About Casebook PBC

Casebook is a PBC - a *Public Benefit Corporation* - a PBC is a for-profit corporation intended to produce a public benefit and operate in a responsible and sustainable manner.

Casebook is a spinoff of the Annie E. Casey Foundation, a private charitable organization dedicated to helping build better futures for disadvantaged children in the United States.

Our mission is to putting modern, practice-focused technology and relevant data into the hands of human services professionals and policy makers, so they can make the best possible decisions.

Improving Outcomes with Casebook

One of Casebook's distinguishing features is its *translation of best practice metrics into concrete indicators* that help caseworkers decide how to allocate their time.

Since Casebook's implementation of practice-focused metrics, Indiana has realized some important changes:
