a valid act of Congress. Therefore, if Title III and Title IX of the said Federal
35 Social Security Act shall be declared invalid by the United States Supreme Court, or if
36 such law be repealed by congressional action so that the federal tax cannot be further
37 levied, from and after the declaration of such invalidity by the United States Supreme
38 Court, or the repeal of said law by congressional action, as the case may be, no further
39 levy or collection of contributions shall be made hereunder. The enactment by the
40 Congress of the United States of the Railroad Retirement Act and the Railroad
41 Unemployment Insurance Act shall in no way affect the administration of this law except
42 as herein expressly provided.

43 All federal grants and all contributions theretofore collected, and all funds in the
44 treasury by virtue of this Chapter, shall, nevertheless, be disbursed and expended, as far

1 as may be possible, under the terms of this Chapter: Provided, however, that
2 contributions already due from any employer shall be collected and paid into the said
3 fund, subject to such distribution; and provided further, that the personnel of the Division
4 of Employment Security shall be reduced as rapidly as possible.

5 The funds remaining available for use by the Division of Employment Security shall
6 be expended, as necessary, in making payment of all such awards as have been made and
7 are fully approved at the date aforesaid, and the payment of the necessary costs for the
8 further administration of this Chapter, and the final settlement of all affairs connected
9 with same. After complete payment of all administrative costs and full payment of all
10 awards made as aforesaid, any and all moneys remaining to the credit of any employer
11 shall be refunded to such employer, or his duly authorized assignee: Provided, that the
12 State employment service, created by Chapter 106, Public Laws of 1935, and transferred
13 by Chapter 1, Public Laws of 1936, Extra Session, and made a part of the former
14 Employment Security Commission of North Carolina, and that is now part of the
15 Division of Employment Security of the North Carolina Department of Commerce, shall
16 in such event return to and have the same status as it had prior to enactment of Chapter 1,
17 Public Laws of 1936, Extra Session, and under authority of Chapter 106, Public Laws of
18 1935, shall carry on the duties therein prescribed; but, pending a final settlement of the
19 affairs of the Division, the said State employment service shall render such service in
20 connection therewith as shall be demanded or required under the provisions of this
21 Chapter or the provisions of Chapter 1, Public Laws of 1936, Extra Session.

22 (b) The Division of Employment Security may, upon receiving notification from
23 the U.S. Department of Labor that any provision of this Chapter is out of conformity with
24 the requirements of the federal law or of the U.S. Department of Labor, suspend the
25 enforcement of the contested section or provision until the North Carolina Legislature
26 next has an opportunity to make changes in the North Carolina law. The Division shall, in
27 order to implement the above suspension:

- 28 (1) Notify the Governor's office and provide that office with a copy of the
29 determination or notification of the U.S. Department of Labor;
- 30 (2) Advise the Governor's office as to whether the contested portion or
31 provision of the law would, if not enforced, so seriously hamper the
32 operations of the agency as to make it advisable that a special session of
33 the legislature be called;
- 34 (3) Take all reasonable steps available to obtain a reprieve from the
35 implementation of any federal conformity failure sanctions until the
36 State legislature has been afforded an opportunity to consider the
37 existing conflict."

38 **SECTION 5.(b)** G.S. 96-19.30 and G.S. 96-19.31, as enacted by subsection
39 (a) of this section, become effective January 1, 2014, and apply to taxable years
40 beginning on or after that date. The remainder of subsection (a) of this section becomes
41 effective July 1, 2013, and applies to claims for benefits filed on or after that date. The
42 remainder of this section is effective when it becomes law.

43 **SECTION 6.(a)** G.S. 96-4 reads as rewritten:

1 **"§ 96-4. Administration; powers and duties of the Assistant Secretary; Board of**
2 **Review.**

3 ...

