Citation of Law or Resolution:

S.L. 2017-57

Section Number:

Section 15.7A (d)

Due Date:

September 1, 2017

Submission Date:

September 1, 2017

As part of the newly-created Ready Sites Program (SB 257, Section 15.7A (a)), Commerce is required to submit a report to the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources, the chairs of the House of Representatives Appropriations on Agriculture and Natural and Economic Resources, the chairs of the Senate Appropriations on Agriculture and Natural and Economic Resources, and the Fiscal Research Division by September 1, 2017. We are to detail the use of the funds appropriated by the section (\$2,000,000).

Having been recently created during the 2017 North Carolina General Assembly legislative session, we are in the process of developing guidelines, application materials and all other documents that accompany any grant program. As such, no funds have been expended but we look forward to fulfilling the wish of the General Assembly and putting the funds to use as soon as possible.
