Re: Financing of Community College Improvements by the County of Moore, North Carolina

Ladies and Gentlemen:

In accordance with Section 120-157.2(a) of the General Statutes of North Carolina, as amended, the County of Moore, North Carolina (the "County") hereby notifies you of its intent to issue general obligation bonds pursuant to The Local Government Bond Act, Article 4 of Chapter 159 of the General Statutes of North Carolina, as amended, in an aggregate principal amount not to exceed of \$20,000,000 to finance the cost of acquiring, constructing, improving, expanding, renovating and equipping community college facilities in the County. The issuance of bonds would be subject to voter approval at a bond referendum anticipated to be held on May 8, 2018. Subject to voter approval, the bonds would be secured by the full faith and credit and taxing power of the County, without limitation as to rate or amount, and the County would expect to pay the debt service on the bonds from general fund revenues of the County.

It is expected that the bonds will have a term of approximately 20 years and will be amortized on a level principal basis. Subject to voter approval at the May 8, 2018 bond referendum, the bonds are expected to be sold by the North Carolina Local Government Commission by competitive sale pursuant to a public offering of the bonds. It is not certain at this time when the bonds will be sold or if they will all be sold at one time. Pursuant to State statute, the County will have up to seven years to issue all of the bonds. If the bonds are competitively sold, the interest rate on the bonds will be the lowest true interest rate bid for the bonds at the time the bonds are sold.

Please do not hesitate to contact us if you require additional information or have any questions or concerns.