4 (b) Board of Review. – The Governor shall appoint a three-person Board of

6 decisions and determinations of the ~~Employment Security Section and the Employment~~
7 ~~Insurance Section.~~Division of Employment Security. The Board of Review shall be
8 comprised of one member representing employers, one member representing employees,
9 and one member representing the general public. Members of the Board of Review are
10 subject to confirmation by the General Assembly and shall serve four-year terms. The
11 member appointed to represent the general public shall serve as chair of the Board of
12 Review and shall be a licensed attorney. The annual salaries of the Board of Review shall
13 be set by the General Assembly in the current Operations Appropriations Act. The Board
14 of Review shall exercise its decision-making processes independent of the Governor, the
15 General Assembly, the Department of Commerce, and the Division of Employment
16 Security.

17 ...

18 (i) Records and Reports. –

19 (1) Each employing unit shall keep true and accurate employment records,
20 containing such information as the Division may prescribe. The records
21 shall be open to inspection and be subject to being copied by the
22 Division or its authorized representatives at any reasonable time and as
23 often as may be necessary. Any employing unit doing business in North
24 Carolina shall make available in this State to the Division, such
25 information with respect to persons, firms, or other employing units
26 performing services for it which the Secretary deems necessary in
27 connection with the administration of this Chapter. The Division may
28 require from any employing unit any sworn or unsworn reports, with
29 respect to persons employed by it, which the Secretary deems necessary
30 for the effective administration of this ~~Chapter.~~Chapter, including the
31 employer's quarterly tax and wage report containing the name, social
32 security number, and gross wages of persons employed during that
33 quarter.

34 (2) If the Division finds that any employer has failed to file any report or
35 return required by this Chapter or any regulation made pursuant hereto,
36 or has filed a report which the Division finds incorrect or insufficient,
37 the Division may make an estimate of the information required from
38 such employer on the basis of the best evidence reasonably available to
39 it at the time, and make, upon the basis of such estimate, a report or
40 return on behalf of such employer, and the report or return so made shall
41 be deemed to be prima facie correct, and the Division may make an
42 assessment based upon such report and proceed to collect contributions
43 due thereon in the manner as set forth in G.S. 96-10(b) of this Chapter:
44 Provided, however, that no such report or return shall be made until the

1 employer has first been given at least 10 days' notice by registered mail
2 to the last known address of such employer: Provided further, that no
3 such report or return shall be used as a basis in determining whether
4 such employing unit is an employer within the meaning of this Chapter.

5 ...

6 (q) The ~~Division Board of Review~~ after due notice shall have the right and power
7 to hold and conduct hearings for the purpose of determining the rights, status and
8 liabilities of any "employing unit" or "employer" as said terms are defined by
9 ~~G.S. 96-8(4) and 96-8(5) and subdivisions thereunder, in Article 2A of this Chapter.~~ The
10 ~~Division Board of Review~~ shall have the power and authority to determine any and all
11 questions and issues of fact or questions of law that may arise under the Employment
12 Security Law that may affect the rights, liabilities and status of any employing unit or
13 employer as heretofore defined by the Employment Security Law including the right to
14 determine the amount of contributions, if any, which may be due the Division of
15 Employment Security by any employer. Hearings may be before the Board of Review ~~or~~
16 ~~the Division~~ and shall be held in the central office of the ~~Division Board of Review~~ or at
17 any other designated place within the State. They shall be open to the public and shall
18 consist of a review of the evidence taken by a hearing officer designated by the Board of
19 Review and a determination of the law applicable to that evidence. The ~~Division Board of~~
20 Review shall provide for the taking of evidence by a hearing ~~officer, officer employed in~~
21 the capacity of an attorney by the Department of Commerce. Such hearing officer shall
22 have the same power to issue subpoenas, administer oaths, conduct hearings and take
23 evidence as is possessed by the ~~Division Board~~ and such hearings shall be recorded, and
24 he shall transmit all testimony and records of such hearings to the Board of Review ~~or~~
25 ~~Division~~ for its determination. All such hearings conducted by such hearing officer shall
26 be scheduled and held in any county in this State in which the employing unit or
27 employer either resides, maintains a place of business, or conducts business; however, the
28 Board of Review ~~or Division~~ may require additional testimony at any hearings held by it
29 at its office. From all decisions or determinations made by the ~~Assistant Secretary or the~~
30 Board of Review, any party affected thereby shall be entitled to an appeal to the superior
31 court. Before a party shall be allowed to appeal, the party shall within 10 days after notice
32 of such decision or determination, file with the Board of Review exceptions to the
33 decision or the determination, which exceptions will state the grounds of objection to the
34 decision or determination. If any one of the exceptions shall be overruled then the party
35 may appeal from the order overruling the exceptions, and shall, within 10 days after the
36 decision overruling the exceptions, give notice of ~~his~~ its appeal. When an exception is
37 made to the facts as found by the Board of Review, the appeal shall be to the superior
38 court in term time but the decision or determination of the ~~Division Board of Review~~
39 upon such review in the superior court shall be conclusive and binding as to all questions
40 of fact supported by any competent evidence. When an exception is made to any rulings
41 of law, as determined by the Board of Review, the appeal shall be to the judge of the
42 superior court at chambers. The party appealing shall, within 10 days after the notice of
43 appeal has been served, file with the Board of Review exceptions to the decision or
44 determination overruling the exception which statement shall assign the errors

