### **MEMORANDUM**

**TO:** Members of the General Assembly

**FROM:** Cathy L. Martin, Legislative Librarian

**RE:** Bills Eligible for Consideration by the General Assembly during the 2016 Regular Session of the 2015 General Assembly (the "Short Session")

The 2015 Regular Session of the 2015 General Assembly adjourned September 30, 2015, to reconvene on Monday, April 25, 2016, at 7:00 P.M. ([S721, Res. 2015-14](#)). The session held in the second (even) year of the biennium is commonly called the "Short Session."

Only certain matters may be considered during the Short Session, as outlined in the Adjournment Resolution. Non-crossover bills and new introductions must be analyzed under the Adjournment Resolution to determine eligibility. Any measure may be introduced and considered if authorized by a joint resolution passed by a two-thirds vote of each chamber's members present and voting. ([S721, Res. 2015-14](#), §2(7)).

Only the following matters may be considered during the Short Session:

1. **Budget bills.** Bills directly and primarily affecting the State budget, including the budget of an occupational licensing board, for fiscal year 2016-2017, provided that the bill must be submitted to the Bill Drafting Division of the Legislative Services Office no later than 4:00 P.M. Wednesday, April 27, 2016, and must be introduced in the House of Representatives or filed for introduction in the Senate no later than 4:00 P.M. Tuesday, May 10, 2016.
2. **Bills amending the Constitution of North Carolina.**
3. **Crossover bills (list attached).** Bills and resolutions meeting the crossover deadline but not ratified or defeated in the receiving chamber as follows:

  - b. House and bills and resolutions introduced in 2015 that passed third reading in the House by April 30th, 2015.
  - c. However, any bill otherwise meeting these deadlines is not eligible for consideration if it:
    - i. Violates the rules of the receiving chamber; or
    - ii. Is disposed of in the other house by tabling, unfavorable committee report, indefinite postponement, or failure to pass any reading.

Attached is a list of bills that appear to be eligible for consideration during the Short Session under the crossover criteria listed in this section. This list does not include all eligible bills, but only those bills that have passed one house and been received in the other and which are "still alive" under the terms of this section. The list of bills was generated by the Information Systems Division of the Legislative Services Office.

6. **Appointment bills.** Selection, appointment, or confirmation as required by law, including the filling of vacancies in positions for which the appointees were elected by the General Assembly upon recommendation of the Speaker of the House of Representatives, President of the Senate, or President Pro Tempore of the Senate.
7. **Bills authorized by a joint resolution that passed by a two-thirds vote.** Any matter authorized by joint resolution passed by a two-thirds majority of the members of the House of Representatives present and voting and by a two-thirds majority of the members of the Senate present and voting.
