MEMORANDUM

TO: Members of the General Assembly

FROM: O. Walker Reagan, Director of Research *OWR*

RE: Bills Eligible for Consideration by the General Assembly during the 2010 Regular Session of the 2009 General Assembly (the "Short Session")

The 2009 Regular Session of the 2009 General Assembly adjourned on August 11, 2009. The adjournment resolution as amended ([Res. 2009-33](#); [SJR 1109](#)) provides that both houses will reconvene for the 2010 Session of the 2009 General Assembly (the "Short Session") at 12:00 noon on Wednesday, May 12, 2010. (Appendix A).

As in the past, only certain measures may be considered during the Short Session – primarily those relating to appropriations, finance, pensions and retirement, and localities; certain legislation from the 2009 Regular Session; and legislation proposed by study commissions. Any measure, however, may be introduced and considered if authorized by a joint resolution passed by a two-thirds vote of each chamber's members present and voting. Blank bills (those having no substantive provisions) cannot be introduced in the House of Representatives during the Short Session.

Only the following matters may be considered during the Short Session:

1. **Budget bills.** Bills directly and primarily affecting the State budget, including the budget of an occupational licensing board, for fiscal year 2010-2011, provided that the bill must be submitted to the Bill Drafting Division of the Legislative Services Office no later than 4:00 P.M. Friday, May 14, 2010, and must be introduced in the House of Representatives or filed for introduction in the Senate no later than 4:00 P.M. Tuesday, May 25, 2010.
2. **Bills containing constitutional amendments.**
3. **Crossover bills.** Bills and resolutions introduced in 2009 and having passed third reading in 2009 in the house in which introduced, received in the other house in accordance with [Senate Rule 41](#) or [House Rule 31.1\(e\)](#) as appropriate, and not disposed of in the other house by tabling, unfavorable committee report, indefinite postponement, or failure to pass any reading, and which do not violate the rules of

the receiving house. The crossover deadline for the 2009 session was May 14, 2009.

Attached is a list of bills (Appendix B) that appear to be eligible for consideration during the Short Session under the crossover criteria listed in this section. This list does not include all eligible appropriations and finance bills, but only those bills that have passed one house and been received in the other and which are "still alive" under the terms of this section. The list of bills was generated by the Information Systems Division of the Legislative Services Office.

4. **Study committee bills.** Bills and resolutions implementing the recommendations of:
 - a. Study commissions, authorities, and statutory commissions authorized or directed to report to the 2010 Session;
 - b. The General Statutes Commission, the Courts Commission, or any commission created under Chapter 120 of the General Statutes that is authorized or directed to report to the General Assembly;
 - c. The House Ethics Committee;
 - d. Select committees; or
 - e. The Joint Legislative Ethics Committee or its Advisory Subcommittee.

A bill authorized by this subdivision must be submitted to the Bill Drafting Division of the Legislative Services Office no later than 4:00 P.M. Wednesday, May 12, 2010, and must be filed for introduction in the Senate or introduced in the House of Representatives no later than 4:00 P.M. Wednesday, May 19, 2010.

5. **Local bills.** Any local bill that has been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. Wednesday, May 19, 2010, is introduced in the House of Representatives or filed for introduction in the Senate by 4:00 P.M. Wednesday, May 26, 2010, and is accompanied by a certificate signed by the principal sponsor stating that no public hearing will be required or asked for by a member on the bill, the bill is noncontroversial, and that the bill is approved for introduction by each member of the House of Representatives and Senate whose district includes the area to which the bill applies.
6. **Appointment bills.** Selection, appointment, or confirmation of members of State boards and commissions as required by law, including the filling of vacancies of positions for which the appointees were elected by the General Assembly upon recommendation of the Speaker of the House of Representatives, President of the Senate, or President Pro Tempore of the Senate.
7. **Bills authorized by a joint resolution that passed by a two-thirds vote.** Any matter authorized by joint resolution passed by a two-thirds majority of the members of the House of Representatives present and voting and by a two-thirds majority of the members of the Senate present and voting. A bill or resolution filed in either house under the provisions of this subdivision shall have a copy of the ratified enabling resolution attached to the jacket before filing for introduction in the Senate or introduction in the House of Representatives.

8. **Joint resolutions authorizing introduction of a bill.** A joint resolution authorizing the introduction of a bill. See Section 7 above.
9. **Pension or retirement bills.** Any bills primarily affecting any State or local pension or retirement system, provided that the bill has been submitted to the Bill Drafting Division of the Legislative Services Office no later than 4:00 P.M. Wednesday, May 19, 2010, and is introduced in the House of Representatives or filed for introduction in the Senate no later than 4:00 P.M. Wednesday, May 26, 2010.
10. **Joint resolutions, House resolutions, and Senate resolutions authorized for introduction under [Senate Rule 40\(b\)](#) or [House Rule 31](#).**
11. **Adjournment resolutions.** A joint resolution adjourning the 2009 Regular Session, sine die.
12. **Bills disapproving rules.** Bills to disapprove rules under [G.S. 150B-21.3](#). (See Appendix C).

§ 150B-21.3. Effective date of rules.

(a) Temporary and Emergency Rules. – A temporary rule or an emergency rule becomes effective on the date the Codifier of Rules enters the rule in the North Carolina Administrative Code.

(b) Permanent Rule. – A permanent rule approved by the Commission becomes effective on the first day of the month following the month the rule is approved by the Commission, unless the Commission received written objections to the rule in accordance with subsection (b2) of this section, or unless the agency that adopted the rule specifies a later effective date.

(b1) Delayed Effective Dates. – If the Commission received written objections to the rule in accordance with subsection (b2) of this section, the rule becomes effective on the earlier of the thirty-first legislative day or the day of adjournment of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule, unless a different effective date applies under this section. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission or that is specifically disapproved by a bill enacted into law before it becomes effective does not become effective.

A bill specifically disapproves a rule if it contains a provision that refers to the rule by appropriate North Carolina Administrative Code citation and states that the rule is disapproved. Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of any regular session to disapprove a rule that has been approved by the Commission and that either has not become effective or has become effective by executive order under subsection (c) of this section.

(b2) Objection. – Any person who objects to the adoption of a permanent rule may submit written comments to the agency. If the objection is not resolved prior to adoption of the rule, a person may submit written objections to the Commission. If the Commission receives written objections from 10 or more persons, no later than 5:00 P.M. of the day following the day the Commission approves the rule, clearly requesting review by the legislature in accordance with instructions contained in the notice pursuant to G.S. 150B-21.2(c)(9), and the Commission approves the rule, the rule will become effective as provided in subsection (b1) of this section. The Commission shall notify the agency that the rule is subject to legislative disapproval on the day following the day it receives 10 or more written objections. When the requirements of this subsection have been met and a rule is subject to legislative disapproval, the agency may adopt the rule as a temporary rule if the rule would have met the criteria listed in G.S. 150B-21.1(a) at the time the notice of text for the permanent rule was published in the North Carolina Register. If the Commission receives objections from 10 or more

persons clearly requesting review by the legislature, and the rule objected to is one of a group of related rules adopted by the agency at the same time, the agency that adopted the rule may cause any of the other rules in the group to become effective as provided in subsection (b1) of this section by submitting a written statement to that effect to the Commission before the other rules become effective.

(c) Executive Order Exception. – The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission but the effective date of which has been delayed in accordance with subsection (b1) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the order is issued or at a later date specified in the order. When the Codifier of Rules enters in the North Carolina Administrative Code a rule made effective by executive order, the entry must reflect this action.

A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill enacted into law on or before the day of adjournment of the regular session of the General Assembly that begins at least 25 days after the date the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill enacted into law is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill enacted into law within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code.

(c1) Fees. – Notwithstanding any other provision of this section, a rule that establishes a new fee or increases an existing fee shall not become effective until the agency has complied with the requirements of G.S. 12-3.1.

(d) Legislative Day and Day of Adjournment. – As used in this section:

- (1) A "legislative day" is a day on which either house of the General Assembly convenes in regular session.
- (2) The "day of adjournment" of a regular session held in an odd-numbered year is the day the General Assembly adjourns by joint resolution for more than 10 days.
- (3) The "day of adjournment" of a regular session held in an even-numbered year is the day the General Assembly adjourns sine die.

(e) OSHA Standard. – A permanent rule concerning an occupational safety and health standard that is adopted by the Occupational Safety and Health Division of the Department of Labor and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor becomes effective on the date the Division delivers the rule to the Codifier of Rules, unless the Division specifies a later effective date. If the Division specifies a later effective date, the rule becomes effective on that date.

(f) Technical Change. – A permanent rule for which no notice or hearing is required under G.S. 150B-21.5(a)(1) through (a)(5) or G.S. 150B-21.5(b) becomes effective on the first day of the month following the month the rule is approved by the