1 complained of and the grounds of the appeal. Upon the filing of such statement the Board
2 of Review shall, within 30 days, transmit all the papers and evidence considered by it,
3 together with the assignments of errors filed by the appellant to a judge of the superior
4 court holding court or residing in some district in which such appellant either resides,
5 maintains a place of business or conducts business, or, unless the appellant objects after
6 being given reasonable opportunity to object, to a judge of the Superior Court of Wake
7 County: Provided, however, the 30-day period specified herein may be extended by
8 agreement of parties.

9 (r) The cause shall be entitled "State of North Carolina on Relationship of the
10 [Division of Employment Security, Board of Review](#), Department of Commerce, of North
11 Carolina against (here insert name of appellant)," and if there are exceptions to any facts

13 and shall have precedence over other civil actions except those described in
14 G.S. 96-10(b), and such cause shall be tried under such rules and regulations as are
15 prescribed for the trial of other civil causes. By consent of all parties the appeal may be
16 held and determined at chambers before any judge of a district in which the appellant
17 either resides, maintains a place of business or conducts business, or said appeal may be
18 heard before any judge holding court therein, or in any district in which the appellant
19 either resides, maintains a place of business or conducts business. Either party may
20 appeal to the appellate division from the judgment of the superior court under the same
21 rules and regulations as are prescribed by law for appeals, except that if an appeal shall
22 be taken on behalf of the Department of Commerce, it shall not be required to give any
23 undertaking or make any deposit to secure the cost of such appeal and such court may
24 advance the cause on its docket so as to give the same a speedy hearing.

25 (s) The decision or determination of the [Division Board of Review](#) when docketed
26 in the office of the clerk of the superior court of any county and when properly indexed
27 and cross-indexed shall have the same force and effect as a judgment rendered by the
28 superior court, and if it shall be adjudged in the decision or determination of the [Division](#)
29 [Board of Review](#) that any employer is indebted to the Division [of Employment Security](#)
30 for contributions, penalties and interest or either of the same, then said judgment shall
31 constitute a lien upon any realty owned by said employer in the county only from the date
32 of docketing of such decision or determination in the office of the clerk of the superior
33 court and upon personalty owned by said employer in said county only from the date of
34 levy on such personalty, and upon the execution thereon no homestead or personal
35 property exemptions shall be allowed; provided, that nothing herein shall affect any
36 rights accruing to the Division [of Employment Security](#) under G.S. 96-10. The provisions
37 of this section, however, shall not have the effect of releasing any liens for contributions,
38 penalties or interest, or either of the same, imposed by other law, nor shall they have the
39 effect of postponing the payment of said contributions, penalties or interest, or depriving
40 the Division of Employment Security of any priority in order of payment provided in any
41 other statute under which payment of the said contributions, penalties and interest or
42 either of the same may be required. The superior court or any appellate court shall have
43 full power and authority to issue any and all executions, orders, decrees, or writs that may
44 be necessary to carry out the terms of said decision or determination of the Division or to

