1) Some companies have received multiple JDIG grants. Total retention does not take multiple grants into account.

2) Some companies have received a JDIG and One NC for the same project. Jobs and investment are on both JDIG and 1NC reports. These companies are identified in yellow.

3) Jobs and investment has not been reduced for companies that have defaulted.

4) Grants with a zero remaining liability are terminated or withdrawn.

5) Actual job creation is reported beginning in the Grantees first year of eligibility for payment.
