***County of Henderson, North Carolina
Installment Financing Contract***

In accordance with N.C. Gen. Stat. §120-157.2(a), the County of Henderson, North Carolina (the "*County*") hereby notifies you of the County's intent to enter into an installment financing contract under Section 160A-20 of the General Statutes of North Carolina, as amended (the "*Contract*"), the proceeds of which will be used to pay the capital costs of constructing new sewer lines to provide gravity sewer service (the "*Project*").

To secure the County's obligations under the Contract, the County will execute and deliver a security agreement under which the County will grant a lien on and create a security interest in all or a portion of the County's interest in the Project.

The County expects that the Contract will have a term of between 10 and 20 years and that the amount advanced to the County under the Contract will be approximately \$3,000,000; provided, however, that amount could change after the County receives bids for the Project. The County may pay its obligations under the Contract from any source of funds available to it in each year. The County's obligation to make payments under the Contract is a limited obligation of the County, subject to annual appropriation, and will not constitute a direct or indirect pledge of the faith and credit or the taxing power of the County.

The County will request that the Local Government Commission of North Carolina (the "*Commission*") consider for approval the County's proposal to execute and deliver the Contract at the Commission's meeting scheduled for October 2, 2018 or at such other meeting as the County and the Commission may determine.