1 collect any amount of contribution, penalty or interest adjudged to be due the Division by
2 said decision or determination. In case of an appeal from any decision or determination of
3 the Division to the superior court or from any judgment of the superior court to the
4 appellate division all proceedings to enforce said judgment, decision, or determination
5 shall be stayed until final determination of such appeal but no proceedings for the
6 collection of any amount of contribution, penalty or interest due on same shall be
7 suspended or stayed unless the employer or party adjudged to pay the same shall file with
8 the clerk of the superior court a bond in such amount not exceeding double the amount of
9 contribution, penalty, interest or amount due and with such sureties as the clerk of the
10 superior court deems necessary conditioned upon the payment of the contribution,
11 penalty, interest or amount due when the appeal shall be finally decided or terminated.

28 section is presumed to be the best method of determining the portion of the corporation's
29 income that is attributable to its business in this State. A corporation has the burden of
30 establishing by clear, cogent, and convincing proof that the proposed alternative method
31 is a better method of determining the amount of the corporation's income attributable to
32 the corporation's business in this State.

33 The Secretary must issue a written decision on a corporation's request for an
34 alternative apportionment method. If the decision grants the request, it must describe the

5 of retirement, was permanently and totally disabled, and (iii) claims a federal income tax
6 credit under section 22 of the Code for the taxable year, is allowed as a credit against the
7 tax imposed by this Part an amount equal to one-third of the amount of the federal
8 income tax credit for which the taxpayer is eligible under section 22 of the Code.

9 (b) Disabled Dependent. – If a dependent or spouse for whom a taxpayer is
10 allowed an exemption under the Code is permanently and totally disabled, the taxpayer is
11 allowed a credit against the tax imposed by this Part. In order to claim the credit allowed
12 by this subsection, the taxpayer must attach to the tax return on which the credit is
13 claimed a statement from a physician or local health department certifying that the
14 dependent or spouse for whom the credit is claimed is permanently and totally disabled,
15 as defined in this section. The amount of the credit allowed ~~shall be~~ is determined as
16 follows: For a taxpayer whose North Carolina ~~adjusted gross taxable~~ income does not
17 exceed the appropriate income amount provided in the table below, based on the
18 taxpayer's filing status, the credit allowed is the appropriate initial credit provided in the
19 table below. For a taxpayer whose North Carolina ~~adjusted gross taxable~~ income does
20 exceed the appropriate income amount, the credit allowed is the appropriate initial credit
21 reduced by four dollars (\$4.00) for every one thousand dollars (\$1,000) by which the
22 taxpayer's North Carolina ~~adjusted gross taxable~~ income exceeds the appropriate income
23 amount.

27 purchaser acquires the property the property is designated for the
28 purchaser's use outside the State and the purchaser subsequently
29 takes it outside the State and uses it solely outside the State.

30 b. When the purchaser acquires the property to process, fabricate,
31 manufacture, or otherwise incorporate it into or attach it to other

40 **SECTION 9.** G.S. 105-164.4(a)(3) reads as rewritten:

1 "(3) A tax at the general rate applies to the gross receipts derived from the
2 rental of an accommodation. The tax does not apply to (i) a private
3 residence or cottage that is rented for fewer than 15 days in a calendar
4 year; (ii) an accommodation rented to the same person for a period of 90
5 or more continuous days; or (iii) an accommodation arranged or
6 provided to a person by a school, camp, or similar entity where a tuition
7 or fee is charged to the person for enrollment in the school, camp, or
8 similar entity.

9 Gross receipts derived from the rental of an accommodation include
10 the sales price of the rental of the accommodation. The sales price of the
11 rental of an accommodation is determined as if the rental were a rental
12 of tangible personal property. The sales price of the rental of an
13 accommodation marketed by a facilitator includes charges designated as
14 facilitation fees and any other charges necessary to complete the rental.

