Senior Farmers Market Nutrition Program

Established in 1999 as a pilot, the purposes of the program are to:

1. Provide fresh, nutritious, unprepared, locally grown fruits & vegetables from farmers markets to low-income seniors,
2. Increase domestic consumption of ag commodities by expanding or aiding expansion of domestic farmers markets, and
3. Develop or aid development of new and additional farmers markets, roadside stands, & community supported ag programs.

NC Senior Farmers Market Nutrition Program

The program strives to improve the nutrition of low income older adults & increase business for local farmers.

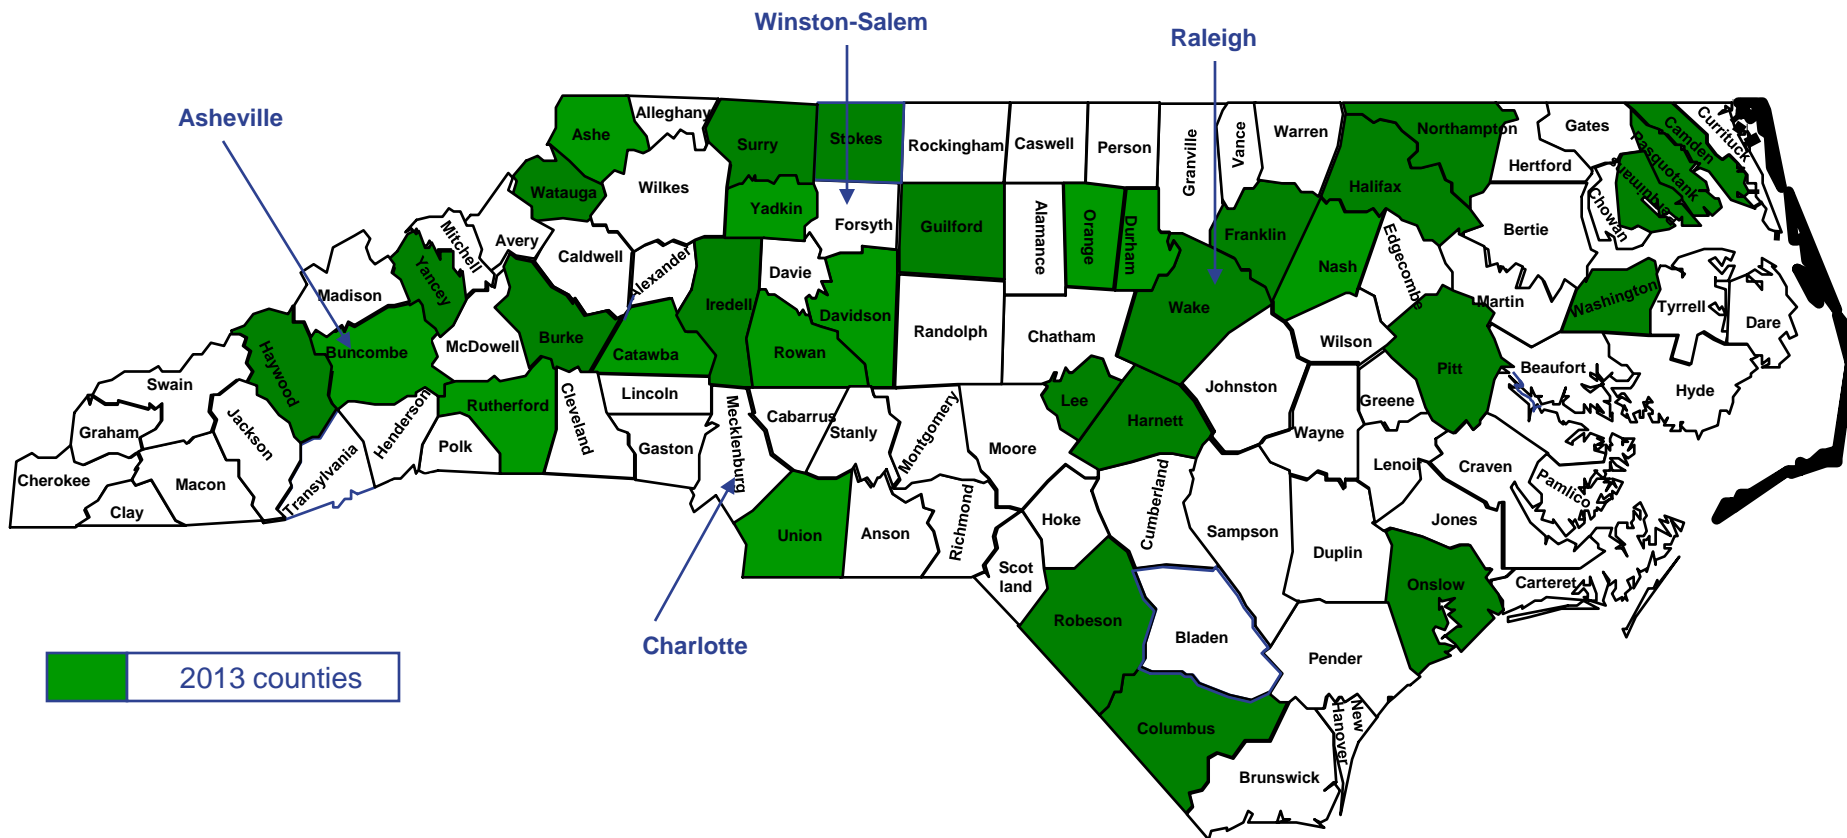

•Participant and Farmers Market Eligibility

- Low-income Congregate Nutrition Program participants
- NCDA&CS certified farmers markets and farmers - locally grown produce by a local farmer

•In 2013,

- USDA funding: \$83,257
- 33 participating counties
- allocated \$21/participant; about 3,800 participants (60+)
- 89% coupon redemption rate

2013 North Carolina SFMNP Participant Survey Results

3,800 total participants, 1256 responses (33% response rate)

	Yes	No	Not sure
Because of the farmers market coupon program, I or my family <ul style="list-style-type: none"> •ate more fresh fruits and vegetables this summer than usual? •will continue to shop at farmers' markets, even without coupons to spend there? 	81% 77%	10% 8%	9% 15%
While you were at the farmers market, did you spend any money or food stamps in addition to your coupons?	65%	35%	
If yes: Money 75% Food Stamps 11% Money/Food Stamps 14%			
After you spent all of your farmers market coupons, have you gone back to shop at the farmers market?	63%	37%	
If no, why? Top three responses: Need more coupons, lack transportation, need more markets/vendors			

Nationally SFMNP funding distributed inequitably

- NC receives **3rd lowest portion of funding among all 52** SFMNP state agencies & recognized Indian Tribal governments.
- NC **ranks 9th** among states with persons age 65 & older.
- NC received **\$83,257** for FY2013 **out of \$21.1 million**.
- **Alabama's share** of the funds (> \$1.6 million) is nearly **20 times the amount that NC receives**.
- **NC has not obtained additional funding from USDA since 2002**, although our coupon redemption has been at least 83% each year (a very favorable comparative rate).
- Funds for SFMNP are in the 2008-2012 Farm Bill.
