

Outdoor Heritage Advisory Council
G.O. Grants

School	Amount	Activity
Burns High School	\$2,000.00	Funded off-campus field trip to Carowinds/U.S. National Whitewater Center
Beaufort Middle School	\$1,200.00	Funded off-campus field trip to Camp Albemarle
Casar Elementary School	\$250.00	Funded off-campus field trip to the Marion Fish Hatchery
Bogue Sound Elementary School	\$2,500.00	Funded Muddy Sneakers program at school
Washington Early College	\$2,000.00	Funded off-campus field trip to Camp Don Lee
Stanfield Elementary School	\$560.00	Funded off-campus field trip to Tiger World
Newport Elementary School	\$2,000.00	Built an outdoor learning center
Duplin Early College	\$2,000.00	Funded off-campus field trip to Lake Waccamaw State Park
Cape Fear Middle School	\$931.00	Funded off-campus field trip to Fort Fisher State Park
General Greene Elementary School	\$2,500.00	Funded off-campus field trip to Camp Cheerio
Union Elementary School	\$2,145.00	Funded off-campus field trip to the U.S. National Whitewater Center
Knollwood Elementary School	\$1,050.00	Funded off-campus field trip to Camp Barnhardt
Park Road Montessori	\$1,080.00	Funded off-campus field trip to Winghaven Garden & Bird Sanctuary
Stuart W Cramer High School	\$1,574.00	Funded off-campus field trip to the U.S. National Whitewater Center
Maiden Middle School	\$500.00	Funded off-campus field trip to Hart Square
Valle Crucis School	\$500.00	Funded off-campus field trip to Appalachian Ski Mountain
Tuttle Elementary School	\$2,188.00	Funded off-campus field trip to YMCA Blue Ridge Assembly
Whitaker Elementary School	\$1,055.00	Funded off-campus field trip to participate in the ACORNS program at Camp Caraway
Hawthorne High School	\$1,145.00	Funded off-campus field trip to Linville Caverns and Falls
Flat Rock Middle School	\$540.00	Funded off-campus field trip to DuPont State Forest
JP Knapp Early College	\$600.00	Funded off-campus field trip to First Flight Adventure Park
Marion Elementary School	\$500.00	Funded off-campus field trip to the Eliada Corn Maze
Burns High School	\$1,225.00	Funded off-campus field trip to Camp McDaniel
Cliffside Elementary School	\$252.00	Funded off-campus field trip to South Mountain Christian Camp
Hardin Park School	\$1,000.00	Funded off-campus field trip to Zootastic Park
Hudson Elementary School	\$1,250.00	Funded off-campus field trip to YMCA Blue Ridge Assembly
South Newton Elementary School	\$1,500.00	Funded off-campus field trip to Shining Hope Farms
South Smithfield Elementary School	\$260.00	Funded off-campus field trip to My Happy Place
The Exploris School	\$1,000.00	Funded off-campus field trip to Falls Lake
Cliffside Elementary School	\$258.00	Funded off-campus field trip to South Mountain Christian Camp
Cliffside Elementary School	\$336.00	Funded off-campus field trip to South Mountain Christian Camp
Davidson County High School	\$497.00	Funded off-campus field trip to Emerald Hollow Mines
Joyner Elementary School	\$248.00	Funded off-campus field trip to the Guilford Courthouse National Military Park
KIPP GCP Primary	\$1,625.00	Funded off-campus field trip to the Schoolhouse of Wonder
Lawsonville Elementary School	\$1,000.00	Funded off-campus field trip to the Outer Banks
Loyd Auman Elementary School	\$898.00	Funded off-campus field trip to Gallberry Farm
Southern Middle School	\$2,500.00	Funded off-campus field trip to Camp Rockfish
Valle Crucis School	\$349.00	Built a Garden Cart and purchased supplies for the cart
Virginia Cross Elementary School	\$1,631.00	Funded off-campus field trip to Emerald Hollow Mines
East Wake Academy	\$2,000.00	Funded off-campus field trip to Greensboro Science Center
Micaville Elementary School	\$460.00	Funded off-campus field trip to Ocmonaluftee Indian Village
Brevard Elementary School	\$1,000.00	Funded Muddy Sneakers program at school
Central Elementary School	\$2,500.00	Funded Muddy Sneakers program at school
Douglas Elementary School	\$2,500.00	Built an on-campus outdoor learning center
Evergreen Community Charter School	\$2,500.00	Funded off-campus field trip to Pisgah National Forest

Outdoor Heritage Advisory Council
G.O. Grants

School	Amount	Activity
Fred Wilson Elementary School	\$1,500.00	Funded off-campus field trip to Camp Thunderbird
Green Ridge Elementary School	\$2,500.00	Funded Muddy Sneakers program at school
Hertford Grammar School	\$2,000.00	Funded off-campus field trip to Jeanette's Pier
Joseph W Grier Academy	\$1,000.00	Funded off-campus field trip to Reedy Creek Nature Center
Lyle Creek Elementary School	\$2,000.00	Funded off-campus field trip to Camp Harrison
Maureen Joy Charter	\$1,095.00	Funded virtual field trip with Piedmont Wildlife Center- originally an off-campus field trip, due to COVID it was virtual
Meadowlark Elementary School	\$2,500.00	Built an outdoor classroom
Mountain Community School	\$1,700.00	Funded off-campus field trip to Henderson County Park
New Manna Christian School	\$500.00	Funded off-campus field trip to the Biltmore Estate
Philip O. Berry Academy	\$1,500.00	Funded off-campus field trip to the North Carolina Zoo
RBM STEM Elementary School	\$750.00	Funded Muddy Sneakers program at school
Riverwood Middle School	\$2,500.00	Funded off-campus field trip to Nags Head and NC Aquarium
Sedge Garden Elementary School	\$399.00	Funded off-campus field trip to the Greensboro Science Center
Sherrills Ford Elementary School	\$1,500.00	Funded the construction of a Bee Global Pollinator Garden
Spring Creek Elementary School	\$1,500.00	Funded off-campus field trip to the North Carolina Zoo
Tuckaseegee Elementary School	\$2,500.00	Funded off-campus field trip to Camp Thunderbird
Wincoff STEM Elementary School	\$1,500.00	Funded Muddy Sneakers program at school
Yadkinville Elementary School	\$1,500.00	Funded off-campus field trip to the Sound to Sea Science Camp
Bruce Drysdale School	\$400.00	Funded off-campus field trip to Pisgah Forest Education Center
Providence High School	\$2,400.00	Funded off-campus field trips to NC State University, Duplin Winery, Smithfield Corporation
Saint Raphael Catholic School	\$1,250.00	Funded off-campus field trip to the Duke Lemur Center
White Oak High School	\$2,500.00	Built an outdoor learning center
Butner-Stem Elementary School	\$1,000.00	Funded off-campus field trip to the North Carolina Zoo
La Grange Academy	\$1,500.00	Funded off-campus field trip to Shackleford Island
Mabel School	\$2,063.00	Funded off-campus field trip to the Virginia Creeper Trail
Taylorsville Elementary School	\$2,500.00	Funded off-campus field trip to Camp Harrison
Greene Central High School	\$1,740.00	Funded off-campus field trip to Mount Mitchell State Park
Hendersonville Elementary School	\$2,000.00	Funded off-campus field trip to the Biltmore Estate and Antler Hill Village
Hobgood Charter School	\$500.00	Funded off-campus field trip to The Refuge
Old Fort Elementary School	\$2,500.00	Built an outdoor learning center
Pisgah High School	\$2,000.00	own leaves
Pocosin Innovative Charter	\$550.00	Funded off-campus field trip to Jeanette's Pier
Smithfield Elementary School	\$1,500.00	Funded off-campus field trip to Camp Thunderbird
Bridges Alternative School	\$224.00	Funded off-campus field trip to Fort Macon and NC Aquarium (Pine Knoll Shores)
Central Park School for Children	\$1,880.00	Purchased boots and jackets for students to go on their daily off-campus walks and their monthly visits to a local farm for field trips.
Lincolnton Middle School	\$535.00	Purchased plants for the exceptional students class to create a garden on campus
Columbia High School	\$2,500.00	Funded off-campus field trip to nearby state and federal Parks
Eno Valley Elementary School	\$1,500.00	Built an outdoor classroom
McDeeds Creek Elementary School	\$716.00	Built an outdoor classroom
Nash Central High School	\$2,070.00	Funded off-campus field trips to Sliding Rock, Tuckaleechee Caverns, Anakeesta Outdoor Adventure
Friends School of Wilmington	\$2,500.00	Purchased and built a bird garden, and purchased sun shades to create an outdoor classroom
Friends School of Wilmington	\$2,500.00	Planted a bird garden and created a nature discovery trail, purchased wifi cameras to participate in the Cornell
Eliada Academy	\$1,900.00	Renovated the existing greenhouse so they could use it again

Outdoor Heritage Advisory Council
G.O. Grants

School	Amount	Activity
Archer Elementary School	\$6,190.00	Built an outdoor classroom
Carrington Middle School	\$2,500.00	Built an on-campus rabbit habitat so students could take care of them even when school was virtual
Andrews Elementary School	\$13,307.00	Built an outdoor classroom
Central Middle School	\$4,000.00	Built an outdoor classroom
Gastonia Freedom School	\$1,200.00	Built an outdoor classroom and greenhouse
Macon Early College High School	\$10,000.00	Built an outdoor classroom
Enka High School	\$25,000.00	Built a barn to hold classes and livestock for FFA
Oak Grove High School	\$5,000.00	Built an outdoor classroom, purchased plants for a pollinator garden and pond next to the outdoor classroom
Hanger Hall School for Girls	\$7,500.00	Built an outdoor classroom
Wild + Free	\$935.00	Funded an on-campus field trip for Sun Star Family Farms and NC Aquarium Outreach program to visit on campus
Salvation Army & Boys and Girls Club	\$2,500.00	Funded off-campus field trips to six local park field trips and one trip for the teenagers to Pilot Mountain
Alexander Central High School	\$15,000.00	Built an outdoor classroom
PAVE Southeast Raleigh Charter	\$15,000.00	Built an outdoor classroom
West Columbus High School	\$15,000.00	Built an animal science facility for their FFA to hold classes and take care of the animals
Knollwood Elementary School	\$12,000.00	Built an on-campus nature trail
Island Montessori School	\$8,350.00	Built an outdoor classroom
Hiddenite Elementary School	\$10,000.00	Built an outdoor classroom
Overhills High School	\$15,000.00	Built a Livestock Structure/ Outdoor Learning Facility for their students
Triton High School	\$5,000.00	Purchased picnic tables for an outdoor classroom
Sacred Heart Catholic School	\$5,000.00	Built an outdoor classroom
West Brunswick High School	\$8,500.00	Built an outdoor garden classroom
Sacred Heart Catholic School	\$5,000.00	Built an outdoor learning classroom for the art classes
Estes Hills Elementary School	\$15,000.00	Built an outdoor classroom
Brevard Elementary School	\$2,000.00	Funded the Muddy Sneakers program for the school
Mount Olive Middle School	\$1,288.09	Built raised garden beds on campus
Carrboro Elementary School	\$15,000.00	Built a shade structure off of the kindergarten classroom so students could social distance and still be part of the classroom
Swansboro High School	\$15,000.00	Purchased a shade structure to create an outdoor classroom
lotla Valley Elementary School	\$1,133.29	Purchased a shade structure to create an outdoor classroom
Cameron Boys Camp	\$4,725.00	Purchased backpacking gear and paid for canoe repairs since the students live on the campus and cannot leave the property due to COVID
Envision Science Academy	\$10,030.00	Built an outdoor classroom
New School Montessori	\$9,500.00	Built an outdoor classroom
Eastern NC School for the Deaf	\$10,000.00	Built an aquaponic greenhouse
Pocosin Innovative Charter School	\$13,542.75	Built a greenhouse
Mount Airy High School	\$15,000.00	Built an outdoor classroom
Mars Hill Elementary School	\$5,300.00	Purchased plants and built a garden for students
Boys & Girls Clubs of the Albemarle	\$12,500.00	Built outdoor classrooms for students who were participating in virtual learning
Oak Lane Elementary School	\$115.00	Virtual Zoo to You EDventures since they could no longer visit the Zoo due to COVID
Mecklenburg County 4-H	\$8,279.27	Purchased outdoor equipment for their outdoor education programs. *Was awarded \$8,292.62, returned \$13.35
Clyde Erwin Elementary School	\$14,998.92	Purchased sunshades for an outdoor classroom and birdfeeders to go around the classroom. *Was awarded \$15,000, returned \$1.08
Boys & Girls Clubs of Greater Gaston	\$2,500.00	Funded three off-campus field trips to go hiking at nearby parks

**Outdoor Heritage Advisory Council
G.O. Grants**

School	Amount	Activity
Swansboro Middle School	\$15,000.00	Built two outdoor classrooms and purchased supplies to revitalize the on-campus trail and wildlife habitats
Invest Collegiate Transform	\$2,000.00	Built an on-campus learning garden
McDeeds Creek Elementary School	\$15,000.00	Built an outdoor classroom
Riverside Elementary School	\$11,500.00	Built a small barn and greenhouse
Northeast Elementary School	\$14,650.32	Built a greenhouse and purchased supplies for a garden
Bishop McGuinness Catholic High School	\$14,524.16	Purchased mobile classroom supplies and chairs to hold classes anywhere outside
Montessori School of Durham	\$1,525.00	Purchased supplies to create a school bee hive
James Love Elementary School	\$14,993.45	Built a shaded outdoor classroom. *Was awarded \$15,000, returned \$6.55
Brush Creek Elementary School	\$3,785.00	Built an on-campus garden with wheelchair accessible raised beds
Waynesville Middle School	\$7,233.50	Purchased fly fishing and archery equipment for their capstone activity
Uwharrie Ridge 6-12	\$6,270.00	Built an outdoor classroom
Corriher Lipe Middle School	\$12,000.00	Built a covering for an outdoor classroom and created a garden
Morton Elementary School	\$15,000.00	Purchased sunshades for outdoor classrooms
Swansboro High School	\$554.52	Purchased fishing equipment so more students can participate in the fishing club. *Was awarded \$600, returned \$45.48
Franklinton High School	\$8,054.46	Built a freshman garden lab
East Wilkes High School	\$14,113.93	Built an outdoor classroom
Halifax County 4-H	\$6,722.54	Purchase outdoor equipment for fishing, camping, archery, birdwatching, and marine biology
Silverdale Elementary School	\$13,633.20	Purchase sunshades and outdoor classroom equipment. *Was awarded \$15,000, returned \$1,366.80
Rocky Point Elementary School	\$9,227.00	Built an outdoor classroom
Tabor City Elementary School	\$3,300.00	Purchased gardening kits for the students to learn how to garden
Hiddenite Elementary School	\$13,500.00	Built an outdoor classroom and purchased supplies for the classroom
West Marion Elementary School	\$821.00	Built an on-campus Storywalk Trail that the school and community can use
Cameron Elementary School	\$13,145.00	Created an outdoor trail with pollination, weather and garden stations along the trail
Woods Charter	\$2,589.00	Purchased a Goliath Table for outdoor classroom
Harrells Christian Academy	\$15,000.00	Purchased umbrellas to create an outdoor classroom on campus
Roxboro Community School	\$737.63	Purchased plants and built a pollinator garden
Roxboro Community School	\$15,000.00	Built two outdoor classrooms
Northwest Elementary School	\$14,000.00	Built an on-campus greenhouse
Old Fort Elementary School	\$15,000.00	Built an outdoor classroom and purchased planters, benches and picnic tables for the outdoor classroom
City of Gastonia	\$2,500.00	Funded off-campus field trips to Crowders Mountain, Kings Mountain National Park and Anne Spring Close Greenway
Harrells Christian Academy	\$10,700.00	Built an outdoor classroom and purchased outdoor lab tables
Alpha Academy	\$15,000.00	Built two greenhouses on campus
McDowell Middle Schools	\$15,000.00	Built greenhouses for East and West McDowell Middle School and Foothills Community School
West Rowan High School	\$8,000.00	Purchased three high tunnel greenhouses
Smithfield Middle School	\$9,470.00	Built an outdoor learning courtyard and garden, with raised planters, picnic tables, and adirondack chairs
Smithfield Middle School	\$9,800.00	Built an outdoor classroom with picnic tables, benches, planters and a weather station
McDeeds Creek Elementary School	\$716.00	Built an outdoor classroom and bird watching station
Rockingham Community Education Foundation	\$15,000.00	Created a nature learning trail for Moss Street Partnership School
Warsaw Elementary School	\$15,000.00	Built four different outdoor classroom learning spaces on campus
Cleveland High School	\$15,000.00	Purchased a mobile livestock classroom to take to local elementary schools to teach them about different animals
Boonville Elementary School	\$9,093.60	Built raised garden beds and a greenhouse

**Outdoor Heritage Advisory Council
G.O. Grants**

School	Amount	Activity

Arborbrook Christian Academy	\$15,000.00	Built an outdoor classroom
Pleasant Gardens Elementary School	\$15,000.00	Built an outdoor classroom
Rose Hill-Magnolia Elementary School	\$12,135.94	Created an outdoor classroom with benches
McDowell High School	\$7,500.00	Built a covered outdoor classroom with dry erase boards, seating plants and enos for the Exceptional Children Students
Creswell Elementary School	\$15,000.00	Built an outdoor classroom
Hunters Creek Middle School	\$8,588.79	Built an outdoor classroom
Montford North Star Academy	\$14,302.90	Built an outdoor classroom
Princeton Elementary School	\$14,700.00	Created an outdoor learning activity pad
Princeton Elementary School	\$13,606.00	Built an outdoor classroom and purchased picnic tables
Newton Conover City Schools	\$4,815.00	Purchased portable laptop desks for students to work on classwork anywhere outside
CB Eller Elementary School	\$14,735.60	Built an outdoor classroom
Mallard Creek STEAM School	\$15,000.00	Built an outdoor classroom
The Learning Center! Charter	\$14,602.24	Built an outdoor classroom
James Kenan High School	\$8,000.00	Built a greenhouse
GLOW Academy	\$11,250.00	Upfit of existing outdoor classrooms
GLOW Academy	\$12,500.00	Upfit of existing outdoor classrooms
Southeast Guilford Middle School	\$1,029.99	Updated existing greenhouse and purchased gardening equipment
Westmore Elementary School	\$15,000.00	Built an outdoor classroom and purchased bird houses and gardening supplies
Quality Education Academy	\$8,087.02	Purchased equipment for a portable outdoor classroom
Lincoln Heights Environmental Connections Magnet Elementary School	\$3,680.80	Equipment for an outdoor classroom
James Kenan High School	\$9,400.00	Built an outdoor cooking station and garden center
Hayesville Middle School	\$14,950.00	Built an outdoor classroom
Horizons Alternative Elementary School	\$5,000.00	Built an on-campus garden
Mountain View Elementary School	\$14,735.60	Built an outdoor classroom
Hibriten High School	\$8,441.68	Built an outdoor classroom
Gray Stone Day School	\$15,000.00	Created an outdoor camping area and purchased tents and hammocks
Gray Stone Day School	\$15,000.00	Built two outdoor classrooms
McAdenville Elementary School	\$5,750.00	Built an outdoor classroom
Millers Creek Elementary School	\$14,995.00	Built an outdoor classroom
Baton Elementary School	\$4,000.00	Built a nature trail, bike trail and garden on campus
Rocky Mount Academy	\$15,000.00	Created an on-campus nature learning trail
Buckland Elementary School	\$14,865.53	Built an outdoor classroom
West Marion Elementary School	\$12,000.00	Built an outdoor classroom
Forestville Road Elementary School	\$13,238.00	Purchased equipment for an outdoor classroom
Clinton City Schools	\$15,000.00	Purchased equipment for an outdoor classroom
Yadkin Valley Regional Career Academy	\$3,800.00	Built an outdoor classroom
Valmead Elementary School	\$10,931.22	Built an outdoor classroom
Foust Elementary School	\$12,636.37	Built an outdoor classroom with learning stations
Vance Charter School	\$15,000.00	Built an outdoor classroom
East Alexander Middle School	\$8,006.36	Built an outdoor classroom
Southwest Charlotte STEM Academy	\$15,000.00	Built two outdoor classrooms

**Outdoor Heritage Advisory Council
G.O. Grants**

School	Amount	Activity
Duplin Early College High School	\$7,131.00	Built an outdoor classroom
Mountain Island Charter School	\$13,552.70	Built an outdoor classroom
West Lenoir Elementary School	\$15,000.00	Built an outdoor classroom
West Marion Elementary School	\$1,120.00	Purchased equipment for an outdoor art classroom
Northeastern High School	\$13,716.00	Built a greenhouse and outdoor lab stations and purchased lab materials
Evergreen Community Charter School	\$8,160.88	Built an outdoor classroom and purchased space heaters to utilize the space year round. *Was awarded \$9,289.27, returned \$1,128.39
Ellendale Elementary School	\$15,000.00	Built an outdoor classroom
South Brunswick Middle School	\$14,450.00	Built an outdoor classroom
South Brunswick Middle School	\$7,526.35	Created an outdoor garden and built raised garden beds
North Wilkes High School	\$14,735.60	Built an outdoor classroom
Green Valley Elementary School	\$14,727.03	Built an outdoor classroom
Central Cabarrus High School	\$15,000.00	Built an aquaponic greenhouse and raised garden beds
Davenport A+ Elementary School	\$9,200.00	Purchased a covered shed and picnic tables to create an outdoor classroom
North Liberty School	\$7,200.00	Built an outdoor classroom
Two Rivers Community School	\$2,729.66	Purchased outdoor classroom supplies. *Was awarded \$3,500, returned \$770.34
Central Davie Academy	\$3,606.36	Built an outdoor classroom
Francine Delany New School for Children	\$15,000.00	Built an outdoor classroom
Martin L. Nesbitt Discovery Academy	\$10,500.00	Built a stormwater wetland outdoor classroom
Hardin Park School	\$11,000.00	Built an on-campus mountain bike trail
Reaching All Minds Academy	\$15,000.00	Purchased equipment and supplies to convert two school buses into greenhouses
Ary Dalton Cinema	\$68,200.00	Creation of Educational Videos
CCA In Shore Open	\$5,000.00	Fishing equipment for the tournament
Muddy Sneakers	\$100,000.00	Implementation of their traditional program, creation of the Remote Expeditions Program and Experience (in-person and virtual), and funding for Muddy Sneakers/OHAC Social Media Campaign
NC Department of Agriculture and Consumer Services	\$53,342.00	Provided funds to help cover costs to safely host the NC State Fair Youth Livestock Show and NC Mountain State Fair Youth Livestock Show
