Re: Financing of Improvements to Water System by the Town of Godwin, North Carolina

Ladies and Gentlemen:

Pursuant to Section 120-157.2(a) of the General Statutes of North Carolina, as amended, please be advised that the Town of Godwin, North Carolina (the “Town”) intends to issue its Water System Revenue Bonds and Bond Anticipation Note in an aggregate principal amount of approximately \$736,000 (collectively, the “Bonds”). The Bonds will be issued for the purpose of construction and equipping of water line extensions, which are part of the water system operated by the Town. The Town’s obligations with respect to the Bonds will be payable from revenues of the Town’s water system. The City currently intends to seek approval for the Bonds by the North Carolina Local Government Commission (the “Commission”) at its meeting scheduled for April 7, 2020, or such later meeting as the Town and the Commission may determine.

Very truly yours,

Mary Nash Rusher
