Dear Members:

On January 25, 2018, Tuckaseegee Water and Sewer Authority (TWSA) was notified by US Department of Agriculture that our application for the Horsepasture River Wastewater Treatment Plant and Collection System Improvements project had been reviewed and funding was approved in the amount of a maximum of \$1,745,000 in Project Grant and \$4,832,000.00 Project Loan at 2.125% interest. This USDA-RD funding is to be combined with a \$460,800.00 Grant from Golden Leaf Foundation and \$2,440,000.00 in TWSA funding for a total project budget of \$9,477,800.00. The loan funding for this project is pending approval by the Local Government Commission.

To date all milestones have been met as required by USDA-RD.

We hereby notify you of TWSA's intent to proceed with the Horsepasture River Wastewater Treatment Plant and Collection System Improvements project subsequent to loan approval by the Local Government Commission.