15 A person who provides an accommodation that is offered for rent is
16 considered a retailer under this Article. A facilitator must report to the
17 retailer with whom it has a contract the sales price a consumer pays to
18 the facilitator for an accommodation rental marketed by the facilitator.
19 A retailer must notify a facilitator when an accommodation rental
20 marketed by the facilitator is completed ~~and, within three business days~~
21 ~~of receiving the notice, and~~ the facilitator must send the retailer the
22 portion of the sales price the facilitator owes the retailer and the tax due
23 on the sales ~~price.~~ price no later than 10 days after the end of each
24 calendar month. A facilitator that does not send the retailer the tax due
25 on the sales price is liable for the amount of tax the facilitator fails to
26 send. A facilitator is not liable for tax sent to a retailer but not remitted
27 by the retailer to the Secretary. Tax payments received by a retailer from
28 a facilitator are held in trust by the retailer for remittance to the
29 Secretary. A retailer that receives a tax payment from a facilitator must
30 remit the amount received to the Secretary. A retailer is not liable for
31 tax due but not received from a facilitator. The requirements imposed by
32 this subdivision on a retailer and a facilitator are considered terms of the
33 contract between the retailer and the facilitator.

34 A person who, by written contract, agrees to be the rental agent for
35 the provider of an accommodation is considered a retailer under this
36 Article and is liable for the tax imposed by this subdivision. The
37 liability of a rental agent for the tax imposed by this subdivision relieves
38 the provider of the accommodation from liability. A rental agent
39 includes a real estate broker, as defined in G.S. 93A-2.

40 The following definitions apply in this subdivision:

- 1 a. Accommodation. – A hotel room, a motel room, a residence, a
2 cottage, or a similar lodging facility for occupancy by an
3 individual.
4 b. Facilitator. – A person who is not a rental agent and who
5 contracts with a provider of an accommodation to market the
6 accommodation and to accept payment from the consumer for the
7 accommodation."

8 **SECTION 10.** G.S. 105-164.6(c) reads as rewritten:

9 "(c) Credit. – A credit is allowed against the tax imposed by this section for the
10 following:

- 11 (1) The amount of sales or use tax paid on the item to this ~~State.~~State,
12 provided the tax is stated and charged separately on the invoices or
13 other documents of the retailer given to the purchaser at the time of the
14 sale, except as otherwise provided in G.S. 105-164.7, or provided the
15 retailer remitted the tax subsequent to the sale and the purchaser obtains
16 such documentation. Payment of sales or use tax to this State on an item
17 by a retailer extinguishes the liability of a purchaser for the tax imposed
18 under this section.
19 (2) The amount of sales or use tax due and paid on the item to another state.
20 If the amount of tax paid to the other state is less than the amount of tax
21 imposed by this section, the difference is payable to this State. The
22 credit allowed by this subdivision does not apply to tax paid to a state
23 that does not grant a similar credit for sales or use taxes paid in North
24 Carolina."

25 **SECTION 11.** G.S. 105-164.13 reads as rewritten:

26 **"§ 105-164.13. Retail sales and use tax.**

27 The sale at retail and the use, storage, or consumption in this State of the following
28 tangible personal property, digital property, and services are specifically exempted from
29 the tax imposed by this Article:

30 ...

- 31 (33a) Tangible personal property sold by a retailer to a purchaser ~~within or~~
32 ~~without~~inside or outside this State, when the property is delivered by the
33 retailer in this State to a common carrier or to the United States Postal
34 Service for delivery to the purchaser or the purchaser's designees
35 outside this State and the purchaser does not subsequently use the
36 property in this State. This exemption includes printed material sold by
37 a retailer to a purchaser inside or outside this State when the printed
38 material is delivered directly to a mailing house, or to a common carrier,
39 or to the United States Postal Service for delivery to a mailing house in
40 this State that will preaddress and presort the material and deliver it to a

1 common carrier or to the United States Postal Service for delivery to
2 recipients outside this State designated by the purchaser.

