Impact Analysis	Impact of transformation on workforce and technology
Technology Implementation Plan	Based on technology strategy – roadmap, timelines and milestones
Technology Strategy	Based on identification of technology initiatives and approach
"To-Be" State	Based on program requirements & impacts on DMA of managed care

CMS Progress – Amended 1115 Waiver

- Negotiations regarding program components and budget neutrality continue
  - Recent calls: 2/28, 3/2, 3/8

- Secretary Cohen met March 12 with CMS Administrator Verma to discuss waiver status

- Next step is to draft Special Terms and Conditions (STCs)

- Most recent budget neutrality model from CMS is improved from past model but continues to be negotiated to mitigate potential risk to State
