Footnotes:

- (1) Excludes disproportionate share funds, settlement funds, and ICF-MR assessment fee.
- (2) MH Institutions include: Broughton Hospital, Cherry Hospital, Dix Hospital, Umstead Hospital, Whitaker School & Wright School.
- (3) DD Institutions include: Caswell Center, Murdoch Center, O'Berry Center and J. Iverson Riddle Center.
- (4) SA Institutions include: JFK ADATC and WBJ ADATC; RJB Blackley ADATC is a unit of Umstead Hospital and is included in Umstead's budget.
- (5) Non-Disability Specific Institutions include: Black Mountain Center (BMC) and N.C. Special Care Center (NCSCC).
- (6) Column 9 indicates whether the funds indicated on each line appear in DMHDDSAS' budget or not. For example, County General Funds for LMEs are appropriated directly by counties to the LMEs and do not appear in the Division's budget. The Division does, however, track the amount budgeted.
- (7) Indicates SFY for funding amounts. SFY 05 amounts are actual payments; SFY 06 amounts are budgeted amounts. For amounts which appear in DMHDDSAS' budget, the budget date is as of 10/31/05. For other SFY 06 amounts which do not appear in DMHDDSAS' budget, the budget date is as of 7/1/05.

Note: Amounts in italics below each shaded/bolded line add up to the total of the shaded/bolded line. These amounts are NOT duplicated in the Grand Total at the bottom of the schedule.