3 ...
4 (43a) Computer software that meets any of the following descriptions:

- 5 a. It is ~~designed~~purchased to run on an enterprise server operating
6 system. The exemption includes a purchase or license of
7 computer software for high-volume, simultaneous use on
8 multiple computers, that is housed or maintained on an enterprise
9 server or end users' computers. The exemption includes software
10 designed to run a computer system, an operating program, or
11 application software.
12 b. It is sold to a person who operates a datacenter and is used within
13 the datacenter.
14 c. It is sold to a person who provides cable service,
15 telecommunications service, or video programming and is used
16 to provide ancillary service, cable service, Internet access
17 service, telecommunications service, or video programming.

19 **SECTION 12.** G.S. 105-164.14(b) reads as rewritten:

21 semiannual refund of sales and use taxes paid by it under this Article on direct purchases
22 of tangible personal property and services, other than electricity, telecommunications
23 service, and ancillary service, for use in carrying on the work of the nonprofit entity.
24 Sales and use tax liability indirectly incurred by a nonprofit entity on building materials,

28 considered a sales or use tax liability incurred on direct purchases by the nonprofit entity.
29 A request for a refund must be in writing and must include any information and
30 documentation required by the Secretary. A request for a refund for the first six months
31 of a calendar year is due the following October 15; a request for a refund for the second
32 six months of a calendar year is due the following April 15.

SECTION 13. G.S. 105-164.27A(a) reads as rewritten:

"(a) General. – A general direct pay permit authorizes its holder to purchase any tangible personal property, digital property, or service without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the permit holder. 28 bond amount based on the anticipated tax liability of the distributor. The Secretary shall
29 periodically review the sufficiency of bonds required of the distributor and shall increase
30 the amount of a required bond if the bond amount no longer covers the anticipated tax
31 liability of the distributor. The Secretary shall decrease the amount of a required bond if
32 the Secretary finds that a lower bond amount will protect the State adequately from loss.
33 For purposes of this section, a bond may also include an irrevocable letter of credit."

Bill Draft 2013-SVxz-3: Rev Laws Technical, Clarifying, & Admin. Chg .

2011-2012 General Assembly

Committee: Revenue Laws Study Committee
Introduced by:
Analysis of: 2013-SVxz-3

Date: December 4, 2012
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *This legislative proposal includes several technical, administrative, and clarifying changes to the revenue laws and related statutes, most of which have been requested by the Department of Revenue.*

EFFECTIVE DATE: Except as otherwise provided, this act would become effective when it becomes law.

BILL ANALYSIS:

Section	Explanation
1	Corrects several references to "reports and statements" where there is no longer a requirement to submit a statement and substitutes the more appropriate term "return." Also replaces "make" or "making" a return with "file" or "filing." Makes other grammatical and stylistic changes to conform to drafting conventions.
2	Deletes a statutory reference due to repeal of another subsection. ¹
3	Corrects reference to period of underpayment to reflect the change in the due date of the corporate return from the third month (March 15) to the fourth month (April 15).
4	Corrects reference to the proper carryforward period under Article 3J when a taxpayer fails to qualify for an extended carryforward period due to a large investment. ²

¹ In S.L. 2010-89, the General Assembly provided an alternative apportionment formula for a corporation that signed a letter of commitment by September 15, 2010, certifying that it planned to invest at least \$500 million in private funds to construct a facility in a development tier one area. No company signed such a letter. The General Assembly enacted the provision at the request of Microsoft; Microsoft announced in August of 2010 that it would be locating in Virginia. Since the alternative apportionment formula provided in G.S. 105-130.4(t2) and G.S. 105-122(c1)(3) was no longer needed, the General Assembly repealed those provision in S.L. 2011-330, s. 5. Therefore, the references to the repealed subdivisions in G.S. 105-122(c1)(2) and G.S. 105-130.4(t1) should be deleted.

