

Joint Appropriations on Transportation Committee
DMV March 4 Meeting Follow-up to Committee

1. What is the current status of the mobile units?

Due to the current status of COVID-19, currently all mobile service are suspended until further notice.

2. Is DMV using the mobile units to service the areas where DLOs are closed?

No. Most, if not all, of the closed DLOs are part-time offices. Those examiners are being utilized to staff the larger offices and conduct Contactless Road Test (CRT). As of today, 97 DLOs are open.

3. Where are contactless road tests available?

DMV is currently offering contactless road tests at 28 sites across North Carolina. The sites, including addresses, are listed below.
