RE: McGee's Crossroads Water District (County of Johnston, North Carolina)
NC 210 Water Main Improvements Project

Dear Chairs of the North Carolina Joint Legislative Committee on Local Government:

The purpose of this letter is to notify you, pursuant to N.C. General Statute §120-157.2(a), that the McGee's Crossroads Water District in the County of Johnston, North Carolina (the "District") intends to finance a water main improvements project through a Clean Water State Reserve Project Loan. The McGee's Crossroads Water District Water Main Improvements Project (the "Project") includes two phases as follows:

- Phase 1 includes 18,130 linear feet of 16-inch ductile iron water line to replace the existing failing 12-inch SDR-21 PVC waterline from the Johnston County line to White Memorial Church on NC 210. Phase 1 is to be funded by a \$3,447,000 Clean Water State Reserve Project Loan (H-SRP-D-17-0138).
- Phase 2 continues replacing the existing failing 12-inch SDR-21 PVC water line with 14,900 linear feet of 12-inch C-900 PVC water line along NC 210 from White Memorial Church to NC Highway 50. Phase 2 is to be funded by a \$2,139,000 Clean Water State Reserve Project Loan (H-SRP-D-17-0139).

Clean Water State Reserve Project Loan funding will be combined into one project number (H-SRP-D-17-0138) totaling \$5,586,000. The District plans to seek Local Government Commission ("LGC") approval of the \$5,586,000 Clean Water State Reserve Project loan funding at an LGC meeting occurring on or after October 2, 2018. Please contact us if you have questions or need additional information regarding this project or the related financing.

Sincerely,

J. Chad McLamb, CPA
Assistant County Manager/Director of Finance