² The Article 3J credits for creating jobs and for investing in business property have a 5-year carryforward period and the credit for investing in real property has a 15-year carryforward period. S.L. 2012-74 temporarily allows for

5	Makes technical corrections related to the shift from taxable income to AGI as the starting point for determining NC taxable income. ³
6	Ensures that relevant transitional adjustments under G.S. 105-134.7 are retained by adding them to G.S. 105-134.6 with corresponding changes throughout.
7	Clarifies the method for determining the amount of credit that a taxpayer is eligible for under the credit for the disabled. The amount of the credit depends on whether a taxpayer's "North Carolina adjusted gross income" is greater than or less than a threshold income amount set out in the statute. However, the definition of "North Carolina Adjusted Gross Income" is unclear. The Department has interpreted the term to mean North Carolina taxable income with the additions of the personal exemptions, the standard deduction (or federal itemized deductions), and some of the adjustments in G.S. 105-134.6(d). The term becomes even more unclear now that the starting point for determining NC taxable income has been changed to AGI. Changing "North Carolina AGI" to "NC taxable income" closely parallels how the Department has been interpreting this credit.
8	Amends definitions related to the Streamlined Agreement and adjusts the definition of 'storage' to clarify that the purchaser must know the original purpose and location where items will be used at the time of purchase.
9	Amends the facilitator reporting requirements to recognize various business practices and recordkeeping by facilitators. The Department was advised that some facilitators provide a credit card number for use by the hotelier before, during, or after the rental of accommodations.
10	Clarifies that a credit is allowed for use tax if the tax is shown on the invoice or other documentation issued by the retailer.
11	Clarifies that the sales and use tax exemption for tangible personal property delivered by the retailer for use outside the State applies to certain printed material. This exemption was adjusted during the 2011 Session at the request of the Department to add "by the retailer." However, additional adjustments are needed to retain the exemption for printed material that is not delivered by the retailer to the United States Postal Service or that is not purchased with a direct pay permit. ⁴

a 20-year carryforward period under Article 3J for a taxpayer who makes an investment of \$100 million in business and real property in a tier one county.

³ Section 31A.1 of S.L. 2001-145 changed the starting point for calculating NC taxable income from federal taxable income to federal adjusted gross income. This change did not change the tax base or increase NC tax in any way.

⁴ The proposed language tracks the language that is in Sales and Use Tax Bulletin 7.

	Amends the exemption for computer software "designed to run on an enterprise server operating system." The inclusion of the term "designed" has been problematic. The Department issued an "Important Notice" in February 2010 in an attempt to further clarify this issue. At issue are products that are designed but may not be run on an enterprise server operating system. It is burdensome for the Department to attempt to determine if the products meet the "designed" requirement.
12	Clarifies that a single member LLC that is disregarded for federal income tax purposes qualifies for a refund if the owner of the single member LLC is a 501(c)(3) and the LLC engages in qualifying activities. Replaces the term "medicines" with "over-the-counter drugs" in the statute that permits a refund of sales and use taxes to nonprofit entities and hospitals.
13	Ensures that statute is consistent with the Sales and Use Tax Technical Bulletin Section 46-1 E., which provides that the issuance of a direct pay permit to avoid payment of State and local sales taxes levied on hotel accommodations is a prohibited use.
14	Repeals G.S. 105-164.35, which authorizes the Secretary to recompute sales and use tax if, after examining a return, he determines the correct amount of tax is greater or less than the amount shown on the return and to credit or refund excessive payments. This statute, which is specific to sales and use tax, is unnecessary because G.S. 105-241.7 gives the Secretary this authority for all tax types.
15	Provides liability relief to retailers for erroneous information provided by the Department regarding the taxability of certain items or insufficient notice regarding a sales tax rate change as required by the Streamlined Agreement.
16	Clarifies that the 1%/\$80 privilege tax rate applies at a plant regardless of the overall industry of the taxpayer and to clarify that items must be produced for sale.
17	Clarifies that the credit allowed under Article 5F for similar tax paid to another state also applies to sales and use tax paid in this State and not just paid to another state.
18	Corrects references to Department Divisions based on reorganization. Adds various forms of identity theft to the subject matter jurisdiction of revenue law enforcement officers. Generally speaking, revenue law enforcement officers have the authority to serve and execute notices, orders, warrants, and demands, have full powers of arrest, and must be certified as criminal justice officers.

