City of Charlotte, North Carolina Public Facilities and General Governmental Equipment Financing

In accordance with N.C. Gen. Stat. §120-157.2(a) (the "*Statute*"), the City of Charlotte, North Carolina (the "*City*") hereby notifies you of its intent to enter into an installment financing contract (the "*Contract*") with New Charlotte Corporation (the "*Corporation*") pursuant to N.C. Gen. Stat. §160A-20, as amended, in an amount not to exceed \$110,000,000, the proceeds of which will be used to (1) finance equipment for the Spectrum Center Arena and the acquisition, construction, furnishing, equipping and/or improvement of various governmental and public facilities including the Bojangles' Coliseum/Ovens Auditorium Complex, police stations, fire stations, operational facilities for street and equipment maintenance, an operational facility for information and technology and the Charlotte-Mecklenburg County Government Center, in accordance with the City's Capital Improvement Plan (collectively, the "*Projects*") and (2) to pay certain costs incurred in connection with the execution and delivery of the Contract.

The amount advanced under the Contract, which the City expects to be approximately \$110,000,000, will amortize over a term of approximately 20 years. The City may pay its obligations under the Contract from any source of funds available to it in each year and appropriated for such purpose. The City's obligation to make payments under the Contract is a limited obligation of the City, subject to annual appropriation, and does not constitute a direct or indirect pledge of the faith and credit or the taxing power of the City.

To facilitate the financing, the Corporation will execute and deliver under a trust agreement certificates of participation evidencing proportionate undivided rights to receive certain revenues under the Contract. To secure its obligations under the Contract, the City will execute and deliver a deed of trust granting a lien on all or a portion of the City's fee simple interest in certain of the real property on which the Projects are or will be located and all improvements thereon.