19	Clarifies that penalties and interest that accrue for a business entity are transferrable to a responsible person. The Department has received questions where the sales tax was collected, but a representative argues that the penalty and interest due on the collection at the entity level should not be transferred to the responsible person. This issue was recently addressed in Final Agency Decision issued September 18, 2012.
20	Deletes obsolete provision. The Secretary no longer makes a final agency decision in contested tax cases. Substantive final decisions are published on the OAH website.
21	Modifies the circumstances under which the Department may share information with law enforcement agencies. On occasion, the Department has shared information with the IRS or another taxing jurisdiction under G.S. 105-259(b)(3) that is connected to a criminal investigation. However, some of the information shared may be information that is not “discovered” in the course of the investigation (i.e. audits that occurred prior to the criminal investigation that led the Department to initiate the criminal investigation). While those records may be shared with other taxing agencies (i.e. the IRS) under (b)(3), there may not be specific authorization to share the information with prosecutors (i.e. the US Attorney) who later are working on the criminal case. In addition, the change gets rid of awkward language regarding who may receive the information. The Department has agreements with all agencies with whom it is allowed to share information listing the specific individuals allowed to receive the information. A literal reading of the current language would allow the Department to share the info only with the head of the agency. It clarifies that a prosecutorial agency is a law enforcement agency. Finally, it allows the share of information with local law enforcement or law enforcement from another state.
22	Conforms payment for TIMS to current practice. The language in the 2012-13 budget bill differed from standard practice used by DOR since the beginning of benefits funding for the project. Technically, OSBM authorizes DOR to make purchases rather than making those purchases itself.
23	Modifies the circumstances under which the Department may share information regarding the unauthorized substances tax. The current restriction on disclosure could prevent Department employees from sharing information in situations that do not present concerns about Constitutional protections for criminal defendants like double jeopardy or self-incrimination such as: • A prosecutor investigates allegations of law enforcement unlawfully seizing property from specific individuals. Law enforcement personnel report the property has been turned over the Department to

	satisfy a tax debt. • A prosecutor requests information from the Department in order to satisfy his obligation to provide the defendant in a criminal case with potentially exculpatory information. • A Department employee serving a tax warrant witnesses a crime committed by the taxpayer against a third party.
24	Subsection (a) clarifies the procedure and requirements for obtaining a license for the distribution of tobacco products and provides the Department with specific guidance as to when a license may be denied. This subsection also requires the Department to include certain information on the face of each license, and directs the Department to keep a record of license holders that may be provided to other license holders upon request. Subsection (b) clarifies the violations for which the Secretary, after a hearing, may cancel a license for the distribution of tobacco products. Subsection (c) clarifies a distributor of cigarettes may provide security to the Secretary in the form of an irrevocable letter of credit as an alternative to a bond. This subsection also deletes a redundant provision for investigation of license applicants.
25	Makes changes to the sourcing of direct mail to comply with Streamlined requirements. Under current law, direct mail is sourced to the location from which it is shipped unless it was purchased using a direct pay permit or the purchaser provides the seller with information showing the jurisdictions to which the mail is to be delivered. In those instances, the mail is sourced to the delivery location. Under the Streamlined Agreement, direct mail categorized into "advertising and promotional direct mail" and "other direct mail." The current law as stated above is accurate except that "other direct mail" (direct mail other than advertising and promotional direct mail) should be sourced to the purchaser's address available from the seller's business records if the mail is not purchased using a direct pay permit or if the purchaser does not provide the seller with jurisdictional delivery information.

26	Removes the sunset on recent changes to certain fees collected by the register of deeds. S.L. 2011-296 changed the fees collected by register of deeds for the purpose of simplifying their collection and remittance. The provision included a July 1, 2013 sunset to determine whether the changes were easy to administer and to ensure that the registers of deeds were satisfied with the change. The provision was modified in 2012 to clarify confusion that some registers of deeds had regarding how to apply the new fee applicable to subsequent instruments that contain references to multiple recorded documents, such as cancellations of multiple deeds of trust or substitution of trustee in multiple documents.
